On 10 July 2006, National Match competitors, officials, staff, volunteers and visitors gathered on Rodriguez Range for the Annual First Shot Ceremony. The First Shot Ceremony is the traditional opening for the National Matches. Lieutenant General H Steven Blum, the Chief of the National Guard Bureau, had the honor of being the 2006 First Shot Speaker.

The 2006 National Matches is the 87th in an historic series of National Matches whose proud heritage looks back to the NRA "Annual Matches" that began in 1873, to the U. S. Government's creation of the "National Matches" in 1903, to the estab-

lishment of Camp Perry as the home of the National Matches in 1907, to countless champions who walked Camp Perry's hallowed ground and to tens of thousands who treasure their Camp Perry experiences.

A native of Maryland, Lieutenant General H Steven Blum currently serves as the Bureau's 25th Chief. As Chief, he is the senior uniformed National Guard officer responsible for policies, programs and plans affecting more than one-half million Army and Air National Guard personnel throughout the United States. He was appointed by President George W. Bush in January 2003, and confirmed by the U.S. Senate in April 2003. He has been a Special Forces officer throughout his career, and has commanded at every level since taking charge of a detachment in the Maryland Army National Guard's 20th Special Forces in November 1977. As NGB Chief, he serves as the Army's and Air Force's official channel of communication with the Governors and Adjutants General. Prior to his current assignment, General Blum served as Chief of Staff, United States Northern Command.

The Speakers Party for the ceremony included Major General Greg Wayt, the Adjutant General of Ohio, representing the Ohio National Guard, host of the National Matches; Ms. Judith Legerski, the Vice Chair of the CMP Board of Directors, representing the Civilian Marksmanship Program; and Mr. John Sigler, the First Vice President of the NRA, representing the National Rifle Association of America. The Honorable Chris Redfern, Member, Ohio State House of Representatives, District 80; the Honorable Robert Latta, Member, Ohio State House of Representatives, District 6, and the First Shot Speaker in 1998; Mr. Dennis Fligor, representing U. S. Senator George Voinovich; Ms. Stacey Oliver, representing U. S. Senator Mike DeWine and many other Distinguished Guests attended the Ceremony.

During the opening ceremony, General Blum emphasized how vital marksmanship is in today's fight against terrorism. He credited skilled marksmen with being one of the reasons Americans have preserved their freedom. He said the 4th of July should never be taken for granted and that we must earn the privilege of celebrating that holiday every year. General Blum thanked each of the services for their dedication, devotion and sacrifice to protect our country. Also, he thanked the many youth who were present at the ceremony for their involvement in the National Matches and noted how they are the future of the Matches and the leaders who must preserve our country's freedoms in the future.

LTG Blum posed with each of the military teams present. LTG Blum is pictured here with the USMC Pistol Team.

The color guard for the First Shot Ceremony was the NJROTC Color Guard from Admiral King High School in Lorain, OH. Beth Daniels, of Toledo, Ohio, sang the National Anthem. She frequently sings the National Anthem before Toledo Mudhens and Toledo Storm games.

LTG Blum shot the traditional First Shot with an M1 Garand. The M1 Garand was the single most significant small arms development in the history of modern warfare during WWII. After the target that was 500 yards downrange exploded, General Blum posed for pictures with each of the military teams that were in attendance. The 2006 National Matches were officially opened and results from the new M9 EIC match posted on the CMP web site at <http://clubs.odcmp.com/ntpistol>. The President's Pistol Match, National Trophy Individual Pistol Match and National Trophy Pistol Team Match took place on Sunday, 16 July. An awards ceremony followed the day's matches beginning at 5:00 p.m.

# National Trophy Rifle and Pistol Matches

*The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.*

# Viale Range Project Comes Full Circle

By Sommer Wood, CMP Writer/Editor

BG (Ret) Charles R. Viale, son of 2nd Lt. Robert Viale, was the guest of honor at the Rededication Ceremony and fired the first shot on the rebuilt range.

