LTG John Crosby prepares to fire the ceremonial first shot of the 2013 National Matches with a WWII M1 Carbine rifle. CMP Board Chairman Judith Legerski later presented the rifle to him as a token of appreciation for his First Shot participation and service to his country.

CAMP PERRY, OH – As soon as the smoke cleared from the firing of Bob Gillmor's replica War of 1812 cannon, marking the close of the First Shot Ceremony, the doors to the 2013 CMP National Trophy Matches were thrown open.

LTG John Crosby, U.S. Army (ret.) fired the ceremonial first shot of the matches using a .30 caliber WWII M1 Carbine rifle after addressing a crowd of more than 400 as this year's featured speaker. Upon Crosby's shot, a sizable hole and smoke ring appeared on LTG Crosby's target 600 yards away beyond the Rodriguez Range berm, compliments of Dave Rohrbacher and the Ohio National Guard.

The cannon firing capped this year's First Shot Ceremony which featured multiple appearances by Georgie's Gal, an award-winning, fully restored WWII B-25 Mitchell bomber from Port Clinton's Liberty Aviation Museum; a color guard provided by the WWII Re-enactment Society of Port Clinton and four vintage military vehicles and personnel in uniform

Robert Gillmor of Gillmor Ordnance, Old Fort, Ohio, fires a cannon salute in tribute to the bicentennial of Commodore Oliver Hazard Perry's victory over the British in the War of 1812 as part of the 2013 First Shot Ceremony.

LTG John Crosby, featured speaker of the 2013 First Shot Ceremony and past CMP Board Member, makes a few remarks about growing up as an outdoorsman and lifelong supporter of the shooting sports.

Pilot Paul Stojkov, of the Liberty Aviation Museum, of Port Clinton guides a B-25 Mitchell WWII bomber over the parade ground in one of four passes made during the First Shot Ceremony. "Georgie's Gal" is an award-winning restored aircraft which can be seen in the museum hangar when not performing at air shows and special events.

## A Message from the COO:

The CMP is pleased to provide you with this souvenir printed edition of the *Final Results of the 2013 National Trophy Pistol Matches*. A total of 1,713 event entries with 965 individual shooters participated in the 2013 Pistol Small Arms Firing School and/or National Trophy Pistol Matches. The CMP thanks all of you for participating and traveling to Camp Perry for this year's National Trophy Pistol Matches.

The 2013 National Matches began on 8 July with the Pistol Small Arms Firing School. The National Trophy Pistol Matches began the next day with the Service Pistol Warm-Up Match. Two days of National Trophy competition on 9 and 14 July witnessed lots of great shooting. This year's shooting heroes included:

◎ SSG Patrick Franks, USA, who won the prestigious President's Pistol Trophy; SSG Franks was also the Overall Individual Service Pistol Champion with an aggregate score of 965-42X. Additionally, he won the Service Pistol Warm-Up Match and helped his USAMU Blue team win the Gold Cup Trophy in the National Trophy Pistol Team Match for the seventh consecutive year.

◎ MSG Robert Mango, USA, who won the General Custer Trophy as the overall leader in the National Trophy Individual Match.

◎ 17-year-old Glenn Zimmerman, who won the G.P. Perry DeFino Trophy in the Junior Individual Pistol Match, while 19-year-old Alexander Chichkov came out on top in the Junior President's Pistol Match. Zimmerman was also the Overall Individual Junior.

◎ Kathy Chatterton of Glen Rock, NJ, who won the National Woman's Trophy as the top female competitor in the National Trophy Individual Match, and Steve Reiter, who claimed the Senior Pistol Trophy.

The CMP extends sincere thank yous to the following organizations and individuals for their significant contributions to another great National Matches:

◎ To the Army Marksmanship Unit and coaches representing Active, National Guard and Reserve teams from the Army, Marine Corps, Navy, Air Force and Coast Guard for another superb Pistol Small Arms Firing School.

◎ To the NRA staff and range volunteers who operated the ranges with efficiency, courtesy and skill.

◎ To Colt Firearms, Glock and Springfield Armory for presentation pistol donations;

◎ EyePal for their donation of EyePal Master Kits;

◎ To Bill Gordon of Photomaker in Port Clinton, Ohio, who provided many excellent photos of National Match Pistol Awards Ceremony;

◎ To the Ohio National Guard Camp Perry staff headed by Fort Ohio Commander Colonel Dean Brown and to the Ohio National Guard Soldiers who carried out the National Matches Military Support mission.

◎ To the CMP staff that continued their tradition of dedicated service to shooters.

We sincerely hope all of you had a great experience at the 2013 National Matches. Next year's 2014 Matches will bring some changes, as the Rifle events will immediately follow Pistol week. Because the two phases will be conducted back-to-back, we encourage our pistol shooters to stay for an extra week of play at Camp Perry. See you in 2014.

# National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

by the Firelands Military Vehicle Group of Sandusky. In addition to the cannon, Gillmor Ordnance of Old Fort, Ohio provided ground-based pyrotechnics.

Judy Legerski, CMP Board Chairman, served as master of ceremonies for this year's First Shot program which was attended by special guests Ohio Adjutant General, MG Deborah Ashenhurst, National Rifle Association President, James W. Porter, II, LTG Joe Inge, U.S. Army (ret.) and Ohio Lt. Governor, Mary Taylor. The audience also included distinguished guests including community and government leaders from Ottawa County and the State of Ohio.

