

FINAL RESULTS 2010 NATIONAL TROPHY RIFLE MATCHES

Ohio Governor Ted Strickland Opens the 2010 National Matches

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – The presence of the late U.S. Representative John Murtha of Pennsylvania was felt throughout the proceedings at the First Shot Ceremony on Monday, 12 July on Rodriguez Range adjoining the Shooters Memorial Plaza.

The National Matches include the CMP National Trophy Pistol and Rifle Matches, the Pistol and Rifle Small Arms Firing Schools, CMP Games rifle events and the NRA National Pistol, Smallbore Rifle and Highpower Rifle Championships. The matches are conducted jointly each year by the CMP and the NRA and are hosted by the Ohio National Guard.

A staunch supporter of U.S. troops and shooting sports, Rep. Murtha was the first veteran of the Vietnam War to enter Congress and one of the House’s most influential lawmakers. He died unexpectedly on 8 February, 2010 due to complications from gall bladder surgery. He was honored by First Shot Ceremony featured speaker Ohio Governor Ted Strickland and later by USMC Col. (Ret.) John Hugya, Rep. Murtha’s Chief of

Ohio Governor Ted Strickland fired a historical Sharps-Borchardt Model 1878 single shot rifle to open the 2010 National Matches.

Staff and friend of 51 years.

“I am especially honored to be here this evening because I know that were it not for his untimely death, our friend the great Congressman John Murtha would be standing where I’m standing and he would be shooting the first shot,” Gov. Strickland said in his opening remarks.

“It’s impossible to stand in his place or to replace him, but we do honor him tonight.”

A special pair of memorial bricks bearing Rep. Murtha’s years of service was placed in the Shooters Memorial Plaza and a replica brick was presented to Col. Hugya to deliver to Rep. Murtha’s widow, Joyce.

The ceremony marked the opening of the nation’s most prestigious rifle and pistol competition, a tradition that dates back to the late 1800s and has been a part of Camp Perry tradition for 103 years.

“Since 1907, the nation’s finest marksmen have been gathering here at Camp Perry to test themselves against the very best competition that exists. Along the way, the National Matches have honed the skills and deepened the pride in their country of countless participants,” he said.

“The Civilian Marksmanship Program and the National Matches began more than a century ago with a commitment from President Theodore Roosevelt and the Congress to strengthen our national defense by improving the marksmanship skills of Americans,” he said.

The Governor also expressed pride in the state of Ohio for being home to the National Matches, citing the economic impact on the local economy and the preservation of the Matches as the “World Series of the Shooting Sports.”

“You know in Ohio we have a long cultural tradition of the shooting sports and we have an even longer tradition of answering the call to duty. In fact, Ohio is the proud home of more than 900,000 veterans. And that’s why I think it is fitting that Ohio is home to the National Matches.”

The ceremony featured many colorful and exciting moments including the ceremonial first shot by Gov. Strickland who fired a .45-70 round downrange from a Sharps-Borchardt Model 1878 single shot rifle from the original collection of Col. George W. Wingate, an officer in the 22nd Regiment of the New York National Guard. He was the first official secretary of the NRA and later president of the organization for 25 years, according to Michael P. Keefe, the rifle’s current owner.

It’s likely the rifle was used by Col. Wingate in competition at the National Matches in 1880s at Creedmoor in New York State. The matches were later relocated to the larger ranges of Camp Perry in 1907.

Gov. Strickland also welcomed the more than six thousand shooters from across America and the officials, volunteers and staff and those who support their efforts including the Ohio National Guard, CMP and NRA who work together to conduct the Matches.

Prior to the governor’s opening shot, members of the Ohio Air National Guard 19th Special Forces arrived by parachute with the official American Flag to be flown throughout the matches. The parachute drop was made from a UH-60 Blackhawk helicopter.

The 122nd Army Band provided music throughout the event and members of the Lorain High School (Ohio) Army JROTC raised the colors.

Other speakers included Master of Ceremony Gary Anderson, Director of Civilian Marksmanship Emeritus, Major General Gregory Wayt, Ohio National Guard, Judith Legerski, CMP Board of Directors Vice Chair, Chaplain COL Andrew Aquino and Col. (Ret.) John Hugya, USMC.

MG Greg Wayt presented Col John Hugya with a Memorial Brick identical to the brick that was laid in the Camp Perry Shooter’s Memorial Plaza in honor of Rep. Murtha.

National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

USMC Reservist GySgt Ron Fuchs Tops Anderson to Win Presidents Rifle Match

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – One could argue that Monday’s shoot-off amongst the top 20 finalists in the President’s Rifle Match didn’t make much difference. After all, the lead of GySgt Ron Fuchs, USMCR, coming out of the first three stages didn’t change at all.

Pretty boring stuff – boring that is if you walk a tightrope between skyscrapers for a living.

For everyone else, there was a bit more excitement as he maintained a razor-thin lead through the 10-shot final, mirroring a shot-for-shot press by former President’s shoot-off winner SFC Norman Anderson, USAR. Both shooters finished with a score of 99-4X allowing GySgt Fuchs to carry his 2X lead to victory.

GySgt Fuchs, who qualified with a 297-12X and SFC Anderson with 297-10X, each led off with nines and then traded 10s and Xs the rest of the way like prizefighters dropping bombs until the final bell, finishing at 396-16X and 396-14X, respectively. GySgt Fuchs’ score set a new record in the four-year-old 10-shot shoot-off era. SFC Anderson set the former record of 393-13X in 2008.

