

FINAL RESULTS 2012 NATIONAL TROPHY RIFLE MATCHES

Target Explodes as LTG William Ingram Jr. Fires Ceremonial First Shot of the 2012 National Matches

By Brooke Fleming, CMP Support Staff

Following his remarks, LTG Ingram fired the ceremonial first shot of the 2012 National Matches with a CMP Special Grade M1 Garand rifle, which he later purchased.

National Matches. This special flag was delivered by troops emerging from two armored personnel carriers that traveled down the range access road by the 812th ONG Engineer Company, based in Wooster, Ohio.

Upon arrival, soldiers exited the carriers and set up a perimeter around the flag exchange area near the grandstand. It was first presented to Mr. Anderson and transferred to an awaiting color guard that raised it on the flagpole in Shooters Memorial Plaza, where it will fly until the final shot on August 14.

Judith Legerski, Chairman of the Civilian Marksmanship Program Board of Directors, introduced featured First Shot speaker LTG William Ingram Jr., Director of the Army National Guard in Washington D.C.

Mrs. Legerski concluded her welcome of the National Guard's second in command and said, "General, you honor us with your presence."

LTG Ingram, originally born and raised in North Carolina, said he has spent much of his early life around firearms, as his father was in the Army while he was growing up.

"This is an amazing event and I'm truly proud to be a part of it," he said. "I cannot imagine how many shots I have taken in my lifetime, but I know one thing for sure, no shot ever fired will be more important than this one coming up," he said.

LTG Ingram recapped the history of the National Matches and applauded the event's planning, saying "it's a great partnership between the NRA, CMP and the National Guard.

"It's easy to see how this has become the World Series of the shooting sports," he followed.

Upon completion of the ceremony LTG Ingram was presented with a commemorative 'thank you' coin from the Civilian Marksmanship Program and it was announced by Mr. Anderson that "the 2012 National Matches are now officially open."

After ending his speech, LTG Ingram fired the ceremonial first shot of the 2012 National Matches with a CMP Special Grade M1 Garand rifle, which he later privately purchased. As the first shot was taken, the target 600 yards away on Rodriguez Range disintegrated into a cloud of colored smoke – thanks to pyrotechnics installed by range personnel.

Special guests, from left, are Dennis Willing, Director of NRA Competitive Shooting, Major General Deborah Ashenhurst, Ohio Adjutant General, Judith Legerski, CMP Board Chairman, DCME Gary Anderson and LTG Ingram.

Soldiers from the Ohio Army National Guard 812th Engineers, based in Wooster, emerge from their armored personnel carrier and secure the parade ground for delivery of the American Flag during a combat demonstration.

National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

California's Jared Perry Tops Tyrel Cooper in 2012 President's Rifle Match in a Dramatic Shoot-out after Perfect 300's

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – Jared Perry, 31, of Porterville, CA, outlasted U.S. Army SSG Tyrel Cooper, 27, of Hamilton, GA, in a 10-shot shoot-off, winning the 2012 President's Rifle Match on Monday, 30 July on Rodriguez Range. Perry topped Cooper with an aggregate score of 398-16X to Cooper's 396-18X after both shooters entered the final with perfect 300's fired in the qualification round.

Cooper qualified with a 300-17X to Perry's 300-13X, but both shooters knew from the first shot of the day that the outcome wouldn't be certain until the final 10 shots were fired in the shoot-off at the 600-yard line on Rodriguez Range at the day's end.

The President's Rifle Match is unique in that it is fired in two components. The first is a 30-shot qualification round composed of slow-fire standing (200 yards), rapid-fire prone from standing (300 yards) and slow-fire prone (600 yards). The top 20 shooters then have the opportunity to showcase their skills in front of spectators in a shoulder-to-shoulder timed fire series. Those at the top of that group are challenged to hold or take the lead.

With the top qualifiers coming into the shoot-off virtually deadlocked, it added another layer of intrigue to the shoot-off. In other matches an X-count would break the tie, but in President's Rifle, the X-count gives way to the 10-shot final, forcing the top contenders to back up their qualifying round efforts.

Shooters were faced with a near full-value wind from east to west, making the first shot a challenging call. Cooper led with an eight and nine but by then it was too late to catch the Californian. Perry quickly recovered from a nine at 11 o'clock and dropped only one point the rest of the way.

