Love Opens 2016 National Trophy Matches at Camp Perry

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – On July 11, the 2016 National Trophy Pistol Matches officially kicked off with an incredible show of historic tributes and the rise of today’s marksmanship talent on the ranges of Camp Perry.

It all began with the traditional First Shot Ceremony, held this year at Shooters’ Memorial Plaza in front of Rodriguez Range. The 122nd Army Band played to the crowd as a WWII Navy TBM Avenger, B-25 bomber and B-17 bomber soared overhead, with bomb bay doors open. Pyrotechnic “bombs” exploded in the range in front of the stands – producing a cloud of smoke and resonating applause.

Colors were elegantly presented by real-life WWII veteran Lloyd Boyer, who was dressed in his military garb. First shot speaker was CMP Board member, Oscar Mahlon Love. Mr. Love was given the privilege of firing the ceremonial first bullet downrange to begin the National Matches.

Firing the ceremonial first shot downrange this year to officially open the National Matches was CMP Board member, Oscar Mahlon Love.

Among his many accolades, Mr. Love has been a CMP Board member for the last 20 years. He is a retired executive vice president and director of the largest bank in New Mexico as well as a former Commissioner of the New Mexico State Police (a graduate of their academy) and the New Mexico State Fair. Mr. Love is also a graduate and former Chairman of the Board of Trustees of the Colorado Regional Graduate School of Banking and former Chairman of the Albuquerque Public Safety Commission. A Civilian Aide Senior to the Secretary of the Army, Mr. Love has assisted on many governmental and private boards, and he is also very involved with youth-oriented activities.

“It is my great pleasure and distinct honor to have been asked to visit with you as we kick off the First Shot Ceremonies to begin the National Matches,” Mr. Love addressed to the crowd. “I’m in awe as I stand on this hollowed piece of ground.”

The CMP was honored at the First Shot Ceremony to watch the colors presented by WWII veteran Lloyd Boyer.

As each plane soared by during the ceremony, a resonating salute was fired by a War of 1812 period cannon, a Civil War era cannon, a modern era 37mm anti-aircraft gun and Camp Perry’s own 70mm cannon.

Mrs. Judy Legerski, CMP Chairman of the Board, presents Mr. Love with the M1 Garand rifle used to open the 2016 National Matches.

National Trophy Rifle Matches

A Message from the COO:

The CMP is pleased to provide this exclusive printed edition of the *Final Results of the 2016 National Trophy Rifle Matches*. We hope this publication, with its special information and photos, will be a memento of your unforgettable National Matches experience.

The 2016 National Match rifle events began on Friday, 22 July, with our fun and educational rifle clinics. Both adults and juniors increased their knowledge in maintenance and marksmanship techniques during the Marine Corps Junior Clinic, Rifle Small Arms Firing School and Advanced Clinic. Competitions kicked off on Sunday, 24 July, when the SAFS M16 EIC Match was fired to a soggy line of competitors under stormy skies. When the National Trophy and CMP Games Matches concluded on 30 July, nearly 7,650 entries for events and clinics were recorded. This year, an additional line of select matches was added to the schedule, labeled as the Legacy Series. The events, which dedicated marksmanship history and the heritage of Camp Perry, were fired 10-14 Aug. – providing even more opportunities for our devoted competitors.

As always, the matches featured many incredible shooting performances by noteworthy marksmen and women that included:

- **SSgt Josh Heckman**, 30, of the U.S. Marine Corps, Beaufort, S.C., who was the overall winner of the SAFS M16 Match.
- **MSG Robert Mango**, 42, of the U.S. Army Reserve, who was the recipient of the coveted Daniel Boone Trophy for claiming the overall position in the National Trophy Individual Match (NTI) for the second consecutive year. His Army Reserve team also won overall in the National Trophy Team (NTT) Match.
- **MSG Mango** and his Hearst Doubles partner, **SFC Joel Micholick**, 36, of Leavenworth, KS, who won the match and set a new National Record with a score of 597-24x.
- **Keith Stephens**, 44, of College Station, Texas, who earned the top honor during the 2016 President's Rifle Match and was the High Civilian. Stephens was also the High Civilian in the NTI Match.
- **SGT Joseph Hall**, 30, of the U.S. Army Reserve (USAR) team, who overtook the field of powerful competitors to become the Overall Individual Service Rifle National Champion in only his third trip to the National Matches.
- **Forrest Greenwood**, 20, of Ceres, CA, who recorded a score of 289-9x during his President's Match appearance to become High Junior. His California Grizzlies coach, **Robert Taylor**, 37, was fourth overall in the match. Greenwood was also a member of the National Record-setting junior team in the NTT and also on the record-setting team in the National Trophy Junior Team Match.
- **Sgt. Antonio DiConza**, 25, of the U.S. Marine Corps and Fredericksburg, VA, who cleaned the entire course during the NTT Match with an astonishing score of 500-15x and broke a 31-year-old record in the process.
- Civilian team **Texas Gold**, which made history by firing a new Civilian National Record of 2947-121x in the NTT. Stacked with the 2016 President's Match winner, **Keith Stephens**, and the President's third-place finisher, **Hugh Reich**, 60, the team broke a 26-year-old record.
- **USMC Altendorf**, which overtook the NTIT by a commanding lead of 1427 – more than 60 points over the second place team.
- **Ted James**, 37, of Woodville, OH, who was named the overall winner of both the T-Class and the Tactical Class competitions during the 2016 National Rimfire Sporter event.
- **CSM Steven Slee**, 52, of Dimondale, MI, who fired an exceptional score of 594-23x in the match – a new National Record. CSM Slee's score was nearly 10 points above the previous record of 586-21x, which is a significant feat in the Open Sight Category.
- Legacy Series overall winners, like **Nick Till**, 42, of Howell, MI, and his team partner, **James Root**, 42, of Lasalle, MI; **Philip Beaver**, 54, of Indianapolis, IN; **Peter Yarbrow**, 42, of Mishawaka, IN and **Farrell Porter**, 50, of Pontiac, IL.

The CMP extends sincere thanks to everyone who made significant contributions to another remarkable National Matches. Be sure to see the complete list of *Acknowledgements and Thanks* on page 3, where we identify the organizations, school and clinic leaders, award donors and ammunition suppliers that were indispensable in making this year's matches so successful. Photo galleries may be viewed on our photo website at cmp1.zenfolio.com. We encourage you to download your photos for free and share them with friends and family.

Sincerely, we thank all of you for coming to Camp Perry. We hope to see you back next year for another thrilling competition season during the *2017 National Trophy Rifle Matches and CMP Games events*.