“I’m speechless right now; it just hasn’t sunk it yet,” GySgt Fuchs said immediately after the match.

“Actually I shot pretty well today, my standing went well – it was the first clean I’ve ever shot in a match, so that started out my day pretty good. The 300 was a little bumpy – I lost two there but shot 99 back here, so it all worked out.

The final is fired shot for shot in the prone

position from 600 yards on Rodriguez Range. The firing line is positioned close to the shooters memorial plaza and provides spectators a great vantage point. Each scorer uses an oversized scoring target that’s easily viewed by the audience.

While the leaders were duking it out, MSG George Morgan, ARNG, who trailed by just two points coming into the final at 295-10X, quietly cleaned his target with a group that could have been covered by a mouse pad. It was the kind of performance that frequently vaults a shooter from third to first, but not this time.

Despite his third place finish, MSG Morgan was swarmed by well-wishers at the conclusion of the match and later said he will be retiring in November.

Earlier in the day he said he threw away a point at 300 yards.

“I was anticipating that I was running out of time and I didn’t quite level and knew it was going to be a nine out of the bottom. Why I pulled the trigger, I don’t know. Other than that everything went where it was supposed to.”

“I was keeping an eye on the flags and trying to guess. I had to add a minute and a half from earlier in the day. The speed was the same

but I saw the direction had changed so it was becoming more full value.”

“In the final I backed some off a couple of times because the flags were beginning to tail down a little bit. A couple of years ago I shot in the shoot-off and my first shot was out the top and I knew coming in that I’d have to back it down and it fell right in this time,” MSG Morgan said.

Newly promoted USAMU SGT Sherri Gallagher placed fourth with an aggregate score of 394-21X which also made her the High Wom-

SGT Tyrel Cooper Claims National Trophy Individual Title

Written by Sommer Wood, CMP Writer

Last year SGT Tyrel Cooper of the Army Marksmanship Unit (AMU) had a strong finish in the National Trophy Individual Match, but still fell just short of the overall title. He finished second by two-points to MSG Jack Pardy, USAR, with a 493-18 to Pardy's 495-18. This year the match was determined by a much smaller margin, but after the last scorecard was entered, SGT Cooper found himself at the top of the leader board. It took x-counts to win the match, as SGT Cooper finished the day with a 595-23, edging out his AMU teammate, SFC Lance Dement, who shot a 495-20 to claim second.

SGT Cooper has faired well at Camp Perry in previous years, even winning the Mountain Man Trophy in 2008, which is awarded to the shooter at the National Matches with the highest aggregate for the President's 100, National Trophy Individual (NTI) and National Trophy Team (NTT) Matches. He was also the high individual in the NTT in 2008, but a victory in the NTI has eluded SGT Cooper until now.

Entering the final stage of this year's NTI, SGT Cooper knew first place was still within reach, though at the time everyone on the line was watching SSgt Leigh Jenks III of the Army National Guard who cleaned the first

three stages of the match. SGT Cooper said that he tried not to focus on score and instead talked about wind strategy for the 600-yard-line with AMU coach SFC Emil Praslick III. "I have lead in the past and let myself start thinking too much about scores. As I went to the 600, I knew I was in a good position and score did cross my mind, but I have learned this can take away from what you have to do on the line. I switched my focus to the strategy I wanted to use for the wind and followed my plan," said SGT Cooper.

The plan worked and SGT Cooper shot a 197-9 at the 600-yard-line to secure first place. In fact, several AMU shooters had strong finishes to take the top four spots in the match. SSgt Jenks, who started the match with a 300-10, had a respectable final stage and finished eighth overall with a 492-14.

Tyler Rico of Tucson, AZ was the top junior of the NTI, a feat he also accomplished in 2009. Last year Rico also finished second overall in the President's 100, and won both this year and last year's Col. Bill Deneke Trophy awarded to the top junior shooter in an aggregate of the President's 100, NTI and the National Trophy Junior Team Match.

The EIC cut-off for the NTI was 470-4x. Complete results can be found at

Double Victory for Member of Hearst Doubles Winning Team

By Sommer Wood, CMP Writer

The 2010 National Trophy Matches have been pretty good for SGT Tyrel Cooper of the Army Marksmanship Unit (AMU), he won his first National Trophy Individual (NTI) title on 3 August and doubled his trophy count the next day when paired with SSG Brandon Green for the Hearst Doubles Match. Both have won the NTI, SSG Green in 2006, but neither has been on the winning team for the Hearst Doubles. They have both come close to adding their names to the William Randolph Hearst Trophy, finishing as high as second when paired with different AMU teammates.

In the Hearst Doubles, two-person teams fire the President's 30-shot course of fire. This means both team members fire 10-shots standing at 200-yards, 10-shots rapid fire prone at 300-yards and 10-shots slow fire prone at 600-yards. AMU coaches carefully select firing pairs, trying to match teammates who will create a winning combination. It can be tricky because not every personality type or shooting style is going to mesh. Though the decision to pair SGT Cooper and SSG Green was not too difficult for the AMU coaching staff, the combo had already fired seven pairs matches together this season.

SSG Green and SGT Cooper shot 296-15 and 295-16 respectively to combine for a 591-31. AMU teammates SGT Sherri Gallagher and SPC Kevin Trickett finished second with a 588-17. In fact four of the top six teams in the match were from the Army Marksmanship Unit.

