CAMP PERRY, OHIO – Over 600 officials, competitors and spectators gathered at Camp Perry’s Rodriguez Range for the 2007 National Matches First Shot Ceremony Monday afternoon.

The First Shot Ceremony is the traditional opening for the National Matches. This year’s speaker was Deputy Assistant Secretary of the Army, Mr. John McLaurin III.

The National Matches, created by the U. S. Government in 1903, have a proud heritage that looks back to the National Rifle Association’s ‘Annual Matches’ that began in 1871 and to the establishment of Camp Perry in 1907.

The ceremony began with a parachute jump by MAJ Larry Henry and SFC Ronald Piwarski of Company B, 2nd Battalion, 19th Special Forces Group of the Ohio National Guard, that brought an American flag onto Drop Zone Camp Perry from a UH-60 Blackhawk piloted by CWO4 Rob Diamond of the 137th Aviation Battalion also of the Ohio National Guard. This flag was then passed to the master of ceremonies, CMP Director Gary Anderson, and then to a color guard that raised it on the main Camp Perry flagpole to begin the ceremony.

Congresswoman Marcy Kaptur provided the flag, which was flown over the U.S. Capital in recognition of the Camp Perry Centennial National Matches.

Members of the 122nd Army Band, under the direction of CWO3 Robin Kessler played the National Anthem. They also performed a concert for the audience prior to and after the ceremony.

At the end of the National Anthem, two F-16 Fighting Falcons, piloted by Col. Richard “Rooster” Lohnes, Commander, and Col. Craig Wallace of the 178th Tactical Fighter Wing, Ohio National Guard, flew over Rodriguez Range in a salute to the opening of the Camp Perry Centennial National Matches.

The Governor of Ohio, Ted Strickland, was scheduled to speak and present two resolutions during the ceremony. Unfortunately, Governor Strickland had a family emergency and could not attend. In his place, Maj. Gen. Greg Wayt, the Adjutant General of Ohio and a member of the Governor’s cabinet, spoke and presented the two resolutions commending the NRA and the Civilian Marksmanship Program.

CMP Director Gary Anderson then introduced the First Shot Speaker, Mr. John McLaurin III, Deputy Assistant Secretary of the Army. Mr. McLaurin holds a Juris Doctor Degree from the University of Mississippi and is a graduate of the Army War College. He retired as a Colonel in the U.S. Army Judge Advocate General’s Corps.

Mr. McLaurin aims Bushmaster Limited Edition Camp Perry National Match DCM-XR Series Rifle, serial number one of 100, as he prepares to shoot the ‘First Shot of the 2007 matches.’

Mr. McLaurin was actively involved in the creation of the CMP. In 1995, while working for the Congress, he drafted a bill that established the CMP as a federally-chartered non-profit corporation.

He was sworn into the Senior Executive Service in 1995. In his current position as Deputy Assistant Secretary of the Army – Human Resources, his areas of responsibility include Active, Guard and Reserve Component’s personnel matters and Accessions programs.

Mr. McLaurin began by inviting the crowd to take off their jackets due to the hot weather. He spoke of the early marksmanship of the pioneers that gave birth to America and the values that were taught by the shooting sports such as discipline and obedience to orders. “Were it not for the marksmanship of our forefathers, there would be no United States of America,” he stated.

He fondly recalled attending the 2007 National Junior ROTC Air Rifle Championship. He said, “the values displayed by [those] young men and women can raise goose bumps on your arms and bring tears to [your] eyes.”

“Without shooting sports in America,” said McLaurin, “it would be a whole lot more difficult to mold the future leaders of America. What you see in the press about what is happening with America’s youth is not what’s happening with American’s youth who are in marksmanship.”

After McLaurin’s speech, Anderson invited him to step to the firing line to fire the ceremonial first shot to officially open the 2007 National Matches.

The rifle that was used to fire this year’s First Shot is serial number one of 100 Bushmaster Limited Edition Camp Perry National Match DCM-XR Series Rifles. Anderson described it as “a prime example of the high quality competition service rifles that are used in the National Matches.”

Bushmaster is selling the remainder of the series at the 2007 National Matches and will contribute \$100 from every Limited Edition Camp Perry National Match DCM-XR Series Rifles sold to the CMP’s Junior Highpower National Match Support Program. This program is used to help pay travel and competition expenses for junior shooters who participate in the National Trophy Rifle Matches.