GySgt Joshua Peterson, 28, USMC, of Fredericksburg, VA, placed third with an aggregate score of 392-14X. Peterson fired the highest score in the shoot-off – a 99-3X. He fired a 98-4X, 99-5X and 96-2X series in the qualifying round.

Friends of Jared Perry drench him with ice water shortly after Perry received recognition as the match's winner. Moments later Perry said it was a good day. "Coming in here and shooting a 300 is pretty special," he said. Perry said he will shoot the infantry team match with his Coalinga, California club before returning home.

SSG Tyrel Cooper prepares to send a round downrange during the President's Rifle Match shoot-out. Cooper came into the final with a perfect 300 score with 17Xs.

The top three junior shooters in the President's Rifle Match were Isaac Dow, 18, of Grand Junction, CO, who reached the shoot-off and scored 388-15X, Fredric Fadeley, 19, of Phoenix, AZ and Tyler Plude, 20, of Avon, CT (289-6X). The high senior in the match was David Sullivan, 59, of Erie, CO and the high woman, reaching the final, was Sara Rozanski, 34, of Toledo, OH (390-10X).

A total of 1,246 competitors fired in the 2012 President's Rifle Match. First fired in 1878, the President's Rifle Match, a National Trophy Rifle Match, was incorporated into the National Match program after the matches were established in 1903. The President's Rifle and Pistol Matches have become especially prestigious because the match winners traditionally receive letters of congratulations from the President of the United States of America.

California's Jared Perry Tops Tyrel Cooper in 2012 President's Rifle Match in a Dramatic Shoot-out after Perfect 300's Cont'd

Robert Gill, of Visalia, California, is Jared Perry's uncle and also fired in the shoot-off, finishing in ninth place with a 387-13X.

Sara Rozanski was the high women's shooter in the President's Rifle Match. She finished in fourth place with a 390-10X.

The prestigious President's Rifle Match is unique in that it is fired in two components, the 30-shot qualification round and the Top 20 shoot-off. The Top 20 shoot-off provides shooters the opportunity to showcase their skills in front of spectators in a shoulder-to-shoulder timed fire series. Those at the top of that group are challenged to hold or take the lead.

GySgt Joshua Peterson, of Fredericksburg, VA, makes notes in his scorebook between shots during the President's Rifle Match. Peterson placed third with an aggregate score of 392-14X..

Navy Reservist John Brubaker Needs Tiebreaker to Win Points-Eligible M16 EIC Match & Stuart DeMotte Wins Overall Aggregate Category

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – For some, it's a points race to finish inside the top 10 percent of all eligible non-Distinguished shooters in the match and for others it's a warm-up for more M16/AR15 platform events that follow in the National Matches highpower schedule. For the rest of the 657 participants in this year's M16 EIC Rifle Match, it's an opportunity to fire a four-stage match on the big range at Camp Perry and take home some memories.

PO1 John Brubaker, 44, U.S. Navy Reserve, of Sanford, FL, was the highest-scoring shooter in the points-eligible Excellence-In-Competition (EIC) match, firing an aggregate score of 386-12X out of 400 possible. Brubaker and 642 others in the eligible category fired prone slow-fire, prone rapid-fire, sitting rapid-fire and standing slow-fire stages at 200 yards on Viale Range.

Brubaker finished second to the overall match winner, Stuart DeMotte, 25, of Kagel Canyon, CA, who fired an aggregate score of 390 with 12X. DeMotte and others in the overall category have already received EIC points or are Distinguished Rifle shooters and were not eligible for additional points. Eligible shooters who finished in the top 10 percent of their group earned four introductory points. A shooter must accumulate 30 points to earn a Distinguished Rifle badge, also called "going Distinguished."

Brubaker needed every one of his center shots to hold off second place finisher Michael Boehk, 44, of Rochester Hills, MI, (386-11X) and PO1 Emory Brown, 39, USNR, Dunn, NC, (386-7X). Brubaker fired 100-4X, 99-4X, 95-2X and 92-2X in the four stages, respectively. Boehk fired 100-5X, 100-5X, 93-0X and 93-1X. Brown's box score read 99-1X, 100-4X, 98-2X and 89-0X.