The majority of the juniors at Camp Perry participated in the National Trophy Junior Team Match, which was held the same day, but a few juniors did enter the Hearst event. The top junior team in the match consisted of Joshua Hovis from Cochranton, Pennsylvania, and Karl Yauneridge from Portage, Pennsylvania. The pair combined to shoot a 547-10.

The Hearst Doubles also features a handicap match, which operates much like a handicap system used for other sports like golf. This system calculates additional points to team totals (a handicap) based off of averages shot in previous matches by the participants. This system awards shooters who shoot above their average. The top team in the Hearst handicapped results was comprised of MSgt Shawn Bearden and Capt Justin Davis of the Army National Guard who finished with a 599-3 once the handicap was added to their score.

Complete results for the Hearst Doubles Match can be found at, http://clubs.odcmp.com/cgi-bin/report_eventAward.cgi?matchID=5690&eventID=12&awardID=1, and photos for the 2010 National Trophy Matches can be found at <http://cmp1.zenfolio.com/>.

In the Hearst Doubles Team Match, team members must depend on each other for coaching as non-firing coaches are not allowed on the firing line.

A total of 306 teams competed in the 2010 Hearst Doubles Team Match.

Army Marksmanship Unit Makes a Statement at the 2010 National Matches

Written by Sommer Wood, CMP Writer

The Army Marksmanship Unit (AMU) has rolled through the 2010 National Trophy Rifle Matches with almost complete dominance. Shooters from the AMU finished first in the National Trophy Individual Match (NTI), the Hearst Doubles and for the fourth year in a row, the National Trophy Team Match (NTT). The team also reclaimed the top spot in the National Trophy Infantry Team Match (NTIT or “rattle battle”) after a shocking fourth place finish last year behind three civilian teams, including the historic win by the California Grizzlies O’Connell Juniors.

What was the driving force behind the team’s dominance this year? AMU shooters SFC Lance Dement, SGT Brandon Green and SPC Tyrel Cooper all echoed the same sentiment, coaching. This was particularly evident at the 600-yard-line where the team often pulled ahead of the pack during the 2010 National Matches.

The team’s strength at the 600-yard-line comes from their training, including pair firing exercises that build communication and confidence. The quantity of training the team goes through each season helps them collect a tremendous amount of data they can use to quickly find their zeros in any condition, which is always important in the temperamental conditions at Camp Perry.

The 2010 NTT was closely contested going in the last stage, with only a couple of points separating the top five teams, but at the 600-yard-line the AMU finally pulled ahead to finish with a 2920-100.

The winning NTT team was comprised of Team Captain SSG Walter Craig, Team Coach SFC Emil Praslick III and firing members SSG Brandon Green, SGT Sherri Gallagher, SPC Augustus Dunfey, SFC Grant Singley, SFC Lance Dement and SGT Tyrel Cooper. The USAMU Praslick edged out the civilian team California Rifle and Pistol Association-Coalinga, who finished with a 2910-84.

The NTIT is a fast paced six-person team event. What makes it unique is that scoring is based on how many hits a team can score on a bank of eight silhouette targets at distances of 600, 500, 300 and

200 yards during 50-second firing periods. Each team is given 384 rounds, and more points can be earned per hit at the greater distances. This emphasizes on extremely fast and accurate firing and is why the match is often referred to as the “rattle battle”.

To win the 2010 NTIT, the AMU got off to a phenomenal start at 600-yards with a 948. That was more than 300 points ahead of anyone else at the 600 for the entire match. The team finished with a 1329 for the win with California Rifle and Pistol Association-Coalinga on the AMU’s heels for the second day in a row with a 1278. In third place were last year’s surprise overall winners, California Grizzlies O’Connell Juniors with a 1268.

The winning USAMU Micholick team was lead by Team Captain SSG Joel Micholick, Team Coach SSG Daniel Peters and the firing team of SGT Tyrel Cooper, SSG Walter Craig, SFC Lance Dement, SSG Brandon Green, SFC Grant Singley and SFC Kyle Ward.

“Our strategy is always the same, we come out here each year to try to set a National Record,” said SFC Dement, “If this were a poker game, we would put all our chips on the table. There is no holding back, especially in the Infantry Match. You don’t want to play it safe and rely on

other teams making mistakes. Sometimes this can bite you, but more times than not our game plan has paid off.”

The AMU certainly held nothing back this year and they will be carrying home the hardware to prove it. Photos from the events can be found at <http://cmp1.zenfolio.com/>.

Teams displayed their flags on the firing line during the National Trophy Team Rifle Match. A total of 81 teams competed in the match.

Attendance Swells at SAFS Rifle and Timothy Moore Wins M16 EIC Match

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – The CMP-US Army Marksmanship Unit’s Small Arms Firing School for rifle registered 690 basic and advanced students, 548 of which were first-time attendees, according to SFC Emil Praslick III, lead instructor of the 2010 Rifle SAFS.

The school, in existence since 1918, teaches civilians to safely and proficiently handle and fire small arms, such as the Army’s M16 service rifle and M9 service pistol. The program is mandated by Federal law to be conducted during the National Matches. The SAFS pistol program was conducted at the outset of the National Matches in July.

The school culminates in an Excellence-In-Competition Match which enables non-distinguished rifle shooters to earn four introductory “leg” points toward a Distinguished Rifleman Badge, considered a high level of achievement in shooting sports. Shooters must accumulate 30 leg points to receive Distinguished shooter status.

This year’s winner of the M16 EIC match held Sunday, 1 August was Timothy Moore, 50, of Halifax, Virginia. Moore fired a 382-9X out of a possible 400 in the 40-shot match consisting of

prone slow-fire, prone rapid-fire, sitting rapid-fire and standing slow-fire at a distance of 200 yards. Moore’s spread scores were 97-2X, 96-2X, 97-4X and 92-1X, respectively.

