**4. Personal Information (married, children, hobbies, interests):**

Gregg and Diane have been married for 24 years. They have three children all of whom have participated in precision rifle competition. Gregg began coaching 11 years ago when their oldest son began in 4-H.

- 5. Reasons for Becoming a State Director:** Gregg and Diane became State Directors as they had already been doing the work of expanding youth programs and emphasizing safety. It was a natural outgrowth of their work.
- 6. Goals/Hopes for the Future of Junior Shooting in your State:** We would like to see competition programs in schools to expand 50% by 2025. Our focus is the schools because it allows for youth to compete and receive recognition with their classmates as that is where they want to compete. National data suggests that participation in the “big sports” is declining and cottage industry sports are replacing the big sports for young athletes. We would also like safety programs to begin in daycare centers and expand to all elementary schools.