On 29 July 2006 a Viale Range Rededication Ceremony took place to mark the conclusion of a nine month renovation project that yielded a complete reconstruction of the range's berm and pits. The day not only marked the reopening of Camp Perry's renowned Viale Range, but it was also an opportunity to honor 2nd Lt. Robert M. Viale, a World War II hero for whom the range is named. 2nd Lt. Viale was posthumously awarded the Congressional Medal of Honor during WWII. He received this distinction for a series of heroic actions that culminated when he jumped on a live grenade to save the lives of five of his men. His act of extraordinary bravery was captured in a drawing by Jess Cauthorn who served under 2nd Lt. Viale in WWII. Cauthorn's artwork was included in the program for the event.

In attendance for the rededication ceremony was 2nd Lt. Viale's son, Brigadier General Charles R. Viale (USA, Ret.), who made brief remarks and fired a ceremonial first shot on the rebuilt range. Speakers at the event included COL James Chisman, Camp Perry Commander, Chaplin (MAJ) Don Zapsic; Christie Sewell, CMP Competitions and Affiliations Manager; Mike Krei, Deputy Director, NRA Competitions; and BG Matthew Kambic, Assistant Adjutant General for Army, OHARNG.

Construction began on the Viale Range Project last September with the dismantling of the 100-year-old berm and pits. Through the winter and spring, construction crews worked to rebuild the berm and install new target carriers in the pits. With the National Matches looming, crews pushed to stay on schedule and the mild winter at Camp Perry certainly helped keep everything on track. Another improvement to the range was the addition of a new road on the west side of the range that provides an additional access route to the pits.

Artwork by Jess Cauthorn who served under 2nd Lt. Robert Viale in WWII which depicts 2nd Lt. Viale's heroic act that saved the lives of five of his men. 2nd Lt. Viale was awarded the Congressional Medal of Honor Posthumously.

The ceremony marked the beginning of the National Matches highpower phase, with the EIC M16 Match being the first event held on the reconstructed range. For photos of the reconstruction project visit [http://www.odcmp.com/Photos/05/Viale\\_Range/index.htm](http://www.odcmp.com/Photos/05/Viale_Range/index.htm), for photos of the completed pits and Rededication Ceremony visit [http://www.odcmp.com/Photos/06/Viale\\_Range/index.htm](http://www.odcmp.com/Photos/06/Viale_Range/index.htm).

The reconstructed Viale Pits got plenty of use during highpower week at the National Matches. The hundred year old pits were completely rebuilt and new target frames were installed.

# An Evening of Honor

By Sommer Wood, CMP Writer/Editor

The National Matches Rifle Awards Ceremony is an opportunity for competitors to come together and celebrate a week of excellence. This year, 49 Distinguished Rifleman's Badges were awarded on stage with several of those shooters earning their last EIC points in the 2006 National Matches. This was the first year that shooters who 'legged out' at the Nationals were able to be recognized on stage that same week. Also, 39 separate awards were presented throughout the night by several distinguished guests.

Awards were presented for each of the National Rifle Matches and for different categories within each match. Several of the most distinguished awards were those given to shooters selected to the National Junior and Civilian Teams, and the overall aggregate champions in the Junior and Open categories.

Each year the National Civilian Team is comprised of the six civilian competitors who fire the highest individual scores in the National Trophy Rifle Team Match. The captain and coach of the highest-scoring civilian team are the team coach and captain. All eight members receive the Elihu Root Medals. Members of the 2006 National Civilian Team are Stanton Noon of Lockport, NY, Konrad Powers of Carol Stream, IL, Shawn McKenna of La Habra, CA, Paul Kerr of Lakemore, OH, Robert Taylor II of Sonora, CA and John Holliger of Carlock, IL. The team coach is William Gelet and the team captain is David Little, both from the Pennsylvania Rifle and Pistol Association.

The Col. Bill Deneke Trophy recognizes six of the most outstanding junior shooters at the National Rifle Matches. The shooters are comprised to create the National Junior Rifle Team using their aggregate scores from the President's Match, the National Trophy Individual Match and the Whistler Boy Team Match. The captain and coach of the highest-scoring Whistler Boy team are selected as coach and captain for the National Junior Rifle Team. The 2006 National Junior Rifle Team are Julie Cogshall of Meriden, CT, Kevin Trickett of Woburn, MA, Evan Hess of Mount Pleasant, TX, Brian Mann of Prospect, KY, Christopher Atkins of Brunswick, GA and Amanda Elsenboss of Woodbury, CT. This year's National Junior Rifle Team coach and captain are Bradford Palmer and Peter Mathewson of the Connecticut Palmer Whistler Boy Team.