Just 62 shooters or 10 percent of the 618 non-distinguished shooters in the match earned introductory leg points. The cut-off score for this year’s match was 345-3X. This year 660 competitors fired the match, 42 of which previously earned introductory points or greater.

The SAFS rifle program and M16 EIC Match attract new and veteran shooters alike. Attendees are provided with outstanding instruction in the classroom by members of the US Army Marksmanship Unit shooting team and approximately two hours of highly-individualized instruction on the firing line by USAMU, regular Army, Air Force, Coast Guard, Marine Corps, Navy, National Guard and Reserve shooting team members.

Prior to the beginning of this year’s classroom instruction and in front of a full house at the Hough Auditorium, Army Sgt. Maj. Martin Barreras announced the promotion of USAMU team member SPC Sherri Gallagher to the rank of Sergeant.

During the SAFS basic program, SFC Praslick discussed safe handling and the characteristics of the M16 service rifle, including clearing instructions and function. SPC Augustus Dunfey covered range procedures and operations, range commands and scoring.

Nearly 700 participants registered for the 2010 Small Arms Firing School for rifle. Hough Auditorium was filled nearly to capacity during the USAMU’s classroom session for basic and advanced classes.

Before sending basic instruction students for individual instruction on Viale Range, SFC Praslick discussed the principles of shooting, sight alignment and what he considered most important – trigger control.

The advanced class learned about the effects of weather, particularly when competing at Camp Perry. Instructors gave tips on temperature and its effects on sight elevation and the changes wind makes on the travel of a bullet, the most from the mid-point of flight to the target. USAMU instructors also discussed organization of gear, use of data books and proper maintenance of equipment.

This year Tod Stuckey, 51, of Van Wert, Ohio, introduced his 11-year-old son Sean to SAFS rifle to provide him with formal rifle training. The youngster has already taken a liking to shooting his father’s 1903 Springfield and M1 Garand,

Suzie Durochia, 26, and Bobby Bannon, 27, of Columbus, Ohio await the next string of fire while serving pit duty during SAFS practice firing.

SGT Sherri Jo Gallagher, center, was promoted to the rank of Sergeant in a ceremony prior to the start of SAFS in-class instruction on Saturday, 30 July.

SGT Christopher Atkins, US Army Reserve, simulates the recoil of the M16 service rifle for a SAFS student as part of an anticipation drill during firing line instruction.

but his dad said he wants to get Sean started on the right foot with SAFS.

“I’ve been here before, but I wanted Sean to learn about using the sling, learning about trigger control and positions,” he said.

Mike Mueller, 48, of Vermilion, Ohio, recently purchased an AR-15 rifle and enrolled in his first SAFS program to learn to shoot from the professionals.

“I’m having a great time and I’m learning a lot,” he said.

Mueller befriended Ryan Burch, 31, of Carleton, Michigan, on the firing line and the two shared stories on the shooter shuttle after position skills training and dry-firing on Viale Range on Day I. It was Burch’s second SAFS rifle appearance.

Steven Sabin, 51, of Curtice, Ohio, and his daughter Stephenie, 16, attended their second SAFS rifle class in 2010. Sabin said they are veterans of SAFS pistol and the Rimfire Sporter Match.

“It’s a lot of fun out here and we learn something new every time we come,” Sabin said.

The Camp Perry excursion is a third generation experience for Ian Brooks, 48, and his son John Paul, 14, of Barrington, Illinois.

“My dad, John Brooks, was an avid shooter and he brought me here when I was John Paul’s age and now I’m continuing the Camp Perry tradition with my son,” Ian said.

“This has always been a special place for us because my dad was such a great mentor and he loved competitive shooting, especially at Camp Perry,” he continued.

Ian’s father, John Paul’s grandfather, died in 2002 and Ian subsequently returned his father’s ashes to Ohio.

“You could say firing point 71 is a special place for us because that was my dad’s age when he passed away,” Brooks said.

It was John Paul’s first SAFS and EIC Match experience and one the Brooks family plans to continue.

“My son loves it. We’re staying in the POW huts and he’s just eating it up,” he said. “It’s ironic – we’ve come full circle from when I was John Paul’s age ‘til now.”

Students received nearly two hours of interactive instruction on the firing line which included dry-firing in all three shooting positions, use of the web sling and operation of the M16 service rifle.

Steve Sabin and his daughter Stephenie frequently shoot together. The Curtice, Ohio residents have also participated in Rimfire Sporter and SAFS Pistol.

Ryan Burch and Mike Mueller traded shooting stories on the firing line and on the shooter shuttle on Day I of SAFS Rifle.

Tod Stuckey enrolled his son Sean in the 2010 SAFS rifle school to give his son an opportunity to learn rifle basics from experts at Camp Perry.

John Paul and Ian Brooks continued family tradition of rifle shooting at Camp Perry during SAFS rifle. John Paul represents the third generation of his family to shoot competitively, following in the footsteps of his father Ian and grandfather John Brooks.

It's All in the Family for Three Pennsylvania Steel Eagles Highpower Shooters

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – Curt Horomanski, 52, of Monroeville, Pennsylvania, says he's happy to provide shooters for the Steel Eagles junior rifle team. His oldest daughter Chessa, 22, recently graduated from the junior ranks but he still has three daughters shooting with the Steel Eagles and members of the Pennsylvania Rifle and Pistol Association.

