2019 JROTC NATIONAL AIR RIFLE CHAMPIONSHIP

Letter of Thank You

On behalf of the Civilian Marksmanship Program, we would like to thank you for participating in this year's JROTC National Air Rifle Championship. The competition series began with the JROTC Postal Match in October 2018, where 7,409 cadets fired on official record targets at their home ranges that were then sent to be reviewed at CMP headquarters. Top-scoring cadets in the Postal Match earned trips to one of the three Regional Service Championships – held in Ohio, Alabama and Arizona in February 2019. Of the 873 qualifying teams and individuals from the Service Championships, 225 were selected to compete in the National JROTC Air Rifle Championship in March in Anniston, Ala.

The JROTC National Air Rifle Championship is sponsored and conducted by the Civilian Marksmanship Program in cooperation with the Army, Marine Corps, Navy and Air Force JROTC Commands.

CMP would like to congratulate each cadet for qualifying for the National JROTC Air Rifle Championship. It is a great honor to host such a prestigious event, and the CMP would like to extend our thanks to the coaches, volunteers, chaperones and parents for devoting their time and energy to the juniors involved in the competition.

A special thanks also goes to Daisy, an award sponsor for the National JROTC Championship. For winning the sporter team competition, Nation Ford High School Marine Corps JROTC from South Carolina received a Daisy M599 Competition Air Rifle.

Additionally, we would like to thank the MidwayUSA Foundation for providing endowments to leading competitors in junior air gun and highpower competitions throughout the year. Along with MidwayUSA, the CMP offers additional thousands of dollars over the course of the year to three-position competitions as well as other air gun open matches for juniors and adults – continuing its support of marksmanship for the current generation and the future.

Congratulations to all of our hard working athletes, and we look forward to the start of our next JROTC Postal Match later this year.

Granbury High School Recaptures Precision Title at 2019 JROTC National Air Rifle Championship

By Ashley Brugnone, CMP Writer

Defending champions, Granbury High School, reclaimed their title in 2019.

ANNISTON, Ala. – Defending National Champions, the Granbury High School Marine Corps JROTC program athletes, arrived at the 2019 JROTC National Three-Position Championship, March 21-23, ready to reclaim their roles at the top of the podium. That's exactly what they did, and more, as they brought home not only team awards, but also individual wins in the precision class.

Makenzie Sheffield earned first place overall in the precision competition.

The two-day scholastic competition, held at the Civilian Marksmanship Program's (CMP) South Competition Center in Alabama, hosts both precision and sporter class high school athletes in the three-position event. Each day consists of a qualifying match, followed by a finals event for the Top 8 highest scoring athletes of the day. Overall winners are determined from scores collected from both days.

Team member Makenzie Sheffield, 18, helped lead the Granbury, Texas, natives by earning first place in the overall precision individual competition, with a score of 1287.2. Sheffield led the precision class both days of the two-day competition after coming out on top of the eight-competitor final held at the conclusion of each day.

Only one-point shy of Sheffield's overall score was teammate Philip Becker, 17, who accumulated a score of 1286.35 over the course of the weekend. Last year's National Champion, Taylor Gibson, 18, of North Salem High School's Army JROTC in Oregon, earned the third place with a score of 1282.65 in the precision match.

With half of its members earning podium spots and the other half (Clarissa Layland and Elizabeth Plecity) landing in the Top 15 overall, Granbury High School took home the overall team competition for the second consecutive year, with a score of 4704-324x.

Earning second was Joshua High School Navy JROTC, also of Texas, with a score of 4672-295x, followed by Granbury Team 2, which earned third with a score of 4635-276x.

Joshua High School also set a Navy JROTC National Team record, with their score of 2335-151x. Member Grace Sharp, 17, who finished fifth overall, set a new Navy JROTC National Record for her finals performance on Day 1 of the precision match, with a score of 104.8.

Philip Becker earned second in the precision competition.

In the sporter event, Jaden-Ann Fraser, 16, of Volunteer High School Navy JROTC in Tennessee, overtook the individual competition by just one point, with a score of 1222.35. Kayla Kalenza, 15, of Nation Ford High School Marine Corps JROTC in South Carolina, followed in second with a score of 1221.15, as Andrew Larson, 18, of Jack C. Hays Red Marine Corps JROTC in Texas, with a score of 1206.85.

Fraser clinched the competition after claiming the Day 1 final and finishing just behind Kalenza in second on Day 2.

Jaden-Ann Fraser claimed the overall spot in the sporter individual match.

Joshua High School members reached a new Navy National Record during their performances.

Kalenza's Nation Ford High School team, along with members, Deonte Hayes, Nick Noto and Sarah Leininger, led as the overall sporter team with a score of 4437-155x. Santa Fe Navy JROTC landed in second, with a score of 4377-144x, with Zion Benton Navy JROTC of Illinois earning third.

Placing teams earned monetary awards from the CMP for their outstanding performances – \$500 for fifth, \$750 for fourth, \$1,000 for third,

\$1,500 for second and \$2,000 for first. The Top 5 individuals also earned money for placing in the competition: \$100 for fifth, \$200 for fourth, \$300 for third, \$400 for second and \$500 for first.

The CMP was proud to exhibit the talent and efforts of each junior participating in the JROTC Air Rifle Championships. Congratulations to all, and we look forward to next year!

About the JROTC National Air Rifle Championship:

The road to the JROTC National Championship begins with the JROTC Postal Competition in October, with qualifying teams and individuals moving on to the Regional Service Championships in February at Camp Perry, Ohio; Anniston, Ala.; and a western location.

Kayla Kalenza finished in second in the sporter match.

Leading the sporter teams was Nation Ford High School, followed by Santa Fe and Zion Benton High School.

The National Championship is a two-day competition that follows the same format as the Postal and Regional matches, where competitors fire in three positions – prone, standing and kneeling. During Nationals only, the Top 8 competitors of the day from the precision class and the Top 8 from the sporter class then compete in a 10-shot final, vying for daily gold, silver and bronze medals.

Aggregate scores of each athlete from each day of competition (plus finals) are then combined to determine the overall best junior marksmen in the country amongst all four military branches.

For more information on the JROTC Championships, visit <http://thecmp.org/air/jrotc-air-rifle-national-championship/>.

Andrew Larson filled the third place position in the sporter event.

Last year's champ, Taylor Gibson, landed in third in the precision event.

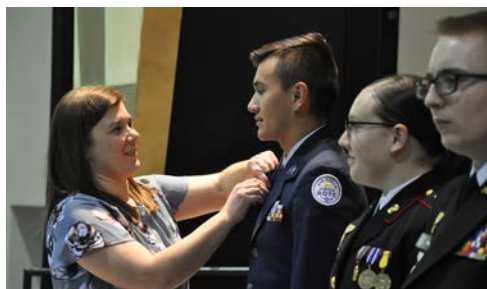

Juniors were awarded their Junior Distinguished Air Rifle Badge on stage during the 2019 JROTC National Air Rifle Championship Awards Banquet.
