This match is open to the public; new or experience shooters are welcome. This CMP Regional Cup Match offers three 1000 Point aggregates, a 2-person team and an EIC Rifle match.

CMP TALLADEGA MARKSMANSHIP PARK:

The CMP began planning construction of the new Talladega Marksmanship Park in 2012 and completed the installation of electronic targets on the range in 2015. The Park has a 13,000 sq. foot Club House with classrooms, offices, and ADA compliant

restrooms. Containing over 500 acres of the finest public facilities in the nation, competition and practice take place on state of the art electronic targets that allow participants and spectators to view groups and scoring via electronic monitors. Sporting clays, 5-stand, and trap are shot using swipe card technology – utilizing fully automated trap machines.

SAFETY RULES:

The use of ECI's (Empty Chamber Indicators) in all rifle and pistols is required at the CMP Talladega Marksmanship Park. ECI's must be inserted after rifles are uncased and when not firing or in preparation period. ECI's will be available on the range for those that do not have them.

Range Safety Briefing-

A CMP range safety card is mandatory to fire on the CMP Talladega range. Range safety cards are received after taking the safety class at the CMP Park Club House. Classes will be held every morning before the relays begin firing.
