

# 2019 Dixie Doubles

## International Air Rifle & Pistol Competition and Clinic

Anniston, Alabama  
1-3 November 2019  
Sanctioned by USA Shooting

The Civilian Marksmanship Program (CMP) invites you to participate in its 11th annual **Dixie Doubles**. This match offers 60-shot international air rifle standing and 60-shot air pistol events for open men and women and junior men and women. A Target Sprint event will be held after the final on Saturday afternoon, 2 November. The match is a two-day event where competitors will fire one 60-shot event on each of two days, 2 & 3 November 2019.

### CMP COMPETITION CENTER SOUTH:

The CMP constructed the Anniston Competition Center in 2008 and completed the installation of electronic targets on the range in 2009. The Center has a common area with classrooms, offices and ADA compliant restrooms. The facility features a 20,000 sq. foot state-of-the-art air gun range. The Competition Center has 80 firing points, all equipped with CMP/KTS electronic targets. All shots are instantly displayed on monitors beside each shooter and on display screens visible to

spectators in the center area of the range. All firing is controlled by a computer operations center in the middle of the range.

### **EVENTS/COURSES OF FIRE:**

Air Rifle Standing – The air rifle event is a two-day event open to competitors of all ages. Competitors will fire two 60 shot standing courses of fire on each of two days in accordance with USA Shooting rules. There will be concurrent open and junior finals each day. Juniors are eligible to make both the open and the junior finals; juniors who do so will have their scores count for awards in both categories. There is a limit of 75 shooters for this competition.

Air Pistol – The air pistol event is a two-day event open to competitors of all ages. Competitors will fire two 60 shots precision air pistol courses of fire on each of two days in accordance with USA Shooting rules. There will be concurrent open and junior finals each day. Juniors are eligible to make both the open and the junior finals; juniors who do will have their scores count for awards in both categories. There is a limit of 75 shooters for this competition.

Team Events – There will be two-person team events in both air pistol and air rifle. Teams are created with one Open competitor paired with one Junior. Teams must be assigned at check-in, before the start of competition.

Target Sprint – On Saturday 2 November 2019, there will be a Target Sprint event. The Target Sprint will take place after the final on Saturday and will last about one hour. The first, second and third place finishers will receive awards. Those who wish to participate in the event are asked to email Matt Carroll regarding their intent to attend [mcarroll@thecmp.org](mailto:mcarroll@thecmp.org). There will be a \$10 entry fee for this event.

## **SANCTIONING & RULES:**

The 2019 Dixie Double is sanctioned by USA Shooting, the U. S. Olympic shooting governing body, as a sanctioned preliminary tryout (PTO). Scores from this match will be used for PSA (Performance Standard Average) and PSI (Performance Standard Individual) qualifying. Competitors in this match need to be members of USA Shooting. The competition will be governed by **USA Shooting Rules**. Copies of the rules may be downloaded from the USA Shooting website at <http://www.usashooting.com/rulebook.php>.

## **SQUADDING:**

Please indicate on your registration the relay on which you would *prefer* to fire. We will try to honor squadding requests, but relays will be filled in order that entries are received. Squadding will be reversed for Sunday's match: The 1<sup>st</sup> relay on Saturday will shoot second on Sunday. Squadding be posted on-line for all entries received by Thursday, 24 October. Any entries received after that time will be given their squadding after they register or when they check in at the match.

## **CLEAR BARREL INDICATORS (CBI):**

The use of CBI's in all air rifles and pistols is required at CMP Marksmanship Centers. The CBI is a length of brightly colored string trimmer line that is inserted through the bore and that is sufficiently long for both ends to protrude from the muzzle and breech. CBI's provide visual confirmation that air guns are unloaded. CBI's must be inserted after rifles are uncased and when not firing or in preparation period. CBI's will be available on the range for those that do not have them.
