

Talladega HighPower 2800 Point Regional

25-28 May 2017

**4387 Turner Mill Road
Talladega, Alabama
256-474-4408**

The Civilian Marksmanship Program (CMP) Talladega Marksmanship Park invites you to participate in its **Talladega High Power Regional Match** on Thursday-Sunday, 25-28 May 2017. This match is open to the public; new or experience shooters are welcome. This Regional match offers a 800 aggregate, two 1000 point aggregates and a 2-person team match.

CMP TALLADEGA MARKSMANSHIP PARK:

The CMP began planning construction of the new Talladega Marksmanship Park in 2012 and completed the installation of electronic targets on the range in 2015. The Park has a 13,000 sq. foot Club House with classrooms, offices, and ADA compliant restrooms. Containing over 500 acres of the finest public facilities in the nation,

competition and practice take place on state of the art electronic targets that allow participants and spectators to view groups and scoring via electronic monitors. Sporting clays, 5-stand, and trap are shot using swipe card technology – utilizing fully automated trap machines.

KONGSBERG ELECTRONIC TARGETS:

All firing will be completed on Kongsberg Electronic Targets (KTS). The KTS system, installed at each 200, 300, and 600 yard line registers each shot and relays the location and score value to a monitor beside each shooter on the firing line. The targets down range will raise and lower for the desired distance from behind the firing line. All target operations, including final scoring, will be controlled from a range center command booth.

SAFETY RULES:

The use of ECI's (Empty Chamber Indicators) in all rifle and pistols is required at the CMP Talladega Marksmanship Park. The ECI is a brightly colored safety flag that is inserted into the chamber of the firearm. ECI's provide visual confirmation that firearms are unloaded. ECI's must be inserted after rifles are uncased and when not firing or in preparation period. ECI's will be available on the range for those that do not have them.

Range Safety Briefing-

A CMP range safety card is mandatory to fire on the CMP Talladega range. Range safety cards are received after taking the safety class at the CMP Park Club House. Classes will be held every morning before the relays begin firing.

AWARDS:

The winner of the 2800 Point aggregate will be our Regional Champion and awarded the Regional Medallion. A Portion of the entry fees will be distributed back as cash prizes for each match.

SANCTIONING & RULES:

This match is an NRA registered Regional Match.

Service and Match rifles are allowed.

The competition will be governed in accordance with NRA High Power Rules and CMP COMPETITION RULES FOR SERVICE RIFLE AND PISTOL 20th Edition - 2016.

Copies of the rules may be downloaded from the CMP website at

<http://thecmp.org/competitions/cmp-competitions-rulebooks/>"

The Civilian Marksmanship Programs rules for firing on electronic targets can be downloaded <http://thecmp.org/wp-content/uploads/ESTScoringRules.pdf>

SQUADDING:

For each relay, 50 targets will be used. There will be two relays for these matches, with the exception of the team match. The first relay will fire while the second relay verifies scores, and then the relays will switch.

SCORE POSTING:

All scores fired will be displayed in the CMP Competitor Tracker results system at www.thecmp.org as soon as the electronic targets score them. Scores and competitor rankings will be displayed in the Club House throughout the competition. Preliminary and final printed results bulletins will be posted in the Club House.
