2018 JROTC NATIONAL AIR RIFLE CHAMPIONSHIP

Letter of Thank You

On behalf of the Civilian Marksmanship Program, we would like to thank you for participating in this year's JROTC National Air Rifle Championship. The competition series began with the JROTC Postal Match in October 2017, where nearly 7,700 cadets fired on official record targets at their home ranges that were then sent to be reviewed at CMP headquarters. Top-scoring cadets in the Postal Match earned trips to one of the three Regional Service Championships – held in Ohio, Alabama and Arizona in February 2018. Of the 850 qualifying teams and individuals from the Service Championships, 209 were selected to compete in the National JROTC Air Rifle Championship in March at Camp Perry.

The JROTC National Air Rifle Championship is sponsored and conducted by the Civilian Marksmanship Program in cooperation with the Army, Marine Corps, Navy and Air Force JROTC Commands.

CMP would like to congratulate each cadet for qualifying for the National JROTC Air Rifle Championship. It is a great honor to host such a prestigious event, and the CMP would like to extend our thanks to the coaches, volunteers, chaperones and parents for devoting their time and energy to the juniors involved in the competition.

A special thanks also goes to Crosman, an award sponsor for the National JROTC Championship. For winning the sporter team competition, Santa Fe High School Navy JROTC from New Mexico received a Crosman Challenger air rifle, donated by Crosman Corporation.

Additionally, we need to profoundly thank the MidwayUSA Foundation for providing generous endowments to leading competitors in junior air gun and highpower competitions throughout the year. Along with MidwayUSA, the CMP offers additional thousands of dollars over the course of the year to three-position competitions as well as other air gun open matches for juniors and adults – continuing its support of marksmanship for the current generation and the future.

Congratulations to all of our hard working athletes, and we look forward to the start of our next JROTC Postal Match later this year.

Gibson Reclaims Title, Sets National Record at 2018 JROTC National Air Rifle Championship

By Ashley Brugnone, CMP Writer

During the Day 2 finals, Taylor Gibson fired a new Army JROTC National Record score of 699.9.

CAMP PERRY, Ohio – Taylor Gibson, 17, of the North Salem Vikings Army JROTC from Oregon, returned to the JROTC Three-Position Air Rifle National Championship with an abundance of aspirations in her mind – ready to defend the precision title she earned at last year's event and to give a repeat of her record-setting performance.

After weekend competition was complete, Emma Thompson ran over to congratulate Taylor Gibson on her win.

Gibson and over 200 other juniors competed at the Civilian Marksmanship Program's (CMP) Gary Anderson Competition Center at Camp Perry, March 22-24. The championship is the completion of a series of three-position air rifle events that begins in October and combines the talents of junior athletes from around the country with two days of competition and finals.

Last year, Gibson fired a new Army JROTC National Record 3x20 score of 597-48x. This year, she came only one center-shot away from tying that score on the last day of qualifying competition. With only the finals left to fire in her 2018 showing, she set her sights on a new goal – an overall score of 700 for the day.

After starting out a little shaky in the final with two "9" shots, she picked herself up and fired seven straight pellets through the black – ending just shy of her goal with a score of 699.9.

"I was really striving to get that 700," she said. "It was still really exciting and still super fun – but I was so close!"

"Next year, I'll do it," she added.

Her overall two-day aggregate score of 1293.1 was enough to blow passed her peers by more than 10 points and give her the championship title for the second year in a row. The win was the satisfying end result of a year full of self-discipline, both physically and mentally, and keeping herself set to an objective she was sure she could reach with concentration and determination.

"I wanted to do the same thing I did last year," she said. "I wanted to have two consecutive years of winning, so I was really focused – really trying hard to stay where I was from last year. I didn't want to give up my title."

After earning the runner-up position in 2015 (as an eighth-grader) and 2016, Gibson finally claimed the championship title in 2017. Next year, she'll return as a senior, looking to maintain that title for the third straight year.

Winning the 2018 sporter

Larry and Brenda Potterfield, of MidwayUSA, were present during the Day 1 Finals. The Potterfields have donated endowments to the winning teams for the past several years.

individual competition was Emma Thompson, 17, of Freeport High School Navy JROTC from Illinois. A senior, Thompson was primed to win the event after suffering a bad cold at last year's JROTC Nationals and landing just short of victory in the second place spot.

This year, Thompson secured a comfortable lead early in the competition and maintained her confidence throughout – claiming the championship title by a margin of more than 20

points above her competitors.

"I just tried to make it fun, make it strong – I came back prepared," she added. "I finished pretty well, in my average, and that's all I can ask for my senior year. So, I think it went really well."

"And I wasn't sick this year," she said with a laugh. "I was deathly ill last year, so I made sure that I came in healthy."