Cogshall and fellow junior Kelly Hoeltschi each received National Match Triggers which were donated by Geisselle Automatics LLC. Each of these juniors posted the high junior score in the National Trophy Individual and President's 100 Matches respectively.

The Mountain Man Trophy is awarded to the competitor with the highest overall aggregate in the President's, National Trophy Individual and National Trophy Team Matches. It is a difficult honor to obtain and requires excellence throughout the National Matches. The 2006 winner of the Mountain Man Trophy is SFC Lance Hopper USA with a score of 1279-45X. As a special reward for his accomplishment SFC Hopper was awarded a Bushmaster DCM competition rifle compliments of Bushmaster Firearms.

The junior shooter who displayed the highest level of excellence all week long was Julie Cogshall of Meriden, CT. Cogshall posted the highest overall score in the Deneke Trophy Competition with a 1258-26X. For her accomplishments she was presented a Compass Lake AR15-type match rifle with a Krieger barrel, donated by Compass Lake Engineering.

Also presented rifles were SFC Lance Dement USA and SPC Brandon Green USA. SFC Dement won the President's 100 Rifle Match with a 296-9X and for his accomplishment was awarded a presentation M1 rifle which was gunsmithed and finished by Phil Arrington of Arrington Accuracy Works. He will also receive a letter from President George W. Bush congratulating him on his victory.

SPC Green was awarded an M1 Garand that was gunsmithed and finished by Eric

Pierce of the National Match Armory in Rendon, TX for winning the Daniel Boone Trophy. The Daniel Boone Trophy is awarded to the top competitor in the National Trophy Individual Match. SPC Green shot a 494-17X to claim the victory. To recognize SPC Green's outstanding winning performances at both the 2006 Interservice Matches and National Matches, Brigadier General Dennis Rogers, Deputy Commanding General and Chief of Staff for U.S. Army Accessions Command promoted Green on stage from Specialist to Sergeant. It was a night of honor for now SGT Green and everyone in attendance.

# SFC Lance Dement USA Wins President's Match

By Sommer Wood, CMP Writer/Editor

Temperatures were a scorching 95 degrees with a heat index of 105 degrees by mid-day during the President's Rifle Match. This made for a very difficult day for the 1275 competitors, though scores were still high despite the conditions. Winner of the President's Match was SFC Lance Dement of the Army Marksmanship Unit with a score of 296-9X, two points over Sgt Kelly Wakefield of the U.S. Marine Corps who shot a 294 with an impressive 13X.

This was the first win for SFC Dement in the President's Match though he has been in the top 10 several times, coming as close as second place. "This match makes me the most nervous. I have gone to the 600 line twice in the lead and once tied for the lead, but have never won," said SFC Dement. This time Dement was not the leader going into the last stage; in fact he was tied for third. It was not until the fifth and final relay of the day was fired that a winner was determined.

Kelly Hoeltschi of Newburgh, NY was the top junior of the Match with a 293-7X, a commanding four point lead over Jordan Whitman's 289-6X. The cut-off for the President's 100 was 285-6X. For complete results visit our web page at <http://clubs.odcmp.com/cgi-bin/ntRifle2006.cgi>, for photos of the event go to [http://www.odcmp.com/Photos/06/Pres\\_Rifle/index.htm](http://www.odcmp.com/Photos/06/Pres_Rifle/index.htm).

SFC Lance Dement USA won the President's 100 Rifle Match with a 296-9X. This was SFC Dement's first win in the President's 100.

# SPC Brandon Green USA Wins National Trophy Individual Rifle Match

By Sommer Wood, CMP Writer/Editor

The heat wave continued at Perry but SPC Brandon Green of the Army Marksman-ship Unit stayed cool as he entered the 600 yard stage with the lead and a chance to win the 2006 National Trophy Individual Rifle Match. CW02 Billy Williamson of the U.S. Marine Corps shot a strong 197-8X at 600 to jump to the top of the leader board, meaning SPC Green had to shoot at least 195-9X to win. The race for the Daniel Boone Trophy went down to the last relay of the match, as SPC Green was the last of those in contention to fire. Showing a remarkable display of toughness, SPC Green shot a 196-4X at 600 to give him a winning total of 494-17X. He edged out CW02 Williamson by one point to win his first NTI Rifle Match. "It went down to the last shot, I knew if I shot a 9 it was over," said SPC Green. The 2006 President's 100 winner, SFC Lance Dement USA, finished the day in seventh.

