FINAL RESULTS OF THE 2005 NATIONAL TROPHY PISTOL MATCHES

Major General Wayt opens the 2005 National Matches

Major General Greg Wayt, the Adjutant General of the State of Ohio, was the First Shot Speaker and had the honor of firing the ceremonial first shot to open the 2005 National Matches at Camp Perry, Ohio. The traditional First Shot Ceremony at Camp Perry took place on July 11th. Everyone in attendance enjoyed a colorful ceremony that benefited from the better side of Camp Perry weather, with the sun shining and a light breeze coming off of Lake Erie.

Distinguished guests are honored at the First Shot Ceremony for their support of the National Matches.

Ms. Judith Legerski, Vice Chair of the CMP Board of Directors, Mr. John Sigler, First Vice President of the NRA, Chris Redfern, Ohio State House of Representatives, District 80, Robert Latta, Ohio State House of Representatives, District 6, representatives of Senator George Voinovich and Senator Mike DeWine and many other distinguished guests also attended the ceremony.

General Wayt was appointed by the Governor of Ohio and assumed the duties of the Adjutant General on 1 July 2004. He is a member of the Governor's cabinet and is responsible for the operation of the Ohio Adjutant General's Department and the military preparedness of the Ohio Army National Guard, the Ohio Air National Guard, the Ohio Military Reserve and the Ohio Naval Militia. General Wayt is a Distinguished Military Graduate from the Ohio State University ROTC program. He began his military career as an artillery officer in 1975.

In his comments, General Wayt credited General A. B. Critchfield, former Adjutant General of Ohio, as being "the real father of Camp Perry whose vision was to establish the world's finest rifle range." He noted how land for Camp Perry was purchased in 1905, and that the camp was named after Commodore Oliver Hazard Perry, the victorious American Naval commander who defeated the British in 1813 at the Battle of Lake Erie.

General Wayt also spoke about the future of Camp Perry. "The future of the National Matches here at Camp Perry is very bright. The Camp Perry Executive Council, comprised of the senior leadership from the Adjutant General's Department, Civilian Marksmanship Program, National Rifle Association, and three local General Assembly members, was recently formed to ensure the matches are world class and to steer and prioritize the master plan that has been developed for Camp Perry. The master plan will shape the development of Camp Perry for the next 25 years. This partnership is seeking innovative ways to resource this plan; and I can tell you that we are committed to making Camp Perry a world-class facility. Our goal for Camp Perry is to have an impact on the economic development of the community, to increase the number of participants in the matches, and make this a world-class range just as General Critchfield envisioned in 1905."

The color guard for the First Shot Ceremony was the Navy JROTC Color Guard from the Admiral King High School, Lorain, Ohio.

He described recent actions by the state and Ohio National Guard to develop Camp Perry. "The State of Ohio is investing more than one million dollars for road construction, utilities upgrades, and renovation of many post facilities. In addition, the Federal Government provided 1.5 million dollars for a county sewer extension that will be completed in the near future. Our most recent construction projects include: the renovation of the Hough Grove motel rooms and a \$ 1.4 million dollar Viale Range berm and target replacement project, which will be completed and ready for use in the 2006 National Matches."

Additional photos from the ceremony can be viewed at <http://www.odcmp.com/Photos/05/FirstShot/index.htm>. The CMP National Trophy Pistol Matches results are posted on the CMP web site at http://clubs.odcmp.com/cgi-bin/report_matchResult.cgi?matchID=804.

Major General Wayt fired the first shot of the 2005 National Matches with a Model 1903 Springfield rifle. Wayt said, "I chose this rifle as it is known for its accuracy and I need as much help as I can get!"

A Message from the DCM:

The CMP is pleased to provide the **Final Results of the 2005 National Trophy Pistol Matches**. This year, we changed the way we present National Matches results. There were three results phases. First, competitor scores and trophy lists were posted on the CMP web site and at the CMP Results Center during the matches. Second, we published a preliminary results bulletin that was available at the pistol award ceremony. The third results phase is this final results bulletin.

There are several people and organizations to thank for their significant contributions to another great National Matches:

- The Army Marksmanship Unit and coaches representing the Active and Reserve teams from the Army, Marine Corps, Navy, Air Force and Coast Guard gave us a superb Pistol Small Arms Firing School.
- The NRA staff and range volunteers operated the ranges with efficiency, courtesy and skill.
- Eric Pierce at the National Match Armory in Rendon, Texas produced two splendid M1 Garand presentation rifles for the President's and NTI Pistol Match winners.
- Lots of local people stepped in to help too: Steve Heineman of Heineman Distributors provided beverages for the CMP Shooter Reception; Bill Gordon of Photomaker provided lots of splendid photos of the First Shot and Pistol Awards Ceremonies.
- The Ohio National Guard Camp Perry staff headed by Post Commander, COL Jim Chisman; the USAR soldiers who handled transportation, medical, signal and a myriad of other duties and certainly the CMP staff who are all so dedicated to serving shooters and giving them the best experience were essential to the success of the matches.

No National Trophy Pistol Matches go by without shooting highlights. This year:

- SSG James Henderson, USAR, won his second President's Pistol Match, this time with a new National Match record of 389-10X.
- Steve Reiter won his second National Trophy Pistol Match in a row, with a 293 that equaled his winning 2004 score.
- The National Trophy Pistol Team Match once again turned out to be close and exciting. It started with the improbable, the Arizona State Team led the match after the first pair. When it was all over, the USMC Scarlet Team won, by just three points and one X over the Army.
- 15-year-old Heather Deppe won both junior pistol awards and was a member of the winning junior team.