The First Shot Ceremony ended with a Mr. McLaurin posing with competitors, spectators and several military teams.

Overall, a record 4,123 individuals participated in the CMP rifle and pistol events of the 2007 National Matches. We thank all of you for coming to Camp Perry and making this year's matches another great success.

The 2007 National Matches shooting heroes included:

- o SFC Grant Singley, who won the Mountain Man Trophy to establish himself as the overall top service rifle shooter in the 2007 National Matches.
- o SGT Kristopher Friend, USAR, who won the President's Rifle Match in a new final stage format that put unprecedented pressure on the top competitors, but that also brought unprecedented television and Internet exposure to service rifle shooting.
- o SSgt Jason Benedict, USMC, who predicted his victory in the National Trophy Individual Rifle Match and then won it.
- o Kevin Trickett, who was the top junior shooter on the Deneke Trophy National Junior Team list.

National Trophy Rifle and Pistol Matches

*The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.*

2007 CMP Games Matches Set Records

By Gary Anderson, DCM

A full three days of CMP Games Matches now take place at the end of the National Trophy Rifle week during the National Matches. For large numbers of shooters, the John C. Garand, Springfield, Vintage Military Rifle and M1 Carbine Matches are the high point of their shooting year and the experiences they have at Camp Perry while firing in these matches will fuel their enthusiasm for the shooting sports for the whole year to come. The 2007 CMP Games Matches were highlighted by record numbers of competitors in all four of these fast-growing events. The Games Matches also featured lots of fine shooting by competitors who took home record numbers of Gold, Silver and Bronze Achievement Medals.

CMP Games Matches do a lot of special things, they stress camaraderie and recreation over competition and they celebrate the history of military small arms development and the traditions of military marksmanship. To the extent that these matches are competitive, most competitors' efforts to excel seldom go beyond competition among good friends or family members or with themselves. These matches truly are about combining marksmanship skill development with fun.

The National Trophy Rifle week schedule now offers three days of CMP Games Matches with opportunities to fire four different events. It begins with the M1 Carbine Match that was inaugurated last year. The second day features

opportunities to shoot two separate events in one day with AM and PM squadding for the Springfield and Vintage Military Rifle Matches. The third day, Saturday, features a full day of Garand Match shooting.

An extensive collection of colorful, interesting photos taken during the CMP Games and other National Matches events is now posted on the CMP website at <http://www.odcmp.com/Photos.htm>. Webb Wright, a professional photographer who is also a Triple Distinguished shooter, took most of these photos. Take a look at these photos if you want to really want to understand the color and appeal of these matches.

This year's M1 Carbine Match saw a significant increase in competitors, from 479 in 2006 to 582 this year. A 100-yard 160 firing point range was set up on Camp Perry's Rodriguez Range. The target boards were reconfigured this year to hold five SR-1 targets so that competitors could fire sighters and all 40 shots for record without leaving the firing line. There were five relays of competitors, each taking about one hour to go through the course of fire. It began with 10 sighting shots followed by 10 record shots in prone with a five-minute time limit. This was followed by two 10-shot rapid-fire series in prone and sitting or kneeling positions. There was a 60 second time limit for rapid fire. The final stage was slow fire standing where ten shots were fired in a maximum time limit of ten minutes.

The top score of the day was a 373-7X total fired by David Chase of Tujunga, California. He was closely followed by Donald Czuhajewski's 373-2X and 367s fired by past Springfield and Garand Match winners John Friguglietti and Christopher Roberts. The top Junior in the Carbine Match was Eric Curavo of Northwood, Ohio with 356-3X. The top Senior (Age 60 or over) was J. Thomas Galvin of Rochester, New York with 362-5X.

For many shooters in the CMP Games Matches, however, their goal is not to win the match, but to fire a score that wins a Gold, Silver or Bronze Achievement Medal. This year, 30 Carbine Match shooters took home gold medals, 57 won silver medals and 97 earned bronze medals.

The combined Springfield and Vintage Military Rifle Matches took place on Friday, 3 August. There matches were filled to capacity in mid-July. The two matches were scheduled on the largest Camp Perry range, Viale Range, where a full nine relays could accommodate 1260 total entries in the two matches. The CMP staff faced the challenge of managing a

large wait-list of competitors who were willing to stand-by for a chance to shoot. In the end, everyone who showed up was squadded on an open firing point, but the range was absolutely filled to capacity. When it was all over, a record 868 competitors recorded scores in the Springfield Match, up from the previous high of 838 in 2006.