National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

CMP Makes History at Camp Perry During New Range Dedication

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Since 1907, Camp Perry has been a cultivator of history. It began as the site of the largest and best equipped rifle and pistol ranges in the world, and today, it has continued that tradition as the Civilian Marksmanship Program (CMP) and the Ohio National Guard unveiled its new groundbreaking addition.

Petrarca Range will now be home to 15 state-of-the-art outdoor electronic targets, which are at the forefront of the future of marksmanship. Capable of adapting to rifle, pistol and smallbore shooting, the target technology is provided by Kongsberg Target Systems (KTS), with equipment marketed by CMP Targets.

An official ribbon cutting ceremony was held on the morning on July 21, 2016, to celebrate the opening of the innovative range and the ongoing partnership between the CMP and the Ohio National Guard, which oversees Camp Perry operations.

The day began with comments from CMP program’s chief, Christie Sewell. Local entities such as the Port Clinton Chamber of Commerce and Main Street Port Clinton were also present to show their support for the innovative range at Camp Perry.

“The CMP is so excited to share our latest advancement with the local community,” said Sewell. “It is our hope that this new range will positively promote marksmanship to seasoned shooters as well as those who want to learn in a safe and engaging environment.”

She and distinguished guests, including CPT Michael Yates, base operations supervisor of Camp Perry, and Fort Ohio Commander, COL Barb Herrington-Clemens, posed for photos by the ceremonial ribbon strung across the firing line of Petrarca. Then, with a smooth slice of the scissors, the range was officially opened.

Guests were treated to refreshments and were even given the opportunity to fire upon the new electronic targets. Both local residents and those here for the National Matches arrived at the ceremony to take part in the pioneering event.

“I really like them, they’re pretty cool,” said Justine Jarvis, 21, of Manchester, Conn., who is in town to shoot a few of the prestigious National Trophy rifle matches. “Maybe sometime down the road they can make all of the targets like that!”

On July 21, CMP staff and distinguished guests arrived at Petrarca Range on Camp Perry to cut the ceremonial ribbon that officially opened the new outdoor electronic highpower target range. The range will be open to the public during the National Matches and will also have scheduled open nights throughout the remainder of the year.

Guests were treated to refreshments and were even able to fire upon the new targets. Justine Jarvis of Connecticut (shown here) was able to attend the ceremony while in town for the National Trophy Rifle Matches.

Jarvis is a veteran of the National Matches as well as the competition shooting world. She had previously fired on air gun electronic targets, like the ones within the Gary Anderson CMP Competition Center at Camp Perry, but she believes these could be a positive step for higher caliber disciplines as well.

“With the whole idea of lining everything up, the sight alignment – out here, it’s much better. You can look down (on the monitors) and actually see what you shot. That’ll help with the mind aspect of this sport,” she said. “I think it’ll be a good thing.”

With the technology that the targets provide, participants were able to instantaneously see their shots scored on monitors beside them. CMP staff members were also next to each shooter on the firing line to offer guidance and guarantee safety for everyone in attendance.

Range Dedication Continued

Visit our website at <http://thecmp.org/competitions/cmp-targets-at-petrarca-range/> for more information and hours of operation.

About the New Petrarca Range:

The rifle targets are located at the 100-yard line, however the changing of the target faces and the use of reduced target definitions allow shooters to practice for longer distances as well. Pistol targets are mounted in portable carriers that allow them to be set up at 25 or 50 yards.

Other improvements have been made to the covering structure of Petrarca Range as well to accommodate marksmen firing on the targets. Sound deadening material has been added to the interior ceiling of the firing line structure as well as a dividing wall to create a more controlled environment (to be used for firing line operations and as a classroom). New doors and lighting have also been added to the structure, and berm work has been constructed downrange.

The range will be open several Mondays for Open Public Shooting, where only a small fee will be required to fire upon some of the most advanced marksmanship technology available today. Eventually, the CMP would like to have KTS targets available on all of the Camp Perry ranges.

About KTS Targets:

KTS Electronic Targets work through the power of acoustics – “hearing” the shot and accurately determining its location. With extensive use by ranges in 30 nations for over 20 years by Kongsberg Target Systems and even more experience received in-house by the CMP, the accuracy of these electronic targets is unlike anything else in the United States. The CMP is proud to share with its loyal customers and competitors these targets that are certain to be known as the way of the future.

Petrarca Range contains 15 of the electronic targets: five for pistol and ten for rifle. The targets are stocked with KTS technology and are marketed by CMP Targets.

Civilian Stephens Wins Overall During 2016 President's Match

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Keith Stephens, 44, of College Station, Texas, earned the top honor during the 2016 President's Rifle Match on July 25, firing a remarkable score of 393-17x. Having competed in the match more than 10 times in his career and coming as close as a fifth-place finish, he knew the sort of talent and focus the match demanded.

“I always thought I had a shot of winning it, but it's tough because there are so many great shooters out here,” he said. “You have to bring your ‘A-game’ on this one day, so today was the day that I was able to manage it.”

He also remarked, “I remember coming here and my goal was to come in the Top 10 of some of these matches, and I eventually made that, but always kind of struggled in the President's Match the first several years I was here. Now, just to win, it's amazing.”

With a steady wind, Stephens managed to settle in as he prepared on the line for the famous President's Shoot Off. Dialing in the correct adjustments and coming equipped with a new scope he had been using since

Keith Stephens earned the top spot during the 2016 President's Rifle Match. This was his first time winning the prestigious event.

2016 President's Match Continued

During the Shoot Off, scores are marked on oversized targets to allow the crowd to see how each competitor is faring.

March made him feel confident as he fired his shots downrange to lead him to his win.

“I felt good – I’ve been shooting good,” he said. “I love shooting with (my new scope). My scores have really improved with it, so I felt good coming into Perry this year.”

An incredible showing at the 2016 National Matches, Stephens was also awarded the Pietroforte Trophy as the high civilian shooter amongst the National Trophy Individual (NTI) and Team Match aggregate and the Alice Bull Trophy for the highest civilian aggregate in the President’s and NTT matches.

Additionally, Stephens was one of six competitors named to the National Civilian Rifle Team as one of the highest competitors in the National Team match.

High Junior of the President’s was Forrest Greenwood, 20, of Ceres, CA, who recorded a score of 289-9x during his sixth President’s Match appearance. A member of the California Grizzlies Junior Rifle Team, which won

a slew of trophies and even broke records during the 2016 National Matches, he gives credit to his teammates and others for helping him reach his accomplishments.

“I’ve had a lot of practice, a lot of training and a lot of helpful people, that’s for sure. I have a really big support crew,” he said.

“I love this place. I never want to go anywhere else,” he added, about shooting at Camp Perry. “This is easily my favorite place in the world. I’d rather be here than home any day.”