Most importantly, each of you who competed, coached or supported the matches in other ways were an integral part of the 2005 National Trophy Pistol Matches and we thank you for participating. We trust that you reached your personal goals and had a great experience. We look forward to welcoming you back to the 2006 National Matches.

Gary Anderson, DCM

National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

USMC Team, Army Reservist and Civilian Take Top Honors in National Trophy Pistol Matches

By Gary Anderson, DCM

The Gold Cup Trophy, which is awarded to the winning team in the National Trophy Team Match, is arguably the most prestigious team trophy in any U. S. pistol competition. In the National Trophy Team Match, each member of a four-person team fires a 9mm or .45 cal. service pistol over the 30-shot National Match Course. Team members fire in pairs, with two team members firing on the first relay and two on the second. Each four-person team must have one "new shooter" who has never fired in the National Trophy Team Match before.

The National Trophy Matches are a featured part of the National Matches that take place each year at Camp Perry, Ohio. The 2005 National Trophy Pistol Matches took place on 17 July. The trophy matches included the President's Pistol Match, the National Trophy Individual Pistol Match and the National Trophy Pistol Team Match. Nearly 600 shooters participated in this year's National Trophy Pistol Matches.

This year a strong U. S. Army team was one of three favored teams in the Gold Cup team competition. They had an experienced new shooter, SPC Sean Watson, who had done well in the National Trophy individual matches, and three other experienced shooters, including Sergeant Robert Park, who won the President's Pistol Match two years ago. The U. S. Army Reserve Pistol Team, led by Staff Sergeant James Henderson, was a second serious contender.

The Marine Corps team included Gunnery Sergeant Brian Zins, who won an unprecedented seventh NRA National Pistol Championship earlier in the week. The Marines experienced two bitter disappointments in the last two Gold Cup Matches. In 2003, the Army beat them by one point 1115 to 1114. Last year it was even closer. The USMC Scarlet team tied with the U. S. Army Reserve team at 1102, only to lose the tie breaker. A second Marine team, USMC Gold, was just two points back at 1100.

The USMC Scarlet Team won the 2005 National Trophy Pistol Team Match. Team members (l. to r.) are Sgt Luke Awtrey, coach, Sgt Matthew Prykryl, GySgt Brian Zins, GySgt Richard Gray and CWO2 Billy Williamson.

The 2005 National Trophy Pistol Team Match turned out to be a victory year for the Marine Corps team. Their new shooter, CWO2 Billy Williamson, shot a solid 273 and the other team members, Gunnery Sergeant Brian Zins, Gunnery Sergeant Richard Gray and Sergeant Mathew Prykryl shot 282, 281 and 278 respectively, all good scores, to total 1114 and finish ahead of the U. S. Army's 1111. Staff Sergeant Henderson had the top individual score of 293-9X to lead the USAR Black team to a third place 1105 score.

The National Trophy individual competitions featured two truly outstanding individual performances. In the President's Pistol Match, Henderson fired an new National Matches record to win the match, a presentation M1 gunsmithed by Eric Pierce at the National Match Armory and the traditional congratulatory letter from the President of the United States. Henderson's 389-10X score broke the former record of 387-16X set by Staff Sergeant Sumter Nelson, Army National Guard, in 1985 and equaled by Sergeant Shane Clevenger, USMC, in 1993. Henderson also won the President's Pistol Match in 2002 and 1997.

In the National Trophy Individual Pistol Match, Steve Reiter of Tucson, Arizona won for the second year in a row. Reiter is a retired Army Reservist and veteran member of the USAR Pistol Team. He earned his Distinguished Pistol Badge in 1972 and his Distinguished International Shooters Badge in 1973, but now at age 63, he is shooting as well as he ever did. Reiter won the Pistol NTI Match with a 294-11X in 2004. This year, he fired a 293-9X to win by two points over the

Staff Sergeant James Henderson fired the high score in the National Trophy Team Match to win the Military Police Corps Trophy and set a new National Match record in winning the President's Pistol Trophy.

Heather Deppe, 15, from San Antonio, Texas, poses with the National Junior Pistol Trophy that she won during the National Trophy Pistol Matches. Deppe also was the high Junior in the President's Pistol Match and was a member of the team that won the National Junior Pistol Team Trophy.

Steve Reiter, Tucson, Arizona, won the National Trophy Individual Pistol Match for the second year in a row. Reiter's 293-9X score also won the Silver Bowl Trophy as the high Civilian and the Senior Pistol Trophy as the high Senior.

Army's Sergeant Robert Park, who had 291-5X. For his victorious effort, Reiter also received a presentation grade M1 Garand that was gunsmithed by Eric Pierce.

The National Trophy Pistol Matches also feature three junior pistol events that were dominated by 14-year-old Heather Deppe of San Antonio, Texas. Juniors in the National Trophy Pistol Matches fire .22 cal. pistols during the President's, National Trophy Individual and National Trophy Team Matches. Junior teams are two, rather than four, person teams. Deppe had the high junior score in the President's Match with a 366-4X and topped the junior rankings in the National Trophy Individual Match with a 278-5X. She joined with Nathan Clay on the Texas State Rifle Association Junior Gold Team to win National Junior Team Trophy with a 541-8X score that topped the New Jersey Juniors Blue team, which was just two points behind at 539-11X.