Julie Coggshall of Meriden, CT received the Golden Eagle Trophy for finishing as the high junior. The junior race was close all day with Coggshall winning on X count over 2004 President's 100 champion, Christopher Atkins of Brunswick, GA. Coggshall

SPC Brandon Green won the National Trophy Individual Match with a score of 494-17X. The Match was decided on the 600 line in the last relay of the day.

shot a 486-12X to Atkins' 486-10X to take the win. The day began with 1281 competitors registered to shoot, but by the end of the day only 1134 competitors remained. A slight breeze brought some relief from the mid-90's temperatures and 105 degree heat index, and was welcomed on the range despite effects on scores. For non-Distinguished competitors the day brought added pressure as they tried to earn coveted "leg" or EIC points that

count towards their Distinguished Rifleman's Badge. Only the top ten percent of non-Distinguished shooters in the Match earn EIC points. The official EIC cut-off score for the 2006 NTI Rifle Match was 469-8X.

## Inaugural Hearst Doubles Match a Hit with Competitors

By Sommer Wood, CMP Writer/Editor

The 2006 National Matches and CMP Games schedule featured several new additions. One of three new events added to this year's program revived a National Trophy that has not been in competition since 2002. The Hearst Trophy was donated to the National Board for the Promotion of Rifle Practice by the newspaperman William Randolph Hearst in 1940. The trophy, which features a 17th century Spanish flintlock with an ornately inlaid stock, was originally awarded to the High ROTC competitor and subsequently to the High Collegiate shooter in the National Trophy Individual Rifle Match. The decision was made to remove it from competition since the latter award essentially served the same purpose as other High Junior awards. This year, the Hearst Trophy was returned to competition when it gave its name to the new Hearst Doubles Match.

The Hearst Doubles Match is a two-person team match that serves as a transitional event between the National Trophy Individual Match and National Trophy Team Match. Each team member fires the 30-shot President's Rifle Match Course, 10 shots standing slow fire at 200 yards, 10 shots prone rapid fire at 300 yards and 10 shots slow fire at 600 yards, all without sighters. Teams pair fired the standing and prone slow fire stages.

The Hearst Doubles Match is broken into two sub-events. One is a Trophy Ranking based on the total of the two 30-shot scores fired by each team member. The Hearst Trophy is awarded to the highest scoring team in the Hearst Doubles Trophy Ranking. The second sub-event is a Handicap Ranking where team member scores receive a handicap based on their individual scores during the preceding two days of matches when the President's and

The Hearst Trophy is making its first appearance in the National Matches since 2002 when it was placed in retirement. The Trophy used to be awarded to the Highest Collegiate Shooter at the Nationals, now it is awarded to the winners of the new Hearst Doubles Match.

the National Trophy Individual Matches were fired. The use of handicaps in sports such as golf, bowling and trap shooting has become hugely popular because they allow competitors not normally in contention a chance to win based on how far over their averages they can perform. The 2006 Hearst Doubles Handicap Ranking was an experiment to begin the process of determining whether handicaps could be used in shooting as a means of encouraging participation and improvement by shooters who are new or limited in the amount of time they can devote to practice and competitions.

The Hearst Trophy winners in the inaugural Hearst Doubles Match were SFC Grant Singley USA and SFC Lance Hopper USA who combined for a score of 592-16X. Just two points back in second place were SPC Ty Cooper USA and SFC Norman Anderson

USA with a 590-22X. Marine Corps shooters CWO2 Billy Ray Williamson and SSgt John Godwin were a close third with 589-22X.