Another member of the Grizzlies team with a noteworthy showing during the match was coach Robert Taylor, 37, of Sonora, CA, who came in fourth during the Shoot Off. He had previously made the Shoot Off back in 2007, where some unfortunate circumstances left him accidentally putting all 10 shots onto the wrong target. Instead of letting the catastrophe tear him down, he used it as an opportunity to encourage his juniors to never give up.

“I want to lead by example,” said Taylor, who has trained a number of talented Grizzlies since 2000. “It was really hard keeping it together afterwards, but I remembered that I had 18 kids behind me, watching everything I did. You’ve got to lead by example and practice what you preach.”

Also earning a notable title during the match was High Senior, Hugh Reich, 60, of Gary, TX, who fired a score of 393-14x. Reich gave an exceptional Shoot Off display of 99-4x to reach third place overall. The 2016 National Matches proved memorable for Reich as he was named to the National Civilian Team with his Texas Gold teammates, Stephens and Lee Eldridge. The team together won numerous awards throughout the Matches.

The President’s Rifle Match is one of the most celebrated events during the National Matches. Competitors fire 40 record shots during the qualifying match, with the Top 100 competitors receiving special medallions for being named to the “President’s 100.” The Top 20 competitors compete in a Shoot Off style match to determine the overall winner – giving the match its distinctive flair.

Photos of each clinic can be found by visiting the “2016 National Matches” album on CMP’s Zenfolio: <http://cmp1.zenfolio.com/f352326966>.

Forrest Greenwood was named the High Junior in the President’s Match with a score of 289-9x.

Robert Taylor, coach of the California Grizzlies, earned fourth overall in the match. He had his junior team behind him during the Shoot Off, cheering him on.

2016 President's Match Continued

Hugh Reich, who finished third overall, was the High Senior of the match with a score of 393-14x.

The Top 20 competitors of the President's Match compete in a Shoot Off to determine the overall winner. Scorers mark each shot on giant targets facing the crowd to keep everyone involved in the event.

Hall and USAR Win Big During 2016 National Rifle Matches

Written by Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – In only his third trip to Camp Perry for the National Matches, SGT Joseph Hall, 30, of the U.S. Army Reserve (USAR) team, overtook the field of powerful competitors to become the Overall Individual Service Rifle National Champion. SGT Hall fired an aggregate score of 1581-62x in his win – just one point above his teammate, MSG Robert Mango.

In 2014 and 2015, Hall was a member of the Army Marksmanship Unit Service Rifle Team after switching from International shooting. This year was his first as a member of the USAR team.

“It feels great,” said Hall. “Honestly, coming out here with the Reserve team, I know that everyone is saying congratulations to me, that I won, but I didn’t win by myself. These guys have been phenomenal. They have helped me all the way, they’ve supported me. They made shooting fun again for me.”

He went on to praise his team, saying, “When I got out here, I came out here to win. That is the whole goal of every shooter out here. But without the support of the team and the coach, how much he’s helped me through all of this stuff – they made everything relaxed. And when I got up on that line, it was just me shooting for my own personal best, and that’s exactly what I did. And it all came together.”

Hall also received the Rattlesnake Trophy as the High Reserve competitor of the National Trophy Team Match.

MSG Robert Mango, 42, of Kailua, Hawaii, earned the Daniel Boone Trophy for the second consecutive year as the overall competitor in the National Trophy Individual (NTI) Rifle Match, with an exceptional score of 495-26x.

SGT Joseph Hall was the Overall Individual Service Rifle National Champion during the 2016 National Matches.

“I’ve just been blown away. I truly believe I’m just lucky and fortunate right now,” he said. “It’s just a matter of being mentally confident and prepared and making the fewest amount of mistakes out there. The person who makes the fewest amount of mistakes, wins. And I’m fortunate enough that it happened to be me. I’m just super lucky.”

During the 2016 National Pistol Matches, Mango was the winner of the President’s Match and also came in a very, very close second place in

USAR Win Big Continued

the Pistol NTI Match – recording the same score as another competitor who out-fired him by one “x” during the rapid fire portion and was named the winner in the end.

“I preemptively chalked it up as a win after I heard everyone’s scores, and so I just assumed it. And I don’t like doing that,” he said. “And then I was like – no way! But that was an awesome win for [NTI pistol winner, PFC Chris Hudock]. It was his first year, so I’m super happy.”

Although Mango fell short in the Pistol NTI, he was still named the Overall Service Pistol competitor of the matches.

Triple Distinguished in Service Pistol, Service Rifle and .22 Rimfire Pistol, Mango has proven himself a tough competitor in both disciplines. Before joining the Reserve team, he spent eight years shooting mostly rifle for the U.S. Marine Corps before moving to the Army Marksmanship Unit. The transition led him to International and Service Pistol competition, and, ultimately, the Reserve team.

“There’s a real weird switch you have to flip in your head with fundamentals, going from rifle to pistol,” he said. “I’m just able to do that quickly without a whole lot of practice.”

MSG Mango bested a field of 1,074 military and civilian competitors in the NTI Rifle Match. He was also the High Reserve competitor and the High Infantryman.

Moving his abilities over into team competition, MSG Mango and his Hearst Doubles partner, SFC Joel Micholick, 36, of Leavonworth, KS, won the match and set a new National Record with a score of 597-24x. Mango and Micholick finished fourth and fifth as individuals overall, respectively. Both men are members of the Army Reserve team that went on to win the 2016 National Trophy Team Match.

“I think we have a good approach, a good mental attitude. We spent a lot of time in preparation,” said Micholick of his Hearst Doubles team. “We just jive. That’s it.”

MSG Mango added, “We bring out the best in each other. It has a lot to do with being positive and visualization – just mentally confident. We both do that, and it works well. We’re just good pair fire partners.”

Along with a National Trophy Team win, Army Reserve Anderson landed in second place in the National Trophy Infantry Match.

DiConza Shatters Thirty-Year-Standing Record During National Trophy Team Matches

Written by Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – In an unbelievable individual performance, Sgt. Antonio DiConza, 25, of the U.S. Marine Corps and Fredericksburg, VA, cleaned the entire course during the National Trophy Rifle Team Match with an astonishing score of 500-15x. The previous record of 499-28x had been fired by SSG Donald Manning in 1985 – leaving just one point for DiConza to conquer in order to surpass the 31-year-old record.

“It’s like winning the lotto, even though the lotto is luck and this takes a bit of skill,” he joked. “But it’s the same feeling. I can’t believe it.”