Elyse, 19, Jenna, 16, and Marie, 14 – all point their fingers at dad when asked who's the driving force behind their participation in service rifle competition.

The girls didn't take the traditional route of shooting air rifle or .22 caliber smallbore rifle prior to jumping into highpower. All of the Horomanski girls fired nothing but AR-15 rifles from the start, their dad says.

"They all started at 12," Curt said. "We started in club shooting and they went to the firing line standing and didn't hit the target very much – sometimes they were on paper, but not in the scoring area."

"Of course the tears would roll down, but they got better and better," he said.

Over the years the Horomanski family has traveled to matches in Pennsylvania, Maryland, Ohio, and most recently, North Carolina, improving at each event. The girls attended the Eastern Junior Highpower Clinic and Championship at Camp Butner, North Carolina, and did very well shooting and socializing.

"They went down there and didn't want to leave," Curt said. "They made a lot of friendships at Butner and I think it really helped them a lot."

"I enjoy going to shooting events because I like making friends from all across the country," said Marie, the youngest. "We used to stay to ourselves but now we feel more comfortable meeting new shooters and getting to know them."

The girls admit they are a unique group because many of the shooting events they attend are populated primarily by boys. Each of them learned to load ammunition prior to shooting in competitions, Curt said.

"These events are a great place for them to meet boys – the marrying kind - I'll be honest. These young guys are very polite and very responsible young men."

While dad is traveling with the girls, mom is back home with the girls' younger brother, but she attends matches when she can. "They have an eight-year-old brother helping them load ammo and pretty soon he'll join them on the line, once he's 12," Curt said.

Elyse, who shot her personal best at Camp Perry this year, said "Our mom is learning about shooting and she's really supportive. She always makes sure we have bug spray, sun tan lotion and food and water. I agree that its fun meeting people and getting an opportunity to improve my shooting and being with my sisters."

"I love competing as an individual and team because we're always challenging ourselves to do better. You know what they say, practice makes perfect," Jenna said. "We are always trying to improve and we don't dwell on past mistakes."

Bob Eikey, 41, of Jeannette, Pennsylvania, the Steel Eagles Highpower Director, said he's happy to have families like the Horomanski's involved.

"To Curt's credit, he's been doing the job of three parents and I know it's a lot of work dragging three teenagers around to these events," Eikey said. "It's a sibling-oriented sport. We've also got a couple of brothers and some cousins that shoot with us too."

Eikey is assisted by Joe Hendricks, 42, of Wexford, Pennsylvania. Hendricks has a solid history of highpower shooting and coached his own very successful junior team several years ago, Eikey said. "He's one of the best coaches in the country."

"We're growing as fast as we can grow and improving at every match," Eikey said. A former Ohio State University rifle shooter, he's been participating in highpower for about 10 years and he's enjoying working with juniors, he said.

"You know, shooting is a sport of small numbers, so we're trying to grow our programs and do the best we can. We've been successful attracting new juniors to our program by attending gun shows and distributing information," Eikey said.

He said he has been experimenting with new ways to introduce the program to youngsters and has had success

When asked who inspired the Horomanski girls, Elyse, Marie and Jenna to become highpower shooters, they quickly pointed out their father, Curt.

attending gun shows and handing out information about the organization. As a result, he attracted about 400 junior shooters who expressed interest.

"We waited for them to contact us and we've been successful acquiring some promising new shooters. We chased off the Kool-Aid drinkers and those who just wanted to shoot our ammunition and recently we brought on four new shooters," he said.

"I certainly can't do this alone, but I'll do anything I can to help families grow our team. We've got some very generous sponsors and they supply us with gear and we make the most of it."

The Steel Eagles 7 of 7 two-person junior team of John Yates, 18, of Hackettstown, New Jersey, and Brian Deyoung, 15, of Pittsburgh, Pennsylvania, took top honors in the At-Large category of the National Trophy Junior Team Match and won Freedom's Fire medallions.

The Steel Eagles Gold six-person team placed second in the National Trophy Rifle Team Match behind the California Grizzlies Team Sealey. Firing members for the Steel Eagles were Jacob Perryman, 17, of Pleasant Gap, Joseph Hendricks, Jr., 14, of Wexford, Elyse Horomanski, Nathan Evagash, 16, of Glenshaw, Thomas Trent, 16, of Penn, and Garrett Miller, 19, of West Chester.

Travis Burian Wins EIC Match to Cap-Off CMP-USMC Junior HP Clinic

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – Travis Burian, 18, of Surprise, Arizona earned four introductory “leg” points toward a Distinguished service rifle badge as the 2010 CMP-USMC Junior Highpower Clinic came to a close on Sunday morning, 1 August. Burian earned his first points of the 30 required to become Distinguished in service rifle.

The EIC match, fired at 200, 300 and 600 yards, followed a Friday afternoon classroom instruction period and a “snap-in” shooting position and practice and zeroing session Saturday morning. The 200 and 300-yard portions of the EIC match were fired in the afternoon and camp attendees fired the remaining 600-yard portion of the match Sunday morning on Rodriguez Range.

Burian fired a 482-13X on the National Match Course event, comprised of a 95-1X standing slow-fire at 200, a 97-2X sitting slow-fire at 200, a 99-6X prone rapid-fire at 300 and a 191-4X prone slow-fire at 600 yards

Christian Cartier, 18, of Holly Springs, North Carolina (476-13X) and David Higgins, Jr., 16, of Mandeville, Louisiana (475-10X) followed Burian in the field of non-distinguished shooters. The cut-off score to earn introductory leg points was 464-6X, or 10 percent of all eligible shooters in the match. A total of 12 shooters made the cut, earning EIC points.