Winners in the Handicap Ranking were Michael Strikmiller, Pearl River, Louisiana, and Gary Schwabe Jr., Covington, Louisiana. The Strikmiller/Schwabe team had a 537-6X raw score, but carried a 79 point handicap to end the Handicap event with a winning 616-6X total. "We had no idea that we had won until some of our friends told us later that evening. It really was a great match for everyone," said Schwabe who attended the Nationals with a group of eight friends from the North Shore of Louisiana.

# Year of the Whistler Girls

*By Sommer Wood, CMP Writer/Editor*

It is known as the Whistler Boy Team Match, but this year the trophy went to the girls of the Connecticut Palmer Team. This is the first time in the history of Whistler Boy Junior Highpower Rifle Trophy competition that both firing members of the winning team were females. Julie Coggshall and Amanda Elsenboss combined to fire an impressive 966-19X under the guidance of team coach Bradford Palmer and team captain Peter Mathewson. They finished with a nine point lead over the Wisconsin Rifle and Pistol Association's Golden Boys who shot a 957-23X for second, and 12 points over third place California Gold who shot a 954-21X.

This was just one of several victories for Coggshall who posted the overall high score in the Whistler Boy Match with 486-9X. She was the High Junior in the National Trophy Individual Match 486-12X. Those scores combined with her 286-5X score that earned a spot in the President's 100 placed Coggshall first in the Col. Bill Deneke Trophy aggregate which combines scores from the Presidents, National Team Trophy and Whistler Boy Team Match to name the six-person National Junior Team. Coggshall's team, Connecticut Palmer, was also the High Junior team in the National Team Trophy Match as well. Coggshall's score of 487-12X was the high junior individual score in that match. Overall, it was a year of dominance for Julie Coggshall and her teammates on the Connecticut junior team.

There were 103 teams entered in the 2006 Whistler Boy Team Match. The top 20 teams received CMP Medallion awards. Complete results can be viewed at [http://clubs.odcmp.com/cgi-bin/report\\_matchResult.cgi?matchID=1409](http://clubs.odcmp.com/cgi-bin/report_matchResult.cgi?matchID=1409); photos from the Match are available at [http://www.odcmp.com/Photos/06/Rifle\\_Whistler\\_Boy/index.htm](http://www.odcmp.com/Photos/06/Rifle_Whistler_Boy/index.htm).

Amanda Elsenboss and Julie Coggshall combined to give Connecticut Palmer the victory in the 2006 Whistler Boy Team Match with a score of 966-19X. They became the first all-female team to win the Whistler Boy Highpower Trophy.

# Marine Corps JROTC Rifle Team Given a Taste of the National Matches

By Sommer Wood, CMP Writer/Editor

MSgt Gerald Lyons knows a thing or two about coaching champions. He has led his Shelby County High School Marine Corps JROTC Rifle Team from Shelbyville, Kentucky to victory in the JROTC National Championship three out of the last four years. That is why it was a special reward when Dr. Bill McHenry, Director of the Marine Corps JROTC Program, invited the Shelby County MCJROTC unit to send a four-member team and an instructor to attend the 2006 National Matches at Camp Perry as a reward for winning this year's JROTC National Championship.

The team traveled to Camp Perry and began the week by attending the Marine Corps Junior Highpower Clinic. Highpower shooting was a whole new experience for these cadets who were shooting outside for the first time. Reading wind, dealing with recoil, learning to shoot sitting, a position they had never fired before, and mastering highpower courses of fire with range and zero changes were all taken in by the cadets as they tried to prepare for their first highpower competition.

The U.S. Marine Corps Rifle Team took the Shelby County cadets under their wing and provided support for them all week. The cadets had all the experiences that new shooters face on their first trip to Camp Perry. "We

MSgt Gerald Lyons and the Shelby County HS MCJROTC were rewarded for winning the JROTC National Championship with a trip to the National Matches at Camp Perry.

made every mistake in the book. We cross-fired, saved rounds, you name it and we did it. We came in with no idea what to expect," said MSgt Lyons.

Even with mistakes, the team had a great time and learned a lot. They enjoyed the National Team Trophy Match the most, despite having to fire out-of-competition because they only had four shooters for a six-person team match. On that same day these JROTC Champions witnessed their mentors, the U.S. Marine Corps Rifle Team, win the National Team Trophy Match while firing a new National Matches Record. Then the following morning the cadets volunteered to pick up brass for the Marine Corps Team as they competed in the National Trophy Infantry Team Match, also known as the "Rattle Battle".