Of course, the score was a personal best for DiConza and the high individual score of the match – remarkable considering he had arrived at the National Matches only two days before the event because of the approaching arrival of a baby girl. As he got closer and closer to achieving a 500 score, DiConza began to feel the pressure of reaching perfection.

“My nerves started getting to me. But I just stayed calm – and in those last two shots, I was like, ‘Is this going to make me or break me?’ So I shot one more shot, and the last shot, I was shaking,” he explained. “I told myself, ‘You know, I just shot 19 10’s and a few x’s – just shoot another 10. It’s not that hard. Relax.’”

After his final 10 pierced the target, he smiled and shed a few tears – overwhelmed by the moment.

“I was really ecstatic. It was the proudest moment of my life,” he said. “Well, other than my little girl.”

Winning the overall match and firing only one point under the decade-old standing Overall National Record was Army Reserve Anderson, with a score of 2957-111x. Though the Reserve team failed to set the Overall National Record, they did manage to set a new Reserve record – beating the previous one that had been set over 25 years ago by nearly 10 points.

Members of the Reserve team were NTI winner MSG Robert Mango and his winning Hearst Doubles teammate SFC Joel Micholick, Overall Service Rifle competitor SGT Joseph Hall, CPT Samuel Freeman, SGT Nick Mowrer and SPC Trent Thomas. SGM James Mauer serves as captain, and the team is coached by MSG Norman Anderson.

“We’ve compiled a group of professionals that are well trained and organized and capable of performing at a high level, basically on demand. That professionalism showed up on team day,” said MSG Anderson. “We had

favorable conditions and excellent performances, both mentally and physically. That’s what allowed us to be victorious.”

“I’ve known a lot of these guys for a long time, and they never disappoint. They always continue to impress me,” he went on to say. “That working relationship we have together, the trust and confidence we have in everyone’s capabilities – the program is amazing. It’s definitely on its way up.”

Texas Gold also made history by firing a new Civilian National Record of 2947-121x. Stacked with the 2016 President’s Match winner, Keith Stephens, and the President’s third-place finisher, Hugh Reich, the team crushed the previous record of 2915-93x, which had stood since 1990.

The talented team also had three of its members, Stephens, Reich and Lee Eldridge, selected as members of the National Civilian Rifle Team. The six highest civilian competitors in the NTT are chosen for the honorary team.

Even the juniors

got in on the National Record action as the California Grizzlies Momma Bear fired a score of 2889-80x to break the Junior National Record that had been set by the Grizzlies program back in 2012.

In the National Trophy Junior Team Match, California Grizzlies Team Shilen earned the Freedom’s Fire Trophy as the overall winner in the National Trophy Junior Team Match by firing an aggregate score of 979-39x – a new National Record previously set by California Grizzly Team Heidi’s Dream in 2013. Team members were Morgan Owen, 20, of Sonora, CA, and Forrest

Oozing with talent, Texas Gold fired a new Civilian National Record during the NTT and finished in third place. The team was also the High Civilian team of the the NTIT and finished fourth overall.

Team Matches Continued

Greenwood, 20, of Ceres, CA.

The 2016 National Matches have been host to a number of outstanding performances by Greenwood, who was also the High Junior of the President's Rifle Match and the top Overall Junior of the matches. He also earned a spot on the National Trophy Junior Team as one of the top eight highest scoring junior individuals in the NTT.

In 2014 and 2015, he served as High Junior of the National Trophy Individual Match. Aging out of the junior category, Greenwood is set to join the Army Marksmanship Unit this year – the third Grizzly to do so.

Again displaying its skillful young marksmen, the Grizzlies were also the High Juniors of the National Trophy Infantry Team Match (NTIT) and were

ranked second in the civilian category with a score of 1246.

The overall team of the NTIT was USMC Altendorf, which won by more than 60 points.

USMC Altendorf overtook the NTIT by a commanding lead of 1427 – more than 60 points over second place team Army Reserve Anderson. Team members were SSgt Steven Beall, Cpl Freddie Church, Cpl Justin Crago, Sgt Antonio DiConza, SSgt Timothy Snyder and Cpl Isaah Vue. Team captain is John Sheehan, and the team is coached by SSgt Mark Altendorf.

The California Grizzlies swept the junior team categories, achieving High Junior status in the NTIT and NTT matches, along with overtaking the National Junior Team Match. The team also set two new records during the National Matches.

Jim Laughland: A Living Camp Perry Treasure

By Ashley Brugnone, CMP Writer

Jim Laughland, 77, of Timonium, Md., was the honorary presenter of the Alice Bull Trophy during the 2016 National Trophy Rifle Matches at Camp Perry. To him, the trophy is more than just a trophy – it’s a reminder of his marksmanship past and the legacy he has left on the grounds of Camp Perry.

“I just thought it’d be nice to have the chance to present it because I don’t know if I’m coming back again,” he said about giving out the trophy on stage. “Otherwise, you might have someone presenting who never knew her or loved her like I did.”

Alice Bull was an extraordinary woman. A true pioneer, she was the women’s rifle team captain at the University of Washington and was the first woman ever elected to the National Rifle Association’s board of directors, back in 1949. She went on to become the first female to earn the Army’s Distinguished Rifleman Badge in 1961 and was also the first woman to perform on the National Board for the Promotion of Rifle Practice in 1972. Serving as an ambassador for marksmanship, Bull competed at the National Matches in 1935-37.

The Alice Bull Trophy, awarded to the highest aggregate civilian competitor during the National Rifle Matches, was first presented in 1991 by the Washington State Rifle and Pistol Association to commemorate the legendary woman who helped to pave the road for rifle shooters. Along with a statue of her figure, the trophy is graced with the actual M1 Garand she used to become Distinguished.

Jim first met Ann when he was young and a member of the Seattle Rifle & Pistol Club. He had been friends with her son, Lee, and Jim shot with Ann herself in a smallbore indoor league. She helped him further develop his marksmanship skills, including perfecting the cross-ankle sitting position that he still uses when he competes today.

Now, the woman he knew is forever immortalized in a trophy that is used to celebrate the talents of civilians on the highest stage of shooting sports – the National Matches.

“I think it’s wonderful. And, incredible that she was a woman,” he said. “I treated her like my mother. She was very kind – a brilliant, wonderful person.”

With over 60 years of marksmanship experience, Jim’s life has taken him all around the country and has allowed him to compete

Jim (far left) was close with the first Distinguished female, Alice Bull (second from right), and her son, Lee (second from left).

with some of the most recognized individuals in the world of shooting. And, it all began at Camp Perry.

“When I come to Camp Perry, there are a lot of ghosts I know, walking around,” he said. “I’ve had so many highs here.”