James Sinclair of Dover, New Hampshire fired the winning score in the Springfield Match with an excellent 291-4X total, one point ahead of second place Richard Crawford from Kilgore, Texas, who had a 290-6X. 74 shooters had gold medal scores in this match, 165 had silver medal scores and 172 earned bronze medals. A new Springfield Trophy was donated to the National Trophy Collection to be awarded in this match. Springfield Rifle Match winner James Sinclair added his name to the distinguished list of winners whose names and scores will now be permanently displayed on this impressive new trophy.

The Vintage Military Rifle Match had a record 334 competitors, although this number could have been even higher except for the fact that range capacity limits restricted the number of entries that could be accepted. Shooters in this match use a fascinating variety of military rifles. The match winner, Mark Looney, fired a M1896 Swedish Mauser 6.5x55mm. The second place competitor, John Triol from Lake Ariel, Pennsylvania, fired a U. S. Krag

rifle while the High Senior, David Lantz, Saginaw, Michigan, used a M1917 U. S. Enfield .30-06. Popular foreign military rifles included the Swedish Mauser, Swiss K31, Finnish and Russian Moisin-Nagants, British Enfields and even an occasional Japanese Arisaka. Much of the enjoyment of this match is seeing the scores that can be fired with these different rifles.

Mark Looney, from Springfield, Ohio, totaled an impressive 291-11X in winning the Vintage Military Rifle Match. This eclipsed the National Matches Record of 290-8X that Looney previously held jointly with the 2006 winner of this match, Jeffrey Knop. Looney has now won the Vintage Military Rifle four of the six years it has been held. Lantz fired a 280-4X in winning the High Senior Plaque. 15-year-old Jim Minturn from Temecula, California fired a 261 with a M1917 U. S. Enfield to win the High Junior award.

It took a score of 275 or better to win a Gold Achievement Medal in this match and 32 shooters took home gold medals. 42 competitors won silver medals while an additional 82 earned bronze medals.

As part of an effort to assure that competitors rifles comply with CMP Competition Rules requirements for as-issued military rifles, all competitors who fired scores of 285 or higher plus five shooters who were drawn by lot from each relay were required to present their rifles for inspection. The name of every shooter whose rifle passed the inspection by CMP armorers was placed in a drawing for a presentation grade Springfield rifle that was prepared for the National Matches by Erich Pierce of National Match Armory in Rendon, Texas (<http://www.nationalmatcharmory.com/>). Rodney Wells, East Hartford, Connecticut, fired a 244-4X in the Springfield Match and a bronze medal 253-1X in the Vintage Military Rifle Match, but he ended as the winner of the biggest prize in the

match when his rifle passed inspection and he was selected to receive the presentation Springfield.

With the John C. Garand Match now taking place on both Camp Perry ranges, Viale and Rodriguez, range capacity is no longer an issue. 2007 was the tenth year for the Garand Match and the biggest one ever. Over 1,400 competitors were squadded by CMP staff on the line on the morning of the match.

Jeff Banz from Davenport, Iowa, fired a 290-4X total to win the match and place his name on the Garand Collectors Association John C. Garand Trophy. 42 different competitors fired scores of 279 or higher to win Gold John C. Garand Achievement Medals. 101 shooters earned silver medals and a whopping 260 competitors won bronze medals. 18-year-old Gallagher Bobseine from Cattaraugus, New York with the top Junior with a 280-5X score. His twin brother Ike Bobseine was second on the Junior list with a 272-4X. David Lantz, Saginaw, Michigan, topped the Garand Match Senior ranking with his 282-7X total.

The biggest prize in the John C. Garand Match was a presentation M1 Garand gunsmithed by Erich Pierce of National Match Armory. In keeping with the objectives of the CMP Games Matches that stress participation over winning, this rifle goes not to the match winner, but to a representative of all Garand competitors who complete the match course of fire. Five from each relay were drawn for rifle inspections. Hans Zimmer, Alexandria, Virginia, fired a 235-1X in the match, but when his M1 Garand passed inspection, he was drawn as the winner of the presentation M1.

After there were several disqualifications for M1s that did not comply with as-issued rule requirements during the 2006 matches, the CMP stepped up enforcement efforts for this year's CMP Games Matches. Scorers were required to certify that their competitors used issue ammunition as required by the match program. CMP armorers spot-checked equipment on the line.

