

Bama Marksmen F-Class Match Program MARCH 11

Sanctioning Rules

NRA High Power F-Class rules and the CMP electronic target competition rules will apply.

Squadding

For each relay 20 targets will be used. F-Class target faces will be employed. There will be two relays for these matches. While the first relay is firing, the second relay will verify scores and then the relays will switch.

Score Posting

All scores will be displayed in the CMP Competition Tracker results system at www.thecmp.org as soon as the electronic targets score them.

Course of fire

Twenty shots for record at 300 yards and forty shots for record at 600 yards. There will be a five minute period unlimited sighter period prior to the 300 yard course of fire and prior to the first 20 shot string at 600 yards. The second string of fire will provide for 2 sighter shots during the 20 minute shot for record time period.

KTS Target system

All firing will be scored by the KTS target system. F-Class target faces will be used.

Safety Rules

CMP range safety rules will apply. Empty Chamber Indicators will be used. All competitors must have a CMP range safety card. There will be a safety briefing for prior to the match for those that do not currently possess a current range safety card.

Registration

Range fees, \$50

Pre-registration CMP-Online