In the overall category, it was DeMotte at 390-12X, Brubaker, Boehk and Ron Villanueva, 47, of Parma Heights, OH, who slid in ahead of Brown in the tie-breaker with a 386-9X. Villanueva fired

PO1 John Brubaker, U.S. Navy Reserve, of Sanford, FL, fired an aggregate score of 386-12X to win first place in the M16 EIC Match. Brubaker was among the top 10 percent of eligible shooters who earned four introductory points of 30 required to earn a Distinguished Rifle shooter's badge. Brubaker is pictured above with CMP Board Chairman Judith Legerski.

a series of 99-4X, 99-2X, 99-3X and 89-0X.

The M16 EIC Rifle Match follows the Small Arms Firing School for rifle each year, which students the opportunity to test their new-found skills on the firing line. The school is conducted by the U.S. Army Marksmanship Unit and sponsored by the CMP. Curriculum is broken into basic and advanced sections, providing new and veteran shooters an opportunity to learn new information about shooting

in competition and add to their knowledge.

Both courses commence in Hough Auditorium where all shooters are provided with gun safety, range safety and firearm familiarity instruction, plus the important aspects of sight alignment and the science of striking a target in an effective manner.

Basic SAFS students then depart for the range for group instruction on the firing line with USAMU and other U.S. Military service rifle coaches and certi-

Stuart DeMotte, of Kagel Canyon, CA, fired an aggregate score of 390-12X to win the overall M16 EIC Match. Shown in this file photo with CMP Board member Bill Willoughby, DeMotte said "I saved all my spare change to make the trip to Camp Perry."

Competitors file into Camp Perry's Hough Auditorium for the classroom portion of the Small Arms Firing School for rifle. Basic shooters received safety, firearm function and range operations instruction prior to hands-on instruction and Advanced shooters received more detailed instruction prior to joining the line later.

fied CMP instructors. Advanced SAFS students remain behind to learn more complex topics such as reading wind, calculating minutes of angle, mental conditioning and competition skills, to name a few.

Advanced class students rejoin the basic class on the firing line where they participate in live-fire practice in each of the three shooting positions. On Day 2, all participants assemble to fire the M16 EIC Rifle Match. All rifles used in the class and ammunition is provided to the shooters by the CMP, which provides a level playing field.

This year's class required five relays of more than 130 shooters each who fired the practice session and match, giving all shooters an opportunity to familiarize themselves with range commands and scoring targets in the Viale Range pits.

M16 EIC Match shooters fired four stages in the match including prone slow-fire, prone rapid-fire, sitting rapid-fire and standing. Scores from the four stages are combined for an aggregate total to determine place finishes.

Rutherford Fires 198 and Armstrong Cleans 300 and 600 Yard Targets to Win 2012 National Vintage Sniper Rifle Team Match

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO – Doug Armstrong and Glendale “Don” Rutherford took advantage of ideal shooting conditions to fire a near-perfect team score of 398-17X out of a possible 400 to win the 2012 Vintage Sniper Rifle Team Match here on Wednesday, 1 August on Viale Range.

Armstrong, 52, of Lexington, NC, fired a perfect 200 with 11 center Xs and Rutherford, 60, of Tallapoosa, GA, fired a 198-6X. Armstrong cleaned the 300-yard stage with six center shots and backed it up with another clean 600-yard stage with five Xs.

Rutherford fired a clean 300-yard target with one center shot and dropped two points at 600 yards with a 98-5X.

There was a hotly-contested fight for second place with Team Hardleg #2 edging Team Hardleg #1 in an X-count tiebreaker for second and third place. Hardleg #2 teammates Richard Thornley, 50, of Gaithersburg, MD, and SSG Erik Field, 30, U.S. Army, of Edgewater, MD, each fired 197's to capture second place for a team total of 394-17X.

Hardleg #1 team member, Howard Burrill, 51, of Mt. Airy, MD, fired a perfect 200-9X on his half and his teammate Paul Patel, 52, of Damascus, MD (194-7X) shot very well, but they settled for third place in a one-point tiebreaker with a team score of 394-16X.

The GM Grey Iron team of Kenneth Nichols, 69, of Bay City, MI, and Donald LaBeff, 58, of Saginaw, MI, finished in fourth place with a team total of 390-9X. The team of Steven Miller, 51, of Novi, MI, and James Leginza, 34, of Plymouth, MI, placed fifth

A total of 241 teams entered the rapidly-growing Vintage Sniper Rifle Team Match, up from 143 teams last year, which was the inaugural match at Camp Perry. The format had been tested with 14 teams in 2010 at the CMP Western Games at Ben Avery Shooting Facility in Phoenix, AZ, and was introduced as a new CMP Games Match with 48 teams at the CMP Eastern Games, at Camp Butner in May, 2011. At this year’s Eastern Games, 62 teams participated.