The overall results, which includes shooters who have already accumulated EIC points, showed Rachel Jones, 20, of Raleigh, North Carolina, in first (483-14X), Burian second and Chad Kurgan, 19, of Twain Harte, California, third with a score of 480-12X.

The CMP-USMC Junior Highpower Rifle Clinic offers advanced instruction in service rifle competition techniques. Members of the U.S. Marine Corps Rifle Team instruct the clinic and CMP provides administrative support. It is open to junior highpower rifle shooters who have previous service rifle competition experience. Those who are new to highpower rifle shooting are required to attend a Rifle SAFS first before registering for the USMC Clinic.

“I would have liked to have more snap-in time with the students on the range, but overall I was pretty pleased with this session,” said lead USMC instructor GySgt James Otto, 38, of Fredericksburg, Virginia.

“Next year we might try to get started on Friday morning and that would give us more of an opportunity to work on positions,” he said.

During the in-class session, Sgt Victor Armenta discussed range safety and weapons handling. Cpl Sean Morris discussed the fundamentals of marksmanship. Sgt Emily Windmassinger covered use of the data book. Sgt David Hunter explained environmental, physical and mental challenges of shooting. SSG Michael Bennett discussed proper firearms care and cleaning and Sgt Brent Payne, with assistance from GySgt Otto, demonstrated proper shooting positions and gear set-up.

Sgt Emily Windmassinger coaches a highpower clinic shooter on the firing line during position practice on Saturday, 31 July.

Upon conclusion of Sunday’s EIC match, clinic participants received a CMP-USMC Highpower Clinic T-shirt, a certificate of attendance and a pizza party compliments of Bushmaster Firearms.

Competitors Showcase Historic Rifles While Having Fun Participating in the 2010 CMP Games Matches

By Sommer Wood, CMP Writer

The CMP Games events have become a staple at the conclusion of the National Trophy Rifle Matches. The Games are a unique opportunity for competitors, collectors and history enthusiasts to showcase rifles that played pivotal roles in American history.

At the CMP Games Matches, it is not glory that people are seeking on the range, but rather a chance to shoot the same rifle that their father, or grandfather carried in WWII, the Korean War and other conflicts. Of course medals are awarded and winners recognized, but the ultimate goal of the CMP Games is fun and friendly competition.

The first event fired in the 2010 CMP Games was the National M1 Carbine Rifle Match. In this event, competitors fire 10 sighting shots in 10 minutes, 10 shots for record in slow-fire prone in five minutes, 10 shots rapid-fire prone from standing in 60 seconds, 10 shots rapid-fire sitting or kneeling from standing in 60 seconds and 10 shots slow-fire standing in 10 minutes.

All firing is conducted at 100 yards on the SR-1 highpower rifle target (200 yard SR target reduced for firing at 100 yards). It is a challenging event as the accuracy of these small WWII era rifles is pushed to the limit at 100-yards.

James Sinclair, 48, of Dover, New Hampshire, kicked off the festivities 5 August with a first-place finish in the National M1 Carbine match, firing a 369-7X aggregate in a field of 556 competitors.

Sinclair edged Matthew Zagorski, 32, of Exton, Pennsylvania, by one center shot "X" in a tiebreaker and Larry Stonecipher, 58, of Ada, Ohio, followed in third place. Sinclair fired 95-2X, 96-2X, 93-2X and 85-1X in each stage, respectively. Sinclair topped Zagorski by two points each in the prone stages and Zagorski returned the favor in sitting and standing but Sinclair's lone "X" in standing provided the margin of victory.

David Cooney, 63, of Dublin, Ireland, shot an aggregate score of 365-3X in winning first place in the Senior division and sixth place overall. Cooney's string of 93-1X, 89-0X, 94-2X and 89-0X gave him a five-point victory over Ben Barr, of Huntersville, North Carolina, who shot a 360-1X. Donald Rice, 64, of Stillwater, Minnesota, placed third in the senior group with a 351-3X.

Junior shooter Michael Storer, 19, of Enumclaw, Washington, fired a 359-2X to win first place in his class with a breakout of 89-0X, 84-1X, 91-0X and 95-1X. Danny Ashford III, 15, of Covington, Wash-

ington, took second place with an aggregate of 339-2X and Thomas Green, 14, of Rochester, New York, placed third with a total score of 332-4X.

Achievement medals for the National M1 Carbine Rifle Match were awarded according to the following cut scores: Gold: 351 and above, Silver: 338-350 and Bronze: 322-337.

The National Springfield and Vintage Rifle matches were spread over a two-day period, Friday and Saturday, 5-6 August allowing participants an opportunity to

shoot in those matches as well as the John C. Garand Match on Saturday. The 200-yard As-Issued Military Rifle Course A was used for both the events. Competitors were given 15 minutes for five sighting shots and 10 shots for record in slow-fire prone, 80 seconds for 10 shots in rapid-fire prone and 10 shots in slow-fire standing.

Douglas Armstrong, 50, of Lexington, North Carolina, won the Springfield Match with an aggregate score of 295-6X, firing a 99-3X in prone slow-fire, 99-2X in prone rapid fire and 97-1X in standing slow-fire at 200 yards. GMCS Shannon Shull, USCG, 36, of Port Clinton, Ohio, fired a 292-7X for second place and Donald Tryce, 61, of Austin, Texas, shot a 290-9X for third in a 1X tiebreaker over Michael Miller, 63, of Downey, California, and a 5X tiebreaker over James LeCroy, 51, of Clifton, Virginia.