Competitors who fired 285 or higher plus five competitors drawn by lot from each relay were required to have their rifles checked after they fired. Disqualifications were down this year so this may be an indication that stricter rule enforcement is required to assure that all competitors use as-issued USGI rifles and fire issue ammunition.

The 2007 CMP Games Matches ended with a Saturday evening reception that featured a band concert by the 122nd Army Band Combo and an Ohio National Guard Special Forces parachute jump. Three days of competitions with the M1 Carbine, M1903 Springfield, an array of Vintage Military Rifles and the M1 Garand ended with the presentation of awards and the drawing for the presentation rifles.

Jeff Banz fired a 290-4X in the Garand Match to place his name on the GCA John C. Garand Trophy.

For the M1 Carbine Match, a 100-yard 160 firing point range was set up on Camp Perry's Rodriguez Range. The target boards were reconfigured this year to hold five SR-1 targets so that competitors could fire sighters and all 40 shots for record without leaving the firing line.

The top score for the M1 Carbine Match was 373-7X fired by David Chase.

"M1 for Vets" Camp Perry 2007

By JJ O'Shea

The "M1 for Vets" project concluded another successful trip to Camp Perry, Ohio. Fifteen fine young veterans participated in the M1 Carbine, Springfield, and M1 Garand Matches. Many medals were won, and some excellent marksmanship skills were exhibited during the three days of competition.

The week began with a dinner at Nick's Roadhouse on Wednesday evening, and a presentation of a "Key to the City" by Mayor Brown of Port Clinton. Our veterans and their coaches had time to meet and socialize, and a fine dinner was provided by Nick's. Luckily, we never had to use the "Key".

At 0Dark30 on Thursday, we assembled at Rodriguez Range to participate in the M1 Carbine Match. The first relay saw our coaches compete, and our veterans assist in scoring. Then the young men took their positions and shot the second relay. Caylen Wojcik, firing the Carbine for the first time, placed sixth overall. We figured all that training as a USMC Scout Sniper had something to do with it. All the guys shot well, and had a great time.

On Thursday evening, we traveled over to the VFW Post in Sandusky for a fine perch dinner. After dinner, we presented an M1 to Sgt. Stan Mayer, USMC. This rifle was donated by Ken Stein, who assisted in the presentation of the rifle. The young Marine could not take his hands off this rifle, and was overwhelmed with this special gift. Stan shot his M1 on Saturday, was coached by Ken, and scored a 272-2x. This M1 represented our 100th presentation. A special thanks goes to Dan Keating and the staff at the VFW Post.

Friday afternoon saw our group compete in the afternoon relays of the Springfield Match on Viale Range. Our coaches and veterans fared well, and many medals were won. The heat took a toll on our young men, but they all held tight and shot well. After the match, we headed over to Mel's Crows Nest for a great meal.

After a delicious breakfast at the Port and Starboard Restaurant in Port Clinton, our group assembled on Viale Range to shoot in the afternoon relays in the M1 Garand Match. By this time, the winds coming off Lake Erie had let off, and the guys set to work on putting them in the black. Again, many of our guys shot well, and secured medals. Dale Beatty, USA(R), placed 35th overall, and won a gold medal.

A veteran fires an M1 Garand during the National John C. Garand Match. Excellent marksmanship skills were exhibited during the three days of competition.

A team of 15 young armed services veterans competed in the 2007 National CMP Games Events. They are pictured here along with their volunteer coaches.

During the closing ceremonies on Saturday evening, we presented our 101st rifle to Aaron Kibby, USA. Aaron competed with this M1 earlier in the day and won a silver medal. This rifle was made possible by a donation from the Brighton, Michigan VFW Post 4357. Four members of the post assisted in the presentation. Aaron received a standing ovation from all those in attendance. Thanks to Gary Anderson and CMP for allowing us this special time. We hope to do it again in 2008.

After everyone dispersed on Saturday evening, we kept our group of coaches and veterans together to make plans for dinner. I was approached by a young man and his father with a question concerning how many of our fifteen veterans had received rifles from our project. I informed him that three young Marines had yet to be presented rifles. He said he would take care of this situation, and went over to his vehicle and retrieved two rifles. Both these rifles were used by him in the Springfield and Garand matches, and he wanted to give them to our young veterans. I called LCpl. Travis Johnson, USMC, and let this donor hand Travis the 1903 Springfield. I then called up Cpl. Ron McKiernan, USMC, and again let this donor hand the M1 Garand to Ron. We then had a donation that made it possible to present a 1903A3 to GySgt. Cory Willis, USMC. By this time, many of us had a few tears running down our cheeks. This was an unexpected, but wonderful way to finish off the day.

