

CMP Approved Service Pistols with Cartridge Specifications

This chart is the official, updated version of Table 3 that is found in the ***CMP Highpower Rifle and Pistol Competition Rules***. Pistols listed in this chart that comply with the required chambering specifications may be fired in CMP sanctioned Service Pistol EIC and National Trophy Matches.

Update: 3 April 2018

	PPX	9mm/.40S&W

Pistol Approval Procedure. The CMP will maintain a current list of CMP Approved Service Pistols on its website at <http://thecmp.org/competitions/cmp-pistol-program/>. If a pistol is not listed in Rule 4.2 or on the CMP Approved Service Pistols list as an Approved Service Pistol and it appears to fulfill the requirements of Rule 4.2, a request may be submitted to CMP Competitions (competitions@thecmp.org) for the CMP to consider approving the pistol and adding it to the current list.