His first taste of Camp Perry was in 1955, when he was just 17 years old. Excited to compete in his debut 300-yard match, Jim even skipped his first week of high school just to be able to go to the National Matches. The trip was so successful that by the end, Jim, who was unclassified, left an Expert Marksman.

During his career, he has shot with the Washington State National Guard and the New York National Guard,

71st Regiment. While there, he earned his Master Classification. In 1961, he won the NRA Smallbore Sectional Match in New Jersey and helped lead the New York National Guard to a State Championship title in 1962. That same year, he moved to Baltimore and joined the Maryland State Team which went on to win the Hilton Trophy at Camp Perry for the High National Guard Team in the Na-

One of Jim’s most famous stories is one he shot against Carlos Hathcock at Camp Perry in 1965.

tional Trophy Team Match.

Later, he earned his Distinguished Rifleman Badge in 1964, and in August 1965, he shot in one of his most memorable matches – going shoulder-to-shoulder with Carlos Hatchcock, a Marine Corps sniper who famously recorded over 90 confirmed kills during the Vietnam War and who himself became a National Match Trophy.

“He’s the one who made me famous,” Jim said with a smile.

Jim also notably shot with two-time Olympic gold medalist and Director of Civilian Marksmanship Emeritus, Gary Anderson, in the 1960s while both were members of the All National Guard Team.

Another memorable match for Jim came in 1977, when he joined the All National Guard National Rifle Team and traveled to Camp Perry with them as only an alternate – or so he thought.

On that day, with blustery 30 to 40 mph winds, Jim remembers remarking to his friend, “I’m glad I don’t have to shoot in this wind today!” Soon after, the colonel came up to Jim and told him he’d be shooting. At that point in his career, it had been 10 years since he had shot with the All Guard team.

“I looked at my friend, thinking, ‘Should I cheer or cry?’” he joked.

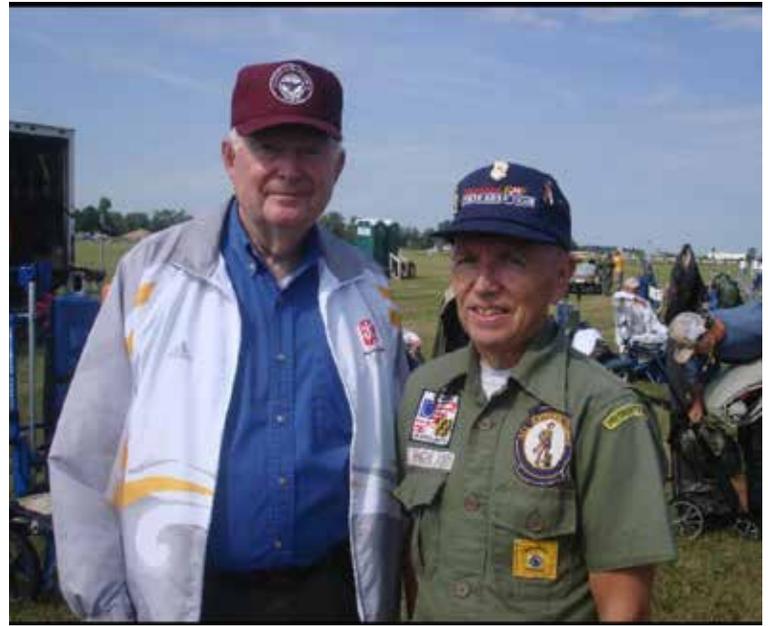

At the end of the match, he and his friend were the high shooters on the team and won the National Trophy Team Match for the National Guard for the first time in 65 years.

“When I think about it, I get teary. It was such an honor,” he said. “I think it was one of the highlights of my shooting. It was like going into the World Series, in the 7th game with bases loaded, 3 runs down with a 3-2 count and hitting a Grand Slam.”

In 1979, the NRA introduced the High Master Classification, and by the end of May that year, he became the first on the All Guard team to earn the title.

Since then, Jim has participated in biathlon competitions, where he used the original Winchester Model 52 from 1928 that he used to earn his Junior Distinguished Badge, and, of course, he still makes his way back to Ohio during the summer.

Most recently, he won the Grand Senior Service Rifle Championships in 2008, 2009 and 2014 at Camp Perry, saying the desire to win is what keeps him shooting, even today.

One of Jim’s teammates on the All National Guard Team was two-time gold medalist and DCM Emeritus, Gary Anderson. The two met for the first time at Camp Perry in 1963.

“When I found out they had the ‘old folks’ award, I switched to Service Rifle,” he said. “And I figured I’d never win it again, because these younger guys are coming in – you know, who are only 70 or 75. But when I looked and saw my name on the bulletin in 2014, I started to cry.”

In 2015, Jim was diagnosed with Parkinson’s disease, which has left him with some ailments that make it difficult to compete at his top level. But, with the stories he has gathered throughout his lifetime and the reputation that precedes him, he has many friends at the National Matches, both old and new, that are always eager to welcome him back.

“I have a hard time coming to Camp Perry and walking around without someone stopping me and asking me to take a picture with them,” he said. “I get choked up.”

When the matches are over, and he returns home, Jim is greeted by his wife of more than 50 years, Sally, and the couples’ four kids and grandkids. There, he can continue to share the stories of his past and the new memories he’s made – all that will be remembered for years to come.

“I’d like to leave a legacy,” he said. “When I don’t make it to Camp Perry anymore, it’s the people I’ll miss the most. It’s been my life. I was very lucky things just fell into place.”

GySgt Luis Maceira (left) and M16 Match winner SSgt Josh Heckman (right) asked Jim for his autograph after spotting him in the CMP Headquarters office. Of course, Jim obliged.

Thunderstorms Put a Damper on National Match Rifle Clinics

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – A sudden parade of afternoon storms caused a delay in firing on Sunday, July 24, as the National Match clinics attempted to wrap up instruction. Besides halting the courses, which had begun Friday, the extension forced the scheduled Squadded Practice to be cancelled and the standing portion of the M16 event to be dropped in order to allow time for completion of that match.

Aggressive thunder and lightning during the Small Arms Firing School (SAFS) evacuated nearly 430 competitors from Viale Range immediately after a pit change. Firing was temporarily suspended until the weather passed, then the soggy competitors returned to finish their accompanying M16 Match.

Earning the top place in the match was SSgt Josh Heckman, 30, of the U.S. Marine Corps, Beaufort, S.C. His win included a perfect sitting position score of 100-5x.

First-time competitors were plentiful during SAFS, including Thomas Doligale, 12, of Prospect, Ky., who came with his Louisville Boy Scout Troop 109. The troop has brought a gaggle of young, fresh marksmen to National Matches for the past few years.