I want to thank all the coaches, volunteers, pit pullers, Team Mom Deb Larson, CMP staff, and everyone that helped make this trip possible. We received donations from the following clubs, organizations and individuals to help cover all costs involved with this event. If I have omitted any organization from this list, please contact me.

The "M1 for Vets" Project is not affiliated with CMP, NRA or any large firearms organization. It is a small, grassroots group of shooters and collectors that want to show their appreciation and respect for our young men and women that are serving our Nation. Almost all M1 recipients have been combat wounded, and want to continue to use the marksmanship skills they have acquired. We do not accept self-nominations, but rely on nominations from fellow brothers-in-arms, volunteers working at military hospitals, and prior recipients. Any and all help is greatly appreciated. Contact JJ O'Shea at jjoshea@msn.com.

The Michigan VFW Post 4357 presented Aaron Kibby, USA, with an M1 Garand. This was the 101st rifle presentation since the "M1 for Vets" program started.

2007 “Camp Perry Centennial” National Matches Close

By Gary Anderson, DCM

National Matches Highpower Match Director Jim Hill had the honor of firing the canon that signaled “colors” at the Matches one last time on 14 August as the 2007 “Camp Perry Centennial” National Matches came to a close. It was Hill’s last day as Match Director after serving in that capacity for the CMP and NRA highpower rifle championships for the past 13 years. It was a memorable ending to a great National Matches and one more special experience in one of the most remarkable careers in marksmanship.

Hill began his career as a Marine Corps marksman where he won a series of Marine Corps, national and international titles in rifle competitions. Highlights included the National Highpower Rifle Championship in 1956, an Olympic Silver Medal in 1960 and the NRA National Smallbore Rifle Championship in 1964. He is one of just 36 Triple Distinguished shooters in the history of American Marksmanship, having won his Distinguished Rifleman Badge in 1956, his Distinguished International Shooters Badge in 1960 and his Distinguished Pistol Shot Badge in 1986. After his retirement from the Marine Corps he returned to Camp Perry many times where he won a series of Civilian service rifle titles. He also founded a successful shooting sports business, Creedmoor Sports Inc. in Oceanside, California. While in that business, Hill made significant contributions to the design of shooting clothing and equipment. For the last 15 years, Hill has served as an official in the National Matches, having been Highpower Match Director for the last 13 years.

The brief, but memorable ceremony that ended the 2007 National Matches began with Hill firing the canon that is fired each morning to signal colors and start the day’s firing. The USA, Ohio and Ottawa County flags were then lowered for the last time during the 2007 Matches as two buglers played taps. The Matches began on 9 July with a special First Shot Ceremony and continued for 37 days. Over 6,000 competitors participated in National Matches competitions that included Pistol and Rifle Small Arms Firing Schools, the NRA National Pistol Championship, CMP National Trophy Pistol Matches, NRA National Smallbore Rifle Championships, CMP National Rimfire Sporter Match, the CMP National Trophy Rifle and CMP Games Matches and the NRA National Highpower Rifle Championships.

The 2007 National Matches were unique because they celebrated 100 years of National Matches at Camp Perry. The Matches were established by the U. S. Congress and President Theodore Roosevelt in 1903. They came to Camp Perry for the first time in 1907 after Ohio Adjutant General Ammon Critchfield founded Camp Perry and convinced the National Board for the Promotion of Rifle Practice that what was formerly swampland along the Lake Erie shore was an ideal site for the Matches. Since then, 83 National Matches have been held at Camp Perry and it is now regarded as the permanent home of the Matches.

After the flag lowering, representatives of the three National Matches partners, COL Jim Chisman, Camp Perry Commander, for the Ohio National Guard; Mr. Mike Krei, NRA Competitions Director, for the NRA and Gary Anderson, Director of Civilian Marksmanship, for the CMP; unveiled a plaque commemorating the planting of a Centennial Oak tree. The tree, a swamp oak, is located just north of CMP North headquarters.

Chisman, Krei and Anderson each made brief comments on the closing of the Centennial Matches. CMP Director Anderson noted “three significant things about the Camp Perry Centennial: first, that the National Matches are still at Camp Perry after 100 years; second, that we have now evolved an effective, true partnership involving the Ohio National Guard, NRA and CMP in the conduct of the Matches and third, that so many good things are happening at Camp Perry to give us confidence that just as the Centennial Oak will grow, the National Matches also will continue to grow.”

