- 5. Reasons for Becoming a State Director:**

I became a State Director because I wanted to further my involvement with junior shooting – I wanted to learn more about coaching and the junior programs. Ultimately, I'd like to improve

junior shooting opportunities in my state and encourage these competitors to pursue national competition.

6. Goals/Hopes for the Future of Junior Shooting in your State:

My goal is to get more kids involved at a competitive level, whether it's "fun" or "serious." I'd also like to help build more opportunities for shooting and bring shooting back to the mainstream – where everyone wants to learn to shoot.

Nothing is more rewarding than working with kids and teaching them – not just to shoot safely, but the values of shooting – and to be a part of a program whose mission is to accomplish that in this day and age is remarkable!
