

CMP Petrarca Monthly .22 Bench League

Camp Perry, Ohio

The Petrarca Monthly .22 Bench League is a new match at Camp Perry, Ohio. This league is a .22 rimfire match shot each week, designed for all shooters, young, old, and in between. The shooter will shoot 30 shots, plus sighters, with their .22 rimfire rifle from a bench at an electronic 200yd reduced target 100yds away.

Petrarca Range

Petrarca Range is the outdoor covered range located on the north east side of Camp Perry. The range has 10 firing points, each equipped with electronic targets. All shots are instantly displayed on monitors beside each shooter. The range is open 10:00am-6:00pm each Monday, except for certain Mondays (i.e. holidays). See attached calendar to verify the range is open.

Schedule

The shooter will come into the range, when it is open, on their own time and shoot at their pace. There is an unlimited amount of sighting shots. The shooter will notify the range officer when they would like to shoot their record shots. Shooters will notify the RO upon completion of their match. The range shuts down at 6:00pm. All firing must be completed before then.

Registration

Athletes can register when they walk in the door. The match is \$5 in addition to normal range fees. This match may be shot once each week per shooter. Score cards will be filled out upon the completion of firing their match and turned in to the CRO. Scores can be followed at <u>https://ct.thecmp.org/app/v1/index.php</u>. League results will be updated each week.

Forms

Affidavits and Parental Consent Forms will be available to sign at the range upon arrival.

Awards

1st, 2nd, and 3rd place medals will be awarded at the end of each month.

What to Bring

Any .22 rimfire rifle in safe, working order and ammunition

(See rule 3.4.1 in CMP Games and Rifle Pistol Competition Rules)

Eye and ear protection.

Bring own shooting equipment.

Bench and supports are provided.

Dress appropriately for a gun range and weather conditions.
