- 6. Reasons for Becoming a State Director:** Initially I saw the vacancy and where no one appeared to pursue it. Found it to be a very great opportunity to create a solid foundation in Louisiana in first organizing a Louisiana State Air Rifle Championship and second creating a competitive environment where we can send our high school competitor athletes to the new level in the shooting sports.

- 7. Goals/Hopes for the Future of Junior Shooting in your State:** Working very closely with MAJ Joe Nobles from North Caddo High School in creating a Northwest Louisiana Air Rifle league. Hope to host in the near future EIC Air Rifle matches at our facility. Expand into precision shooting and possibly working with the local 4-H teams on expanding into small bore. Would love to see future National Champions and beyond coming from Louisiana!