After Day 2 finals were completed, and the announcement of Gibson's record-setting per-

On top of winning JROTC Nationals, Taylor Gibson (left) and Emma Thompson (right) also both won the American Legion National Championship in 2016.

Santa Fe High School from New Mexico overtook the sporter team competition.

Granbury High School from Texas came out on top of the precision team match.

The top three individuals in sporter (above) and precision (below) were honored at the awards banquet. CMP provided cash prizes to the top individuals.

formance was made, a gleeful Thompson ran across the range to congratulate her friend on her win with a tight embrace. The two accomplished competitors have become close over the last three years, even competing together and winning the American Legion National Championship in 2016 in their respective classes. For their win, both girls had the opportunity to attend the American Legion's National Convention in Cincinnati that same year.

"She's amazing. I love this girl," said Thompson with a beaming smile. "I'll definitely track her down and keep up with her."

In the future, Thompson plans to attend the University of Illinois to study aerospace engineering under a Navy ROTC scholarship.

Earning second place in the sporter competition was Elijah Kalinski, 15, of Cibola High School from New Mexico, with a score of 1198.2. Jesseca Montcrieff, 17, of Oviedo High School from Florida overtook the third place position by only 0.7 points – recording a score of 197.7.

Following behind Gibson in the precision class was Philip Becker, 16, of The Woodlands College Park High School from Texas, with a score of 1281.2. Allison Henry, 16, of Granbury High School from Texas, rounded out the Top 3 places, falling just short of Becker with a score of 1279.5 for third.

Winning teams of the event included:

Sporter:

1. Santa Fe High School, NM – 4386-156x – Winning members Dominick Cordova, Bianey Nunez, Gabe Gonzales, Angelica Segovia; Team coach, Master Chief Dale Mayes, USN

2. Jack C. Hays, TX – 4368-131x

3. Oviedo High School, FL – 4349-125x

Precision:

1. Granbury High School, TX – 4689-312x – Winning members Makenzie Sheffield, Allison Henry, Kelcy McGrath, Trinity Hathaway; Team coach, LtCol Scott Casey, USMC

2. Eldorado High School, NM – 4666-294x

3. East Coweta High School, GA – 4636-264x

Placing teams earned monetary awards

from the CMP for their outstanding performances – \$500 for fifth, \$750 for fourth, \$1,000 for third, \$1,500 for second and \$2,000 for first. In addition, Larry and Brenda Potterfield, co-founders of the MidwayUSA Corporation, provided generous fund donations to winning teams of the JROTC Championships to be placed in each team's endowment account with the MidwayUSA Foundation.

The CMP, guests and competitors were fortunate enough to be able to personally show their gratitude to the Potterfields at this year's National event, with both Larry and Brenda attending Day 1 and even passing out medals to the day's finals winners. Thank you, Mr. and Mrs. Potterfield and the MidwayUSA Foundation, for all of your continuing efforts towards supporting and advancing youth marksmanship.

Along with talented juniors taking home overall wins in the competition, over 35 Junior Dis-

tinguished Air Rifle Badges were awarded at the awards banquet, held this year at Kalahari in Sandusky. Of those, 17 had earned their badges while competing in the National Championship.

The CMP was proud to exhibit the talent and efforts of each junior participating in the JROTC Air Rifle Championships. Congratulations to all, and we look forward to next year! About the JROTC National Air Rifle Championship:

The road to the JROTC National Championship begins with the JROTC Postal Competition in October, with qualifying teams and individuals moving on to the Regional Service Champion-

ships in February at Camp Perry, Ohio; Anniston, Ala.; and a western location.

The National Championship is a two-day competition that follows the same format as the Postal and Regional matches, where competitors fire in three positions – prone, standing and kneeling. During Nationals only, the Top 8 competitors of the day from the precision class and the Top 8 from the sporter class then compete in a 10-shot final, vying for daily gold, silver and bronze medals.

Aggregate scores of each athlete from each day of competition (plus finals) are then combined to determine the overall best junior marksmen in the country amongst all four military branches.

For more information on the JROTC Championships, visit <http://thecmp.org/air/jrotc-air-rifle-national-championship/>.

Distinguished Junior Air Rifle Badges were awarded Saturday evening to the newest distinguished juniors. A total of 30 points must be awarded in order for the badge to be awarded.

SPECIAL THANKS

In 2018, Larry and Brenda Potterfield, co-founders of the MidwayUSA Corporation, again provided generous donations for this Championship. Funds will be distributed to winning teams of the JROTC Championships and will be placed in each of their endowment accounts with the MidwayUSA Foundation. The MidwayUSA Foundation is a 501c(3) public charity that helps communities and organizations raise funds to support youth shooting teams and activities. The Foundation is an endowment which helps fund team expenses today and into the future.