Thomas Doligale participated in his first SAFS with his Boy Scout Troop 109 from Louisville, Ky.

Astonishingly, Morgan Mowrer fired in the SAFS M16 Match eight months pregnant. This was her first time competing at the National Matches.

SSgt Josh Heckman, 30, of the U.S. Marine Corps, was the high competitor of the SAFS M16 Match. Shannon Hand, CMP Competitions Manager, awarded SSgt Heckman with his plaque and barrel donated by Criterion Barrels.

Morgan Mowrer, 23, of Fredericksburg, Ohio, was one of the more standout competitors on the line during the M16 event. She had some company on her firing point during her National Match debut – as she competed eight months pregnant.

A rare sight during any competition, her SAFS instructor was both privileged and nervous to have her next to him.

“I had never trained someone THAT pregnant!” he said with a laugh. “I thought I was going to have to deliver a baby out on the line!”

Experienced marksmen or those hopeful to become one are free to enter SAFS as many times as they’d like. This year, many returnees made their ways back to the firing line, including Matthew Nodine, 50, and his son, Isaiah, 17, from Pleasant Lake, Ind. The two have attended the school together for the last five years.

“We basically make a vacation out of it,” said Matthew. “I’d probably come up here even if I wasn’t shooting anything. There’s just something about it.”

John Brooks Jr., 20, of Ada, Mich., returned for the first time since 2011. Even though he had completed the course back

During the Small Arms Firing School, members of the Army Marksmanship Unit and qualified military shooting team members instruct participants in the classroom and on the firing line. CMP instructors also help train both new and experienced marksmen.

then, he felt making a second trip was worthwhile for his game.

“I did learn more this time,” he said. “I had taken some time off before coming back here, but I’m glad I made it back. I had fun.”

The clinic is designed for both new and veteran shooters. Beginners learn the basics of marksmanship and competition shooting, while the more advanced are given the opportunity to receive more specific instruction on how to improve their areas of limitation.

The course is led by members of the Army Marksmanship Unit and highly qualified

military shooting team members, along with CMP instructors. At the end of live-fire practice on the range, all students compete in a true Excellence-In-Competition (EIC) Match – with the chance to earn points towards becoming Distinguished marksmen.

Along with SAFS, a junior highpower clinic and advanced clinic was also held on the Camp Perry ranges. The clinics catered to those who wished to acquire fundamental lessons or more progressive instruction.

The CMP-Remington Advanced Highpower Clinic offers in-depth learning through classroom and dry-fire exercises on the range. The course is led by members of the Remington-Bushmaster Team and headed by retired U.S. Marine and former non-commissioned officer in charge of the Marine shooting team, Ken Roxburgh. This year, over 65 students attended the course held on the newly-improved Petrarca Range.

During the CMP-USMC (United States Marine Corps) Junior Highpower Clinic, members of the USMC shooting team provided classroom instruction and also conducted live firing practice on the range from the 200, 300 and 600 yard lines. The group of over 120

juniors learned many variables of the sport including maintenance, positioning, sight alignment and weather – the latter becoming an unexpected live lesson.

The CMP-USMC Junior Highpower Clinic combines real Marine Corps Rifle Team classroom instruction with live fire range practice.

Families Work Together to Win During 2016 CMP Games Matches

By Ashley Brugnone, CMP Writer

Team Yogi and Boo Boo were the overall winners of the Vintage Sniper Match with a score of 396-13x.

“We worked on that rifle and put another stock on it,” said Silas. “It doesn’t walk around anymore on us. And we like the Creedmoor ammo. It’s very consistent and shoots well in that rifle.”

With their equipment set, they returned to the matches with a new confidence. The only challenge left was to fire the best out of a field of numerous talented competitors.

“There are a lot of really good teams out there that practice a lot,” said Wes. “To kind of take it from them, that definitely matters.”

“And getting to make your own silly team name,” added Silas with a smile.

Mark Stout, 47, of Waterford, MI, bested a field of over 430 competitors during the National Carbine Match – winning by only two x’s with a score of 371-7x. Stout finally took the top spot after placing in second in the match in 2012 and 2014.

Carbine success is a family tradition as Stout’s son, Mark Jr., 18, earned the place of High Junior for the second year – having set the new Junior National Record back in 2015. The youngest Stout son, Connor, 14, finished just behind his older brother as the second-highest junior competitor during this year’s Carbine Match.

Mark Sr.’s reaction to his performance and the performances of his sons during the 2016 Carbine Match was simple.

“The boys and I couldn’t have asked for a better day,” he remarked. “It was the best day ever.”

In the As-Issued John C. Garand Match, Daniel Summersett, 58, of Fremont, OH, was the overall winner, firing a new National Record of 293-8x. Summersett beat the previous record, set in 2009, by two x’s.

Gabe Rampy, 18, of Bremen, GA, was the High Junior of the match, finishing 12th overall with a score of 286-3x. High Senior was Thomas Hemphill, 60, of Clarksburg, PA, followed by High Grand Senior Peter Mathewson, 71, of Windham, CT.

Winning the Springfield Match was Sammy Richardson, 18, of Helena, AL, with a score of 294-11x. He was also the High Junior of the event.

Michael Miller, 69, of Chino Hills, CA, was the High Grand Senior of both the Springfield and Vintage Military Matches, firing scores of 285-8x and 282-3x, respectively.

Coming out on top of the Vintage Military Match was Douglas Armstrong, 56, of Lexington, NC, with a score of 290-5x. High Junior was Joseph Torchia, 20, of Monson, MA, with a score of 271-1x.

Victor Betzold, 61, of Bel Air, MD, earned the High Senior honor in the Springfield Match for the third consecutive year with a score of 288-11x, placing third overall. He also took home the High Senior award in the Vintage Military Match with a score of 288-6x, also finishing third there overall.

With his remarkable performances, Betzold was named the winner of the Three-Gun Aggregate, combining his Springfield, Vintage and Garand Match scores for a total of 860-27x.

CAMP PERRY, Ohio – Fathers and sons was the theme of the CMP Games Matches at the 2016 National Matches. The paternal pairings were prevalent in both the Vintage Sniper and Carbine Matches, as many left with medals and top honors.

In the Vintage Sniper Match, the team of Yogi and Boo Boo fired a score of 396-13x to become the overall winners. Team members were Wesley Fentress, 31, and Silas Fentress, 66, both of Oklahoma City, OK. The competition once again proved to be one of the most sought-after events of the matches – completely filled to capacity and wait-listed.

“We got our picnic basket,” joked Wes, who claims to be Yogi, as he waved their gold medals in the air.

“We figured we finished at least Top 5,” said Silas. “Winning was a surprise.”