The week ended with a special honor for one of the cadets. Kent Wilcox of Simpsonville, KY was awarded the Junior Distinguished Badge at the awards ceremony held on Saturday at the conclusion of the CMP Matches. Wilcox received Junior Distinguished Badge #122 for his accomplishments in three-position air rifle competitions. His badge was presented by Major General Greg Wayt, the Adjutant General of Ohio.

For the cadets from Shelby County HS MCJROTC and Coach MSgt Lyons it was a memorable week that will certainly be in their minds as they vie for another JROTC

National Air Rifle Championship next year. Considering that Shelby County's entire championship team will return for the upcoming JROTC competition season, and adding to that the lessons they learned while working under the tutelage of the Marine Corps Rifle Team and the competitive experiences they gained from the National Matches, there is certainly a chance another reward trip will be in store for the team next year.

One of the events Shelby County competed in was the Whistler Boy Highpower Match, a two person team event for juniors.

MCJROTC cadet Kent Wilcox was presented Junior Distinguished Badge #122 at the National Matches closing ceremony by MG Greg Wayt. Wilcox earned the Badge for his accomplishments in three-position air rifle competition.

# Marines Set New Record in National Team Trophy Match

By Sommer Wood, CMP Writer/Editor

The U. S. Marine Corps Rifle Team won a narrow 4895-169 to 4892-213 victory over the Army in the Interservice Championship 10-person team match at the end of July when an Army team member had the misfortune of having a double alibi that cost the Army 30 points and the match. This left the USMC Arrieta team, named for team coach MSgt Alexander Arrieta, eager to prove themselves in the National Team Trophy Match that took place ten days later during the National Matches at Camp Perry. They wanted a victory that would prove they were a team capable of winning without the benefit of a lucky break. What they got was a dominating performance that produced the highest six-person team score ever fired in the National Matches and a place in the record books with a new National Trophy Team Match record of 2958-113X.

USAMU Praslick, named for team coach SSG Emil Praslick, finished the day 23 points and 4Xs out of first place with a score of 2935-109X to fall short of a third straight National Team Trophy win for the Army.

The 2006 Matches marked the 103rd anniversary of the National Team Trophy competition. The event is a six person team match, with each firing member shooting the National Match course with no sighters. The shooters pair fire in slow standing and prone, and shoot the rapid fire series one-at-a-time. The coach is especially critical because he must determine all the wind corrections for each of the shooters. The record setting Marine Corps team consisted of team coach MSgt Arrieta, team captain Sgt Kevin Arbogast, SSgt Daniel Duitsman, SSgt

Jason Benedict, GySgt Kevin Marion, CW02 Billy Ray Williamson, SSgt Ryan Benedict, and SSgt John Godwin.

The Dogs of War Trophy that is awarded to the Match winners has been the object of fierce rivalries between the Army, Marine Corps, All-Guard, U.S. Army Reserves and all other active and reserve military teams since the "big team match" was incorporated into the National Matches in 1903. A civilian team has never won the trophy and since 1993, the Army and Marines have dominated, winning the National Team Trophy Match a combined 13 times. The lone exception was a Marine Corps Reserve team victory in 2001.

The Pennsylvania Rifle and Pistol Association pulled off a repeat in a hotly contested Soldier of Marathon Trophy state and club team competition. Pennsylvania won last year's High Civilian title and this year edged out the Ohio Rifle and Pistol Senior Gold Team with a close score of 2898-87X to Ohio's 2897-82X. The Pennsylvania team placed seventh overall behind six military teams. Team members for Pennsylvania were coach William Gelet, team captain David Little, Thomas Rider, Michael LaRuffa, Michael Harpster, James Potter, Ronald Smith and Michael Mohny.

The top Junior team earning the Minuteman Trophy was Connecticut Palmer, designated after team coach Bradford Palmer, the team captain was Katharine Coggsball and firing members were Julie Coggsball, Ryan Castonguay, Neil Sookdeo, Jeffrey Mendyka, Amanda Elsenboss and Steven Joyce. The team finished 16th overall with a score of 2852-60X.