Tryce won the senior division with his 290-9X over Miller's 290-8X. Fred Szablewski, 61, of Skippack, Pennsylvania, placed third in the senior group with a 289-7X. The victor in the junior division was Jeremy Riggle, 16, of Conesville, Ohio, with an aggregate score of 289-6X with a breakout of 96-4X, 98-2X and 95-0X. Ethan Marne, 17, of Mt. Pleasant, Pennsylvania, took second with a 267-1X and Stephen Tupta, 18, of McMurray, Pennsylvania, placed third at 266-4X.

Springfield Match achievement medals were awarded to shooters reaching the following cut scores: Gold: 276 and above, Silver: 269-275 and Bronze: 258-268. There were 420 total competitors in the Vintage Military Match and 776 in the Springfield Match.

In the National Vintage Military Rifle Match competitors must fire "as-issued" U.S. Krag or M1917 rifles, or manually operated foreign military rifles. The winner of the 2010 National Vintage Military Rifle Match was Douglas Armstrong of Lexington, North Carolina. Armstrong fired a 293-4X with a U.S. M1917 for a three-point lead over second place finisher Steve Reed, 46, of Attalla, Alabama, who shot a 290-4X with a Swedish Mauser.

In the Junior Division, Christopher Calvin, 20, of Canfield, Ohio, was the top finisher with a 282-3X, firing a Swiss Straight Pull rifle. Top finisher for the Senior division was Nick Takacs, 61, from Monroeville, Ohio, who shot a 286-2X with a Swedish Mauser. Achievement medals were

Jim Radel, 47, of Sunbury, Pennsylvania, and Bob Barton, 50, of Pottsville, Pennsylvania, enjoy wearing their period military uniforms to the CMP Games Matches. Radel has not missed a year and it was Barton's second trip to the Games. "We're having fun - it's the best thing going," Barton said.

Dave Holub, 55, of Black Creek, Wisconsin, and his daughter Sara, 29, of Kimberly, Wisconsin, have made several trips to Camp Perry for the CMP Games Matches. Dave has attended every National Springfield Match since its inception and Sara has fired the last four. The Springfield is the first non-AR15 type gun she's fired and said "Working the bolt is neat!"

Greg Duckert, 16 and his dad Dave, 48, of Menomonee Falls, Wisconsin, came to the Matches to fire the Springfield, M1 Carbine and John C. Garand matches. "I didn't practice enough," Dave said regarding his performance with the Springfield, but did earn a medal in the carbine match. "It's been fun. We came out strictly to shoot and have fun," he said.

also awarded for the Vintage Military Rifle Match: Gold: 276 and above, Silver: 267–275 and Bronze: 254–266.

Nearly 1,300 competitors fired in the John C. Garand Match, which was the last event of the CMP Games. The match is split into two divisions, As-Issued and Unlimited M1 Garand rifles. The bulk of the competitors were in the As-issued category, with only 49 competitors participating in the Unlimited division.

In the As-issued category, Douglas Armstrong nearly won again, but Alexander Belt of Springfield, Missouri, edged him out with a higher x-count. Belt fired a 291-11X to Armstrong's 291-9X, the two finished first and second respectively. SMSgt Joseph Burkel, 47, ARNG, of Erial, New Jersey, was a very close third with a 291-6X.

The top junior was Vikki Gaddie, 20, from Mason, Michigan, with a 286-6X, and the top senior was Robert Steketee, 60, of Haslett, Michigan with a 290-7X. Garand Match Medal award scores for competitors who fire As-Issued M1 Garands were: Gold: 276 and above, Silver: 269-275 and Bronze: 258-268.

The Unlimited Garand category was introduced in 2009, and allows shooters with M1 Garands not previously allowed in the John C. Garand Match to fire those rifles at the National Matches. Competitors with National Match M1s, .308 M1s, commercial M1s or Garands with glass bedding or shims were allowed to fire those rifles in the new class.

The overall top shooter in the Unlimited division was Nicholson Perkins Jr., 54, of Cordova, Tennessee, who shot a 292-11X. Following him in second place was Bryan Dailley, 31, of Cumming, Georgia with a 291-6X. The top shooter in the Junior division was Michael Storer, who was also the high junior in the M1 Carbine Match, with a 282-4X. The top shooter in the Senior division was Clyde Taylor, 65, from Aurora, Illinois, who fired a 280-5X.

Bob Bannon Sr., 57, of Youngstown, Ohio, said he enjoys the nostalgia of coming back to the National Matches each year. "I've been here every year since I was one year old, according to my parents," he said. "I remember staying in the POW huts when there was still German handwriting on the walls."

Garand Match Medal award scores for competitors who fire Unlimited Garands were: Gold: 280 and above, Silver: 273-279 and Bronze: 260-272.

Notorious Camp Perry Rain, Wind and Sun Add Variety to 9th Annual Rimfire Sporter Match

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – While some shooters dealt with a driving rain, wildly-fluctuating crosswinds and the accompanying delays, others enjoyed bright sun and calm conditions during the ninth annual Rimfire Sporter Match on Sunday, 25 July.

Chalk it all up to “The Camp Perry Experience.” As veteran shooters know, the weather is almost always a factor here and first-time shooters received a classic introduction to it Sunday.

