

CMP Approved Service Pistols with Cartridge and Barrel Length Specifications

This chart is the official, updated version of Table 3 that is found in the ***CMP Highpower Rifle and Pistol Competition Rules***. Pistols listed in this chart that comply with the required chambering and barrel length specifications may be fired in CMP sanctioned Service Pistol EIC and National Trophy Matches.

Update: 4 January 2017

	PPX	9mm/.40S&W

Pistol Approval Procedure. The CMP will maintain a current list of CMP Approved Service Pistols on its website at <http://thecmp.org/competitions/cmp-pistol-program/>. If a pistol is not listed in Rule 6.2.3 or 6.2.4 or on the CMP Approved Service Pistols list as an Approved Service Pistol and it appears to fulfill the requirements of Rule 6.2, a request may be submitted to CMP Competitions (competitions@thecmp.org) for the CMP to consider approving the pistol and adding it to the current list.