The National Team Trophy Match was introduced into the National Matches in 1903 and is commonly referred to as the 'Dogs of War Trophy', it is a bronze plaque depicting a warrior of ancient times with four dogs of war on leashes. Historically the trophy is won by either the top Army or Marine Corps team.

# Army Wins Close National Infantry Trophy Match

By Sommer Wood, CMP Writer/Editor

Only six points separated the Army and Marine Corps in the hotly contested National Infantry Trophy Match, but in the end it was the Army's score of 1367 that was victorious. USAMU Hopper, named for coach SFC Lance Hopper, consisted of team captain SFC Norman Anderson, SPC Ty Cooper, SPC Brandon Green, SSG Emil Praslick, SFC Grant Singley, SFC Jason St John and SSG Tobie Tomlinson.

The Infantry Trophy Match is often called the "rattle battle" because it involves firing a large amount of ammunition in a short period of time. The six-person teams start with 384 rounds which they distribute among the team members. Teams must engage eight silhouette targets from four different distances beginning with 600 yards prone, continuing in prone they move to the 500 yard line, then move to the 300 yard line for sitting, then the 200 yard line for standing. Teams are only allowed 50 seconds on each yard line to fire as many accurate shots as possible with more points being awarded for hits scored at the farther distances. With the M16/AR15-style rifles, highly skilled Infantry Trophy shooters can fire 40 or more shots per round scoring over 30 hits. Hits at 600 yards count four points, at 500 yards they are worth three points, 300 yards awards two points and 100 yards awards one point. In addition to the score from the number of hits, teams also earn bonus points at each yard line equal to the square number of targets that have six or more hits.

The Army and Marine Corps were neck-and-neck throughout both the Interservice

Teams must plan in advance how they want to approach the Infantry Match; they start with 384 rounds to distribute among team members. Depending on their skill and how aggressive they want to be will determine how many shots they fire at each distance.

USAMU Hopper won a close National Infantry Trophy Match with a score of 1367 edging out the Marine Corps by six points. Coach: SFC Lance Hopper, USA, Captain: SFC Norman Anderson, USA, SPC Tyrel Cooper, USA, SPC Brandon Green, USA, SSG Emil Praslick, USA, SFC Grant Singley, USA, SFC Jason St John, USA, SSG Tobie Tomlinson, USA, Presenter: BG Matt Kambic

and National Matches with the Marines winning a close Interservice Team Match and then setting a new record to win the National Trophy Team Match. The Marines were also the defending champions in the National Infantry Trophy Match which made them favorites to repeat this year. But the Army was not about to lay their rifles down, their shooters had claimed every Individual Championship at the 2006 National Matches and they entered the National Infantry Trophy Match on a mission to win a team title as well.

Last year at Camp Perry, the Army took a big gamble with an aggressive plan that called for the team to fire all their rounds on the 600 and 500 yard lines. It backfired when they missed their zeros on the 600 line and did not have enough ammunition saved to recover, finishing 18th in the Match with a 986. This year, though, the gamble paid off as the Army team hit their mark early, scoring all their points on the 600 and 500 yard lines to accumulate enough points to win the 2006 National Infantry Trophy Match.

New York State Rifle and Pistol Association was the High Civilian Team for the second year in a row with NYS-RPA Considine scoring a 1330 to finish third overall. The members were coach Bruce Kraft, team captain John Tusinski, Brian Fradl, Evan Jordan, Richard Meade, Robert Modica, Stanton Noon and Dave

Wissemann. The top junior team was Illinois Harddogs Gold by coach PFC Elliot Farro USA and team captain MAJ Jon Casillas USAR. Scoring members were Grant James, Ross James, Keatin Martin, Paul Mazurski, Dillon Sloneker and Tyler Smith. The team finished with a 1005 placing them 17th overall.

There were a total of 49 competition teams and an additional 14 out-of-competition teams in this years National Infantry Trophy Match. The Australian Highpower Team was one of 14 out-of-competition teams in the National Infantry Trophy Match. The team was attending their second National Matches as a group. They had to borrow rifles to compete because strict gun bans in Australia prevent them from owning competition rifles.

