- 2. State Affiliation:** New Hampshire (NH)
- 3. Background/resume in the sport of shooting/marksmanship:** Started as a junior smallbore shooter, continuing with the Naval Academy/NCAA. Spent the next 15 years shooting slightly larger guns (20mm) as a Navy FA-18 driver, returning to Service Rifle and Service Pistol as the Officer-in-Charge (OIC) of the Navy Marksmanship Team. - 5. Personal Information (married, children, hobbies, interests):** Systems Engineer with BAE Systems, and enjoy working on a farm older than our country (1740). Married with 3 daughters (God's revenge on a misspent youth).

**6. Reasons for Becoming a State Director:** Desire to return to the shooting sports a small portion of the discipline, pleasure and meditation that it has brought me.

**7. Goals/Hopes for the Future of Junior Shooting in your State:** Re-establish a strong feeder program for people committed to a lifetime of shooting enjoyment, whether it be competition or recreational shooting. Engage High School, College and adult shooting communities to foster an appreciation for marksmanship and a desire to share that experience with everyone they encounter.
