

JROTC Marksmanship Instructor Course

RESOURCES FOR MARKSMANSHIP PROGRAMS

Update: 4Feb09

Marksmanship program resources or documents needed to conduct a JROTC air rifle marksmanship program and that are referenced in this course are listed in this document. Resource items described here are inserted in the JMIC Instructor Notebook in the sections where they are referenced. At the end of this resource list, there is also a list of organizations and companies where JROTC instructors may request or purchase other resources or supplies for air rifle shooting.

Note: Anyone who wishes to submit information to update or improve this resource list should send this information to the Christine Elder at the CMP, celder@odcmp.com.

1. Section I – COURSE INTRODUCTION

2. Section II – INTRODUCTION TO JROTC MARKSMANSHIP

- 2.1. Army, USMC, Navy and Air Force JROTC regulations for rifle marksmanship programs can be obtained from the respective JROTC Commands.

3. Section III – STARTING A JROTC MARKSMANSHIP PROGRAM

- 3.1. ***Army JROTC School MOU***. This 2-page document is a model MOU that JROTC instructors may use as a guide or starting point in drafting an MOU between JROTC units and host schools.
- 3.2. ***BMC, 2xBMC and NC-AR10 Air Rifle Targets***. Samples of the targets recommended and required for use in JROTC programs are provided in the JMIC Notebooks.
- 3.3. ***CMP Target, Affiliate Rifle Purchase and Training Materials Order Forms***. These forms can be used to order BMC (Basic Marksmanship Course), NC-AR10 (10-bull competition) air rifle targets, air rifles and training materials from the CMP. Most items are available at special team prices. Air rifles may be purchased on a delayed payment plan where payments are spread over two years.
- 3.4. ***JROTC Marksmanship Inspections***. An instruction sheet prepared by the CMP for instructors to use in preparing for Army JROTC unit marksmanship inspections.
- 3.5. ***JROTC Unit Marksmanship Inspection Form***. The form used by unit marksmanship inspectors to confirm that an Army JROTC unit is prepared to conduct an air rifle marksmanship program
- 3.6. ***Air Rifle Marksmanship for Youth***. This 4-page brochure provides detailed information about air rifle shooting as a sport and how it benefits youth who participate in it. This document can be used as an information resource for school officials, parents and community leaders to help them learn more about the marksmanship activities in which cadets can participate. Copies of this brochure are available free of charge from the CMP—contact CMP Programs, 419-635-2141, ext. 1109 or programs@odcmp.com.

- 3.7. ***Outdoor Air Rifle Range Requirements.*** An SOP document that provides design details for safe outdoor air rifle ranges.

4. Section IV – AIR RIFLE RANGE MANAGEMENT

- 4.1. ***1.Air Rifle Range Safety Rules*** (Poster produced by CMP)
- 4.2. ***JROTC Standard Operating Procedures for Air Rifle Safety and Air Rifle Range Management.***
- 4.3. ***Range Officer Operating Procedures For the Conduct of Air Rifle Live Firing Activities.*** Instructions and script for range officers to use in the conduct of live firing activities.
- 4.4. ***Safety Briefing for Air Rifle Shooters.*** This document is a sample safety briefing that is used before the start of Georgia High School Association air rifle team competitions.
- 4.5. ***Guide to Lead Management for Air Gun Shooting.*** A 20-page booklet produced jointly by USA Shooting and the CMP that summarizes test data and recommendations for best practices regarding lead management for air gun ranges.
- 4.6. ***Tom Johnson’s Sporter Tips.*** An 8-page booklet written and produced by COL Tom Johnson. The booklet has detailed information about how to care and maintain Daisy M853 and other sporter class air rifles. Copies may be purchased from CMP Sales.
- 4.7. ***Guide to Compressed Air Usage.*** Written by Scott Pilkington and reproduced courtesy of Pilkington Competition Equipment.
- 4.8. ***A Guide to CO₂ Cylinders.*** Written by Joe Mucelli, high school rifle team coach, retired AJROTC instructor.

5. Section V – TEACHING AIR RIFLE SAFETY

- 5.1. ***A Junior Shooter’s Guide to Air Rifle Safety.*** A 20-page booklet on air rifle safety and range procedures. The recommended student text use by JROTC Cadets during their initial safety training phase of marksmanship instruction. Multiple copies of this booklet are available on request, at no cost, from the CMP.
- 5.2. ***Cadet Safety Exam.*** A 25-question Cadet Safety Exam to be given at the end of their gun safety and range procedures instruction.
- 5.3. ***Cadet Safety Exam Key.***
- 5.4. ***Cadet Safety Pledge.*** An updated version of the Cadet Safety Pledge (dated 3Feb09). This pledge must be signed by cadets and kept on file after Cadets complete their safety training and exams.