The two often shoot together at events, having fired the Sniper Match together at the National Matches and at the Oklahoma CMP Games. After a disappointing finish at last year’s National Matches, the Fentress family went home and figured out what they needed to do to improve their game.

The CMP Games Matches include such events as the Rimfire Sporter Match, Carbine, Springfield, Vintage and Garand Matches. The events are fired at Camp Perry during the National Matches and at regional CMP Travel Games conducted throughout the year. CMP Affiliated Clubs also hold sanctioned matches and clinics throughout the year. CMP Fires Inaugural Legacy Series Rifle Matches

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – The Civilian Marksmanship Program (CMP) hosted its exclusive line of summer rifle competitions Aug. 10-14 on the ranges of Camp Perry through heat, short bursts of hammering rain and moments of incomparable fun to create an unforgettable experience for all participants that joined the event.

Labeled as the Legacy Series, the matches within commemorated those who helped shape the nation's longest-running series of championship and recreational rifle events in America – the National Matches. The competitions catered to both modern and vintage military rifle enthusiasts.

Nick Till, 42, of Howell, MI, was the first winner of the Legacy Series during the CMP Heritage Match, with a score of 784-21x.

"I figured it would be good to come out and shoot the first match and hopefully be lucky to win," he said. "It was a good time. I really enjoyed it."

Another competitor eager to be a part of the inaugural Legacy Series was Carol Fortney – one of the few women out on the firing line during the week. Normally a passionate National Match-goer, she was unable to make it to Camp Perry during highpower week, but found that the Legacy Series was ideal for her schedule as well as her rifling desires.

"These matches kind of hit everything that I wanted to do, and the timing worked out perfectly," she said. "I just think it's neat to have participated in this first time. And I enjoyed every bit of it. I don't want to go home."

Fortney says being the only female on the line doesn't bother her at all, admitting the other competitors make her feel comfortable while she competes. In fact, she enjoys shooting at Camp Perry so much that she plans on returning

Nick Till of Howell, MI, won the Heritage Match along with helping his partner, James Root, win the Critchfield Team event.

to the matches next year, if time allows.

"I think it's great that you guys (the CMP) do this and that so many people volunteer for it. I think that people who don't understand shooters don't realize how nice of a sport it is, and I think that needs to get out more," she added. "I'll shoot in every match that I can."

In duo competition, Nick Till was the top individual competitor in the Critchfield Team Match – ending with an aggregate score of 967-24x with the help of his partner, James Root, 42, of Lasalle, MI, to the overall win. The match was the first ever fired upon the CMP's new electronic targets on Petrarca Range.

Similar to the targets used at CMP's Talladega Marksmanship Park in Alabama, the 15 state-of-the-art outdoor electronic targets on Petrarca are capable of adapting to rifle, pistol and smallbore shooting. Rifle targets are located at the 100-yard line, but the changing of the target faces and the use of reduced target definitions allow shooters to practice for longer distances as well.

"It was my first time shooting on the electronic targets, and I liked it," said Till. "At 100 yards, with no wind and everything, it all comes down to the fundamentals of position."

Winning the Viale Memorial Match was Philip Beaver, 54, of Indianapolis, IN, who fired an aggregate score of 477-8x. Peter Yarbrow, 41, of Mishawaka, IN, led the Modern Military Match with a score of 284-6x. Thomas Box, 66, of Sand Creek, MI, was named High Senior of the event.

Overtaking the final match of the Legacy Series was Farrell Porter, 50, of Pontiac, IL, who recorded a score of 284-7x in the Roosevelt Commemorative Match. David

Golding, 64, of Montpelier, OH, claimed the High Senior title – finishing third overall. The leading competitor using a 1903A3 was Robert Sherer, 47, of Middle Point, OH, with a score of 275-2x.

Next year, the Legacy Series events will coincide with the 2017 National Match schedule to allow even more competitors the opportunity to take part in what will become the new CMP tradition at Camp Perry.

James Wins Back-to-back During 2016 National Rimfire Sporter Match

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Despite the sweltering 90-degree summer heat, Ted James, 37, of Woodville, OH, had an incredible day on July 9 as he was named the overall winner of both the T-Class and the Tactical Class competitions during the 2016 National Rimfire Sporter event at Camp Perry – the first match of the prestigious National Trophy Pistol and Rifle Matches being held at the facility throughout July.

Out-firing over 220 competitors in the T-Class, James stayed ahead of the pack with an astonishing score of 598-40x. In the Tactical Class, where he currently holds the National Record (595-37x – fired last year at Camp Perry), he recorded an aggregate score of 592-27x.

“I just had a good day,” he said as he laughed. “I practiced pretty hard in the week leading up to it.”

Going along with practice, James also credits his win to the Rimfire Sporter Match’s accessibility – the way it’s meant to encourage old and young marksmen alike by its simple and stimulating design.

“That’s the thing about it – it’s low cost, and it’s easy to get started in. There shouldn’t be any fear in trying it out,” he said. “People come out here and have a good time. I’ve never seen anyone have a bad time.”

Also having a “good time” was junior Sawyer Williams, 15, of Lula, GA, who earned the High Junior award for the T-Class with a score of 594-35x. A member of the Bartow County 4-H team with Sam Payne,

Ted James was the overall winner in the T-Class as well as the Tactical Class during the 2016 National Rimfire Sporter Match. Presenters: Christie Sewell and Dana Bacak-Lynd

National Record setter and currently the only Rimfire Sporter competitor to ever fire a perfect score of 600, Williams beat his talented teammate by just five x’s.

“It felt good, but I also know that Sam has shot equal and better than me, multiple times, so it’s just different days, different scores. It’s kind of like another day, to be honest,” said Williams.

“When you compete with some of the best in the nation and practice with them, then your competition scores will go higher because it’s pretty much like a competition

every day to see who will come out on top,” he added.

Though not the winner of this match, Payne, 17, cordially supported his teammate, saying, “Sawyer’s a good shooter, so losing to Sawyer, it’s no big thing because he earned it – he deserves it.”

Junior Leah Martin, 15, of Cartersville, GA, earned the High Woman award in the T-Class with

her score of 591-26x. Martin, also a member of the Bartow team, talked a little about what it’s like to be a female competing against her male peers.

“You always want to try to beat them – always, always,” she said with a laugh. “But you feel like you’re a part of them. Gender doesn’t separate you, really.”

With sincerity, she modestly added, “It feels like you’re just shooting with friends. Men against women – it doesn’t really matter.”

Filling in the final T-Class individual award was Scott Schindehette, 71, of Saginaw, MI, who fired a score of 588-31x to become High Senior of the class.