## SPC Michael Andersen ARNG Sets New Record in the M16 EIC Rifle Match

*By Sommer Wood, CMP Writer/Editor*

It was a day of firsts for many of the competitors at the M16 EIC Match, which was designed to introduce new shooters to EIC rifle matches. Only shooters who have not earned any EIC points that count towards winning a Distinguished Badge are eligible for the four introductory leg points available in this match.

519 competitors participated in this year's event, a record number in the M16 EIC Match's brief three year history. SPC Michael Andersen ARNG set a match record with his score of 383-7X. This broke the previous record of 379-2X established last year by Anthony Graziano of Frackville, PA. SPC Andersen of Mason City, Iowa has participated in combat shooting competitions through the Iowa National Guard, but this was his first competitive experience with bulls-eye target shooting. He made his first trip to Camp Perry this year with a friend from the National Guard. "I just came here to learn, and this was the first match of this type I have ever shot. Next year I hope to return and shoot for the whole week," said SPC Andersen.

The cut-off for EIC points for the M16 EIC Match was 348-7X. SPC Michael Andersen ARNG of Mason City, IA shot a 383-7X in the M16 EIC Match to set a new match record. This was Andersen's first trip to Camp Perry and he plans to return next year.

# M1s for Vets Project Brings Veterans to Camp Perry

By JJ O'Shea

On 4 and 5 August 2006, seven recipients of the M1s for Vets Project participated in the Civilian Marksmanship Program's Springfield and John C. Garand Matches at Camp Perry, Ohio. This trip was made possible with donations from the Walter Reed Society, Lake Norman High Power Club, and small donations from many fellow competitors and M1 collectors throughout the country. The M1s for Vets Project is designed to present injured Iraq War veterans M1 Garand rifles. Some 40 rifles have been presented since December 2005, and 11 more are being made ready for presentation. All rifles were either donated or purchased with donated funds.

Our group arrived on 3 August and quickly made a visit to the CMP North Store. Within a few minutes, two or three rifles were picked, tagged and purchased. These guys were like kids in a candy store. Our next objective was commercial row, where important necessities were found and bought. We then headed over to Port Clinton for a wonderful dinner at the Crows Nest.

On Friday, the day promised some fine weather as we headed over to the Viale Range for the Springfield and Vintage Military Rifle Matches. Our group took positions and prepared for making these old bolt action rifles hit black. Members of the Lake Norman High Power Club from North Carolina assisted in coaching and spotting for our guys. Everyone tightened their slings and put their thirty rounds down range. Almost everyone was in the hunt for a medal with one veteran earning bronze. All shot extremely well, and all came away with a smile. Volunteer target pullers were found to help out in the pits, and a fine day of shooting was had by all.

The anticipation of Saturday's John C. Garand match was the topic of conversation as

the group again visited the Crows Nest Friday night. Something about that perch and ribs made the decision to return to the restaurant easy, and another great meal was enjoyed with friends!

Saturday we arrived at the Rodriguez Range around 1100 hrs to prepare our equipment and minds to compete in the John C. Garand Match. Every one of our guys would now have a chance to shoot the rifle that they received from the M1s for Vets Project. The members of Lake Norman High Power Club again assisted in coaching, spotting and scoring for our guys. Brian, Jason, Chad, Chris, Noah, Neil and Dave shot their sighters and all thirty rounds as their targets were pulled by volunteers from all over the country. We finished up with a few medals and everyone a winner.

At the awards banquet and closing ceremonies Saturday evening, the guys enjoyed a few beers and chow with fellow competitors. As we sat and talked about the day, the topic quickly turned to next year. In 2007 we will return and do it again, only better!

A special thanks needs to go to the people that made this happen:

- © All those that donated funds and time to make this possible.

If you wish to make a contribution to the M1s for Vets Project please contact JJ O'Shea at [jjoshea@msn.com](mailto:jjoshea@msn.com). Photos of the veterans at the 2006 National Matches can be found at <http://www.odcmp.com/Photos/06/TeamWRAMC/index.htm>.

The group came to Camp Perry as Team WRAMC, from Walter Reed Army Medical Center where many are still under going therapy for injuries they received in Iraq.

Recipients of the M1 for Vets Project shot in both the Springfield and John C. Garand Matches at the 2006 National Matches. All shot M1 Garands that they have received from donations given to the organization.