The match consists of two-person teams firing 10 shots each at 300 yards and again at 600 yards using vintage military sniper rifles (1953 and earlier) with scopes matched for those guns, either original type or replica. Bullseye targets are exposed for 20 seconds, pulled into the pits for 20 seconds for scoring and raised again. That procedure is followed for all shots, except for five minute unlimited sighter periods prior to 300 and 600-yard fir-

Enthusiastic shooters from across the U.S. participated in the 2012 Vintage Sniper Rifle Team Match including this difficult-to-identify competitor who donned a sniper “Ghillie Suit” to fire the match.

The Springfield scout sniper rifle is a popular platform at the Vintage sniper rifle match, however, rifles from countries all over the world are common to the match. Vintage sniper rifles and appropriate scopes from 1953 and earlier are required to shoot the match. For a complete list of rifle scope combinations and details about the match can be found on the CMP website.

Opalewski Defends Open Championship as Guay Wins Telescopic and Villanueva Defends Tactical Class Title at 2012 National Rimfire Sporter Match

By Steve Cooper, CMP Writer

CAMP PERRY, OHIO—Three shooters, none of whom are strangers to the awards ceremony at CMP rimfire sporter competitions, turned in strong performances Sunday, 22 July, at the 2012 CMP National Rimfire Sporter Match. The event drew 553 entries from the Midwest, South, Atlantic Coast, New England and as far away as Anchorage, Alaska.

The Rimfire Sporter Match is an introductory competition which is fired using standard off-the-rack, non-competition type .22 caliber rifles that may be semi-automatic or bolt action. Shooters may compete in Open Sights (O-Class), Telescopic Sights (T-Class) and Tactical Rifle classes. They may also re-enter in another class as range space and time allocation allows. A total of 600 points may be earned in prone, sitting (or kneeling) and standing positions and each position is comprised of slow-fire and rapid-fire phases worth 100 points each.

Charles Opalewski, 22, of Vicksburg, MI, who set the 2011 O-Class national record with a 586-21X, repeated as national champion, firing a 580-18X. Jacob Guay, 17, of Nashville, GA, the 2011 high

junior at Camp Perry and winner of this year's Eastern Games rimfire sporter match at Camp Butner, NC, was the overall winner in the T-Class, establishing a new national record with a 598-35X aggregate score.

Ron Villanueva, 47, of Parma Heights, OH, who won his first national Tactical Rifle Class championship last year, defended his title with an aggregate score of 593-30X. Since 2009, Villanueva has knocked on the championship door in all three rimfire classes, finishing third in T-Class in 2009, third in O-Class and T-Class in 2010 and third in T-Class last year. He finished in sixth place in T-Class this year in a fiercely-contested field.

Don Moore, 62, of Chattanooga, TN, finished second in O-Class with a 577-21X and Larry Kindell, 52, of Tawas City, MI, placed third with a total score of 576-18X. Moore was also the high-scoring senior in O-Class competition.

Jessica Hudson, 13, of Halifax, VA, was the high overall junior shooter, high 4-H club shooter and high women's category shooter in the O-Class, firing an aggregate score of 572-21X.

Guay's outstanding performance in T-Class also earned him honors as high overall junior shooter and high 4-H club shooter. Herb Hudson, 67, of Anderson, IN, was the high senior shooter, firing a total score of 587-25X. Nikki Smith, 18, of Cordele, GA, was the high women's category shooter, firing an overall score of 592-34X.

Guay finished second to Villanueva in the Tactical Rifle match, firing a 591-28X, just two points behind Villanueva. The Georgia junior was also the high junior and high 4H club shooter in Tactical Rifle.

Richard Dixon, 60, of National City, MI, was the high senior in Tactical, with an aggregate score of 588-26X. Denise Miller, 38, of Coshocton, OH, was the high wom-

en's competitor in the match with a score of 581-21X.

In addition to individual competition, several Rimfire Sporter competitors fired team matches in the Youth-Adult Partner Match in all three classes of competition. The match gives younger and older shooters an opportunity to work together toward achieving success on a team level.