In Tactical, Brianna Toikkanen, 18, of Conneaut, OH, received High Junior recognition after firing her score of 573-17x. Richard Dixon, 64, of National City, MI, recorded a score of 590-30x to earn second overall in the class and the High Senior award. High Woman was Cindy Bailey, 44, of Westlake, OH, with a score of 575-25x.

Winning the O-Class was CSM Steven Slee, 52, of Dimondale, MI, with an exceptional score of 594-23x – a new National Record. His score was nearly 10 points above the previous record of 586-21x, which is a significant feat in the Open Sight Category. Slee also landed in second place behind Ted

CSM Steven Slee earned the overall award in the O-Class with his outstanding score of 594-23x. He also set a new National Record with his performance.

James in the T-Class, falling only three points short of the overall title.

High Junior of the O-Class was Sam Payne who earned fourth place overall, with a score of 584-21x. Don Moore, 66, of Chattanooga, TN, (who set a senior National Record in the class at last year's event) received the High Senior honor with a score of 580-23x, as Amanda LaBeff, 34, of Saginaw, MI, fired a score of 530-9x to become High Woman.

Competitors in the Rimfire Sporter Match fire smallbore sporter rifles in three different classes: T-Class (telescoped rifles), O-Class (open sights) and Tactical. A winner, high junior, high senior and high woman is awarded from each class, based on scores. Perfect as a way for new marksmen to ease into competition shooting, along with presenting a unique challenge to even the most talented marksmen, the Rimfire Sporter Match is one of the most popular of the CMP competitions fired throughout the year.

In recognition of the 15th anniversary of the National Rimfire Sporter Match, special awards were given to competitors who have fired every single year.

National Rimfire Sporter Match Awards

Sam Payne set a new 4-H National Record with a score of 584-21x in the O-Class. He also currently holds the overall National Record in the T-Class (599-46x) and is the first competitor to ever fire a perfect score of 600.

Michael Bosio was the high senior of the O-Class with a score of 578-24x.

Amanda LaBeff was the High Woman of the O-Class, with a score of 530-9x.

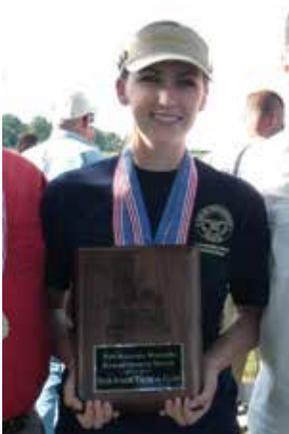

Sawyer Williams fired a score of 588-28x to become the High Junior and High 4-H Junior in the T-Class.

Scott Schindehette was the High Senior of the T-Class with a score of 588-31x.

Leah Martin earned a score of 591-26x to become the high woman of the T-Class.

High junior of the Tactical Class was Brianna Toikkanen, 17, of Conneaut, OH, with a score of 563-24x.

Richard Dixon fired a score of 590-30x to become the second place competitor overall in the Tactical Class, along with earning the High Senior award.

Cindy Bailey earned the high woman honor of the Tactical Class with a score of 575-25x.

Former Olympian Wins AiR Challenge at National Match Air Rifle Event

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Former Olympian SGT Nick Mowrer, 27, rose victorious during the AiR 15 Challenge, outshooting 20 other competitors in the Super Final Shoot Off with an overall score of 246.1. This was his first time competing in the event.

“The prize money is pretty motivating. I’ve got bills to pay at home,” he joked. “And, it’s fun.”

For his first place win, Mowrer received a check for \$700 from the CMP. Second place took home \$500, as third place earned \$350. With over 300 entries in the AiR-15 Challenge the CMP paid out \$2,250 paying out to 7th place.

In 2012, Mowrer competed in Men’s 50m Pistol during the London Olympics. Just a few of his many other accomplishments include winning gold in the 2008 National Junior Olympic Championships in Free and Air Pistol, gold at the 2011 National Championships in Free Pistol and recently earning silver during the 2015 Pistol Selection in Free Pistol. He was also a member of The Ohio State University air pistol team.

Though pistol became his forte early on, he admits that rifle is a very similar discipline when it comes to the basics.

“It’s the same fundamentals – sight-alignment, trigger control. But I think it translates over pretty well,” he said. “Everything is kind of the same.”

On the outdoor ranges, Mowrer, a member of the U.S. Army Reserve team,

finished in second place during the 2016 National Trophy Individual Rifle Match – just one point behind teammate and overall winner, MSG Robert Mango. Mowrer also helped his team to a win in the National Trophy Rifle Team Match.

Although he escaped the elements of nature to compete on the indoor air range of the Gary Anderson CMP Competition Center, where the AiR Challenge was held, firing inside the air conditioned, controlled climate still presented the same amount of challenge as the ranges beyond its walls.

“It was stressful. Heart beating, pounding away,” he said. “Nothing about it was easy. But it’s just sticking to your game plan. Shot procedure, going through your steps, whatever it takes to get you to shoot a good shot. I just stayed on task and executed, and it came out in my favor.”

This year, over 200 marksmen competed in the AiR 15 Challenge. Competitors qualify for the Super Final Shoot Off in a 20 Shot match. During the shoulder-to-shoulder final, shooters received an eight-minute sighter period, followed by 10 record shots in 10 minutes. A series of three-shot eliminations and single shot eliminations are then fired until only one competitor remains. The last marksman standing is deemed the winner of the shoot off.

Winning the Novice Prone Match was Geoffrey Lapsevich, 11, of Middleburg Heights, OH. The event is designed for young shooters aged 8-12 who are just beginning their shooting careers. Novice Prone introduces them to the exciting world of competitive shooting in a safe and fun way.

Taylor Farmer, 18, of Castalia, OH, overtook both the 20 Shot Re-Entry sporter and precision matches with perfect scores of 200. Christopher Tomaso, 34, of Clifton Park, NY, was the overall winner in the AiR15 20 Shot Match with a score of 200-7x.

Former Olympian Nick Mowrer won the top spot in the AiR Challenge, held in the air rifle range within the Gary Anderson CMP Competition Center.

Sean Wilkinson was the High Junior of the match, finishing in third place overall.

awarded during the 20 Shot Re-Entry Sporter Match to the competitor who fired the closest shot to center. Out of 82 entries, this year’s winner was David Petrun, 33, of San Clemente, CA, who fired a 10.9 within 3.5638 mm of center. For the win, he received a monetary prize from the CMP, based on the number of entries. The next seven closest competitors also received money for their efforts.

The air rifle events were popular this year, with nearly 2,000 entries recorded. For a complete list of results, visit <https://ct.thecmp.org/app/v1/index.php?do=match&task=edit&match=14484&tab=results>.