The 2007 National Matches are now over. After successfully completing 100 years of National Matches competitions at Camp Perry, the stage is now set for many more decades of National Matches at Camp Perry.

Retiring National Matches Highpower Match Director Jim Hill stands ready to fire the canon that will signal the lowering of the colors to end the 2007 National Matches.

NRA Competitions Director Mike Krei (l.), Camp Perry Commander COL Jim Chisman, OHNG (center) and CMP Director Gary Anderson (r.) unveil a plaque memorializing the planting of a Centennial Oak tree that commemorates the 2007 Camp Perry Centennial National Matches.

At the end of the 2007 National Matches closing ceremony, American flags that had flown over Camp Perry during the Matches were presented to Jim Hill (far right), who was retiring as Highpower Match Director, and Chuck Delano, (2nd from right) who was retiring as Range Director.

Another Record Year in Rimfire Sporter

By Wendy Sedlacek/CMP Journalism Intern

200 shooters gathered on Viale Range at Camp Perry on Sunday, 22 July to participate in the 6th National Rimfire Sporter Match. Last year 169 shooters competed in this fast-growing National Matches event. Match participants were especially lucky this year; the weather was absolutely gorgeous! With the sun shining and a gentle breeze, the day was just that, a breeze. Scores and the spirits of competitors and match staff were high. It was a fantastic day to be at Camp Perry.

Although the match took place on Sunday, shooters could check-in and get their rifles inspected on Saturday. They could also attend a Rimfire Sporter Clinic that took place that afternoon. Sunday, the competition day, began with a safety briefing. There were four full relays of shooters firing on a covered 70-point range that was set up just for this competition.

Each relay shot 10 shots in each of six stages, prone precision, prone rapid-fire, sitting or kneeling precision, sitting or kneeling rapid-fire, standing precision, and standing rapid-fire. Competitors fire with rimfire rifles that may weigh no more than 7.5 pounds, with sights and a sling. There were two classes of competition, the "O-Class" and "T-Class". Shooters fired the prone and sitting/kneeling stages at the 50-yard-line and then moved up to 25 yards to fire the last two stages of fire in standing. After all four relays finished firing, all competitors enjoyed a cookout with hot dogs, bratwursts, baked beans, and fruit. Every shooter received a Rimfire Sporter Match

A 70-point Rimfire Sporter range was set up on Camp Perry's Viale Range to host the 2007 National Rimfire Sporter Match. 50-yard firing from the prone and sitting or kneeling positions was done under a covered firing line. Competitors moved forward to the row of benches at the 25-yard line to complete firing in the standing position.

T-shirt. An award ceremony where winners' plaques and gold, silver and bronze Achievement Medals were presented followed the cookout.

Duane Tallman of Jonesboro, Georgia acted as Chief Range Officer and called the line for the match. He was assisted by a group of volunteer Range Officers. U. S. Army Reservists on active duty at Camp Perry provided target handling and logistical support for the match. Additional volunteers conducted rifle inspections. Scoring was done by a large contingent of CMP staff and volunteers. Throughout the match, scoring for one stage was finished and posted on the CMP's Internet-based Competition Tracker system before the next set of targets arrived at the scoring tent.

The results were remarkable with many

Another Record Year in Rimfire Sporter Cont'd

like, "Yes! I get a gold medal this year!" and "Much better than last year!" Many seemed to be saying that their dedication and practice in Rimfire Sporter Matches and practice sessions at their home clubs had paid off through a rewarding day at Camp Perry.

For the O-Class Championship match, Robert Elka of Willis, MI took the gold with an aggregate score of 575-12X. Elka's scores were near perfect throughout the day with a 97-4X in prone slow fire, 96-1X in prone rapid, a 95-0X in sitting/kneeling slow fire, an impressive 99-2X for sitting/kneeling rapid, a 96-3X in standing slow, and a 92-2X in standing rapid fire. With only four points less than Elka, in second, was David Lantz of Saginaw, MI, with an aggregate score of 571-19X. Lantz kept the race for first place very tight, scoring a 93-1X in prone slow, a 98-3X during prone rapid, an excellent 99-7X in sitting precision, a 96-3X in sitting rapid, 95-5X for standing slow fire and a 90-0X in standing rapid fire. Another four points behind Lantz was Michael Craycraft of Beaverton, MI who shot a score of 567-14X. Craycraft's scores were: 95-2X in prone slow fire, 94-2X in prone rapid, 95-2X in his sitting slow fire position, a 94-2X in sitting rapid-fire, 97-4X in standing slow-fire, and a 92-2X in standing rapid-fire. Elka received a first place trophy plaque and a Gold Achievement Medal. Altogether, 49 O-Class shooters fired scores that earned Achievement Medals; six Gold, 19 Silver and 24 Bronze medals were presented during the Award Ceremony.

