2020 CMP MOU Affiliates Annual Report

Instructions:

1. The CMP (Civilian Marksmanship Program) is a federally-chartered, not-for-profit corporation whose statutory mission is to "train U. S. citizens in rifle marksmanship and firearms safety" with a "priority emphasis on youth." The CMP promotes youth marksmanship and safety training by providing instructor training, curriculum and training materials and youth competitions. These programs are delivered through cooperative arrangements with national youth-serving organizations.
2. The CMP has MOU (Memoranda of Understanding) agreements with several national youth-serving organizations to support the marksmanship programs of these organizations. These agreements automatically recognize all JROTC units, 4-H Shooting Sports Clubs, youth camps and BSA/Venturing organizations with marksmanship programs as CMP affiliates. These affiliate relationships entitle your organization to receive CMP communications including ***On the Mark*** magazine and ***Shooters News*** email releases, to participate in CMP programs and to purchase CMP equipment and training materials at club rates. Adult leaders of MOU affiliates are eligible to purchase CMP government surplus rifles and ammunition.
3. As an authorized representative of the club/team/organization named below, I certify that we will fully comply with the following: The Corporation for the Promotion of Rifle Practice and Firearms Safety, Inc., also known as The Civilian Marksmanship Program, prohibits affiliation with any club/team or organization whose member(s) have been convicted of a felony offense. Furthermore, a convicted felon is prohibited from purchasing anything from the CMP, participate in any CMP activity or be present on the grounds of a CMP-affiliated activity.
4. As an MOU Affiliate, you do not pay annual CMP affiliation fees. The CMP does, however, require that MOU affiliates submit a brief report on your marksmanship activity during the past year. The CMP uses this information to assess the status of youth marksmanship in the United States and to plan future program efforts. **Online filing instructions** are located in the email that was sent or on the last page of this report. You will not only be able complete your report electronically, but you can also access the CMP CLUB TRACKER any time during the year to update your organization's affiliation information.
5. Your organization may submit this voluntary report by completing this form and forwarding it to the CMP or by completing and submitting this form electronically. In order to compile youth marksmanship statistics for the past year, the CMP requests that you submit your report by 1 April 2020.
6. If you have any questions concerning your CMP affiliation or your Report, please call the CMP Affiliate Relations Coordinator (419) 635-2141, ext. 753 or email clubs@thecmp.org.
7. If you wish to purchase additional subscriptions to ***On the Mark*** for anyone associated with your organization, please include a check or credit card information in the amount of $8.00 per additional subscription.