The first relay of nearly 100 shooters fired through a light rain, but the second relay was met with the pin-wheeling back side of a cold front that drove wind and rain directly off Lake Erie from the north, soaking targets and blowing many out of their frames. Once order was restored, the match continued and the third and fourth relays enjoyed clear blue skies and a light no-value breeze.

The Rimfire Sporter Match is a recreation-oriented, three-position competition using .22 caliber sporter rifles (plinking and small game rifles) commonly owned by almost all gun enthusiasts. Rifles may be manually operated or semi-automatic and competitors are broken into three classes – open sights, telescopic sights and new for 2010, tactical rifle. Shooters could enter multiple relays and fire different classes depending on space availability.

Command Sergeant Major (CSM) Steven Slee, 46, U.S. Army Reserve, of Dimondale, Michigan, won the open sights class with an aggregate score of 578-23X out of 600 possible. With a CZ Model 452, CSM Slee fired a 98-6X prone slow-fire, 98-5X prone rapid-fire, 93-1X sitting slow-fire, 92-3X sitting rapid-fire, 98-2X standing slow-fire and a near-perfect 99-6X standing rapid-fire in winning the open sights class.

Charles Opalewski II, 20, of Vicksburg, Michigan, was second in open sights with an

aggregate score of 574-14X. Opalewski was also the high ranking overall junior and 4-H junior shooter. Ron Villanueva, 45, of Parma Heights, Ohio, placed third in the open sights class with a total score of 573-18X.

Nick Takacs, 61, of Monroeville, Ohio, was the high senior competitor in open sights class with an aggregate score of 569-17X. Rene Baldwin, 28, of Ellwood City, Pennsylvania, was the high woman competitor with an overall score of 528-7X in open sights.

In telescopic and receiver sights class (T-class), Lucas Boord, 20, of New Stanton, Pennsylvania, used a Kimber Hunter to score 593-27X to win his class. Boord shot a 99-8X prone slow-fire, 97-4X prone rapid-fire, 99-5X sitting slow-fire, 99-4X sitting rapid-fire, a perfect 100-4X standing slow-fire and 99-2X standing rapid-fire en route to winning his class.

Placing second in T-class was CSM Steven Slee with a 592-31X. Ron Villanueva placed third with a 589-29X aggregate score. The high junior, high 4-H junior and high woman T-class shooter was Natalie Harper, 18, of Dublin, Georgia, with an aggregate score of 588-14X. The top senior shooter in T-class was Steve Gossage, 63, of Wooster, Ohio, with an aggregate of 586-32X. Gossage used his 32X center shots to win a three-way tie over Lee McKinney, 63, of Rio Rico, Arizona (586-25X) and Ernest Oelker, 63, of Youngstown, Ohio (586-21X).

In the new Tactical Rifle class, Mike Krites, 53, of Cridersville, Ohio, took top honors with an aggregate score of 566-18X. He used his Smith & Wesson tactical .22 to fire 92-1X prone slow-fire, 96-3X prone rapid-fire, 90-2X sitting slow-fire, 95-4X sitting rapid-fire, 98-3X standing slow-fire and 95-5X standing rapid-fire to win his class.

Placing second in tactical class was Gary Newyear, 58, of Chagrin Falls, Ohio, with a tie-breaking score of 563-13X over Denise Miller, 36, of Coshocton, Ohio, who logged a 563-9X. Miller was also the high woman shooter in tactical class. The high junior shooter in tactical class was Michael Barnard, 18, of Mentor, Ohio, with an aggregate score of 530-8X. The high senior shooter in the tactical class was Mike Krofchik, of Gambrells,

Overcast skies and rain showers during the first relay kept spectators undercover, but winds were variable.

During Relay 2, north wind gusts mixed with driving rain began soaking targets and blowing them out of their frames.

The unopposed team of Larry Abernathy, 56, of Akron, Ohio and Aaron Abernathy, 15, also of Akron, won the Tactical class team match. Larry was the only firing member due to the malfunction of his teammate's rifle so the team's aggregate score was 518-20X.

At the conclusion of competition, all shooters, volunteers, staff and range officials enjoyed a barbecue behind the ready line on Viale Range followed by an awards ceremony honoring the top individual and team competitors. Achievement medals were presented to all shooters who met or exceeded minimum cut-off scores by class.

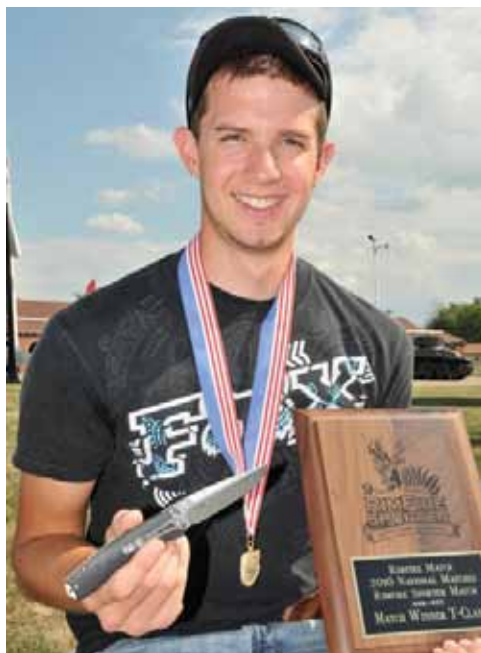

Assistant Chief Range Officer Brad Donoho, left, and Chief Range Officer, Duane Tallman directed target crews to repair targets and managed operations until winds died down.