For the O-Class Junior competition, results were also impressive with first place going to Charles Opalewski II of Vicksburg, MI, shooting an aggregate score of 563-11X. Opalewski blew everyone away, scoring 14 points more than the second place junior and 79 points more than the 10th place position.

Opalewski was consistent throughout the match, scoring 92-2X in prone slow-fire, 92-0X in prone rapid, 92-2X in sitting slow-fire, a 93-0X in sitting rapid, a tremendous 98-4X in standing slow-fire, and a 96-3X for standing rapid-fire. Mitchell Shablesky Jr. of Beaver Falls, PA came in second behind Opalewski with an aggregate score of 549-11X. As the day went on Shablesky improved dramatically. He started the day at 84-0X in prone slow-fire, a 93-0X for prone rapid, and 88-1X for his sitting precision. In sitting rapid he shot a 92-1X, then 94-3X in standing slow and an impressive 98-6X in standing rapid-fire. Following Shablesky, coming in the third junior position was Eric Curavo of Northwood, OH, who shot an aggregate score of 546-7X. Opalewski also took the plaque for being the High 4-H competitor in the O-Class.

The O-Class High Senior award went to David Lantz, who came in second overall with his score of 571-19X. A 93-1X in prone slow, a 98-3X in prone rapid, 99-7X in sitting slow, a 96-3X in sitting rapid, a 95-5X in standing slow and a 90-0X in standing rapid led him to the gold. Ernest Oelker of Youngstown, OH came in second with a total of 565-7X, 14 points more than third place winner, Herb Hudson of Anderson, IN who shot an aggregate of 551-10X.

For the T-Class Championship the first place trophy plaque was awarded to John Merges Jr. of Sparta, GA who fired a 587-24X on the first relay and then waited anxiously while that score held up through the remaining relays. Throughout the match Merges, who like Elka used a CZ 452 bolt action rifle, shot a perfect 100-6X in prone slow fire, a 96-4 in prone rapid, another perfect 100-4X in sitting slow fire, 99-2X in sitting rapid, a 97-4X in standing slow fire, and 95-4X for standing rapid fire. Merges finished three points ahead of the second place winner, Robert Elka, who was the O-Class winner. Elka ended the day with an aggregate score of 584-23X and never scored below a 94 x 100

during the match. Coming in third was Ron Springsteen of Otsego, MI who also fired a 584, but with fewer Xs. Springsteen won this match in 2005 and was second in 2006.

T-Class Junior scores were just as close. Matthew Kellgreen of Youngstown, OH took High Junior with an aggregate score of 569-10X, defeating second place Casey Harper of Dublin, GA, by only one point. Harper totaled 568-18X, to finish ahead of third place shooter Keith Stich of Portersville, PA, by two points. Stich finished with 566-15X.

The race for first place in the T-Class Senior Match was between Ronald Springsteen and David Lantz, with the gold going to Springsteen with a score of 584-18X, just 3X's more than Lantz who scored 584-15X. Not far behind, coming in third was Ernest Oelker of Youngstown, OH, who had a score of 579-24X.

Casey Harper of Dublin, GA defeated Ashley Young and Clayton Peck in the 4-H Jr. T-Class Shooter Match, by firing a score of 568-18X, 18 points more than second place Young. Ashley Young, also of Dublin, GA, had an aggregate score of 550-11X. Behind Young in third was Clayton Peck of Leslie, MI, who scored a 547-9X for the day.

Father-son, husband-wife and other family combinations are frequently seen on the Camp Perry Rimfire Sporter firing lines. The Rimfire Sporter Match is an ideal place to start new shooters in their first matches.

Rimfire Sporter shooters move up to the 25-yard line to fire standing precision and standing rapid-fire stages. The firing line cover for the 50-yard firing line appears in the lower right portion of the photo.