The M9 Excellence-In-Competition Match is the final phase of the CMP-U.S. Army Marksmanship Unit Small Arms Firing School (SAFS) for Pistol. The match follows a two-part instruction format that includes a morning classroom discussion of the safety, function and handling of the Army's standard 9mm side-arm and an afternoon hands-on session on the firing line where students learn safety, position and proper aiming of the pistol at 25 and 50 yards.

This year's M9 EIC match winner was Allan Jaworski, Jr., 34, of Canonsburg, PA, who fired an aggregate score of 254-3X, edging Frank Sokolowski, Jr., 42, of Dundee, MI, in a tiebreaker. With both men tying with identical scores, including X-count, Jaworski earned the

victory with a higher rapid fire score of 79-1X over Sokolowski's 74.

Jaworski, who earned his President's 100 rifle ranking and Distinguished Rifle Badge in 2011, was successful in only his second EIC pistol match this year, having fired the match at the conclusion of last year's SAFS Pistol class. By placing in the top 10 percent of non-Distinguished pistol marksmen, Jaworski earned four introductory points toward his Distinguished Pistol Badge. The SAFS EIC match is the only competition that awards four introductory "leg" points.

When asked if he is a pistol competitor, Jaworski replied "I guess NOW I am a pistol shooter." Until now he has dedicated virtually all of his trigger time to long gun competition.

After earning his rifleman's badge and posting a disappointing finish in last year's EIC pistol match, he said he "decided to get serious with it." His practice paid off and he said he's now looking forward to the upcoming CMP National Trophy Pistol Matches that mark the close of pistol week at Camp Perry. Jaworski credited the calm yet knowledgeable demeanor of U.S. Army Reserve coach CPT Thomas Bourne during the firing line portion of the SAFS Pistol class. "He's a great coach, laid back but really helpful," he said. Many National Match pistol competitors representing the military service branches lend their time and expertise

to students on the firing line during SAFS. Charles Augenstein, 52, of Eighty Four, PA, placed third in the M9 EIC Match with an aggregate score of 251-5X. A total of 308 competitors entered the 2013 SAFS M9 EIC Match, with 293 eligible for leg points. The top 29 competitors, based on a cut score of 218-1X, received introductory leg points. The record score in the M9 EIC Match is 283-7X, set by Nick Pappas in 2006.

The U.S. Army Marksmanship pistol team dominated

Allan Jaworski, of Canonsburg, Pennsylvania, won the M9 EIC Pistol Match on the first day of competition at the 2013 National Matches. Jaworski also earned four introductory points toward his Distinguished Pistol Badge.

Under the watchful eye of a U.S. Navy marksmanship instructor, Small Arms Firing School participants fire M9 pistols at Camp Perry. Instructors from active and reserve duty, guardsmen and the CMP provide firing line guidance for all SAFS students.

A color guard prepares to raise the American Flag which will fly over the Shooters Memorial Plaza for the entire five weeks of the National Matches at Camp Perry. CMP Board Chairman & CEO Judith Legerski looks on. The color guard was provided by the WWII Historical Re-enactment Society of Port Clinton.

the leader board at the 2013 CMP Pistol Warm-Up Match, with SSG Patrick Franks, Jr. taking top honors with an aggregate score of 391-15X. AMU teammates SPC Greg Markowski and SFC James Henderson placed second and third with scores of 391-13X and 387-13X, respectively. A total of 293 competitors fired the CMP Warm-Up Match, with the top 10 percent earning gold CMP achievement coins.

## National Matches Air Gun Events Return Despite Renovations at CMP Marksmanship Center

By Ashley Brugnone, CMP Writer/Editor

CAMP PERRY, OH – The 6th annual National Matches Air Gun Events were held at a disheveled CMP Marksmanship Center at Camp Perry July 8 through August 3. Construction equipment, mounds of dirt and building materials surrounded the center as a renovation project, expected to be finished in 2014, left half of the building unusable for match goers. Fortunately, the air gun range within was still able to house the popular National Match air pistol and rifle events.

The air pistol phase consisted of the 30 Shot Air Pistol Re-Entry Match and the 60 Shot Air Pistol Championship.

The 30 Shot Air Pistol Re-Entry Match consists of a course of fire of unlimited sighting shots and 30 record shots on the ISSF Air Pistol target. PFC Nick Mowrer, 24, of Ramsay, MT, won first place in the match, with his score of 291. John Zurek, 49, of Tucson, AZ, claimed the second place spot with a 286, while Giovanni Gonzalez, 37, of San Sebastian came up short with a 283 for third.

A “Top Center Shot” contest was also held during the match, for the shooter who fires closest to the center of the target. Though many fired 10.9’s, Donald Fleming, 69, of Delhi, NY, fired a 10.9 with a radius of 0.1897 to claim first place in the Center Shot contest.

In the 60 Shot Air Pistol Match, shooters are given 1 hour 45 minutes to complete unlimited sighters and 60 record shots. John Zurek took the first place position in the match with a score of 575-20x. Giovanni Gonzalez followed behind with his score of 569-16x for second place, followed by Brenda Silva, 51, of Snowflake, AZ, with her score of 560-11x in third. Silva was also the High Woman of the match.

Alexander Chichkov, 19, of Tampa, FL, fired a 558-6x to become the High Junior, and Gary Peterson, 65, of Levittown, NY, was the High Senior.

The Air Rifle Events are offered during the National Match Rifle phase of the CMP National Matches.

Shooters fired upon the MegaLink electronic targets in air-conditioned CMP Marksmanship Center, though the rest of the building, under construction, was without power.

Rental air pistols and air rifles are available at the CMP Marksmanship Center for a small fee. Next time you’re at Camp Perry, be sure to stop by the air conditioned state-of-the-art Air Gun Range.
