

# INSTRUCTIONS TO CONDUCT A CMP CHAMPIONSHIP MATCH

## CMP Highpower Rifle and CMP Pistol

A CMP-sanctioned Championship Match is an event hosted or sponsored by a CMP affiliated organization where match sponsors agree to use the current edition of **CMP Highpower Rifle Competition Rules** or **CMP Pistol Competition Rules**. CMP-Sanctioned Championships Matches may be offered for CMP Highpower Rifle and CMP Pistol. If you have questions or need additional information, please contact CMP Competitions at 419-635-2141, ext. 714 or [croguski@thecmp.org](mailto:croguski@thecmp.org).

**REQUIREMENTS FOR MATCH SPONSORS:** Organizations that sponsor CMP-Sanctioned State Championship (CMP Championship Games) must fulfill these requirements:

1. Be currently affiliated with the CMP in "good" status.
2. Pay a \$30.00 fee (plus \$6.95 shipping fee) to the CMP for the sanctioned event. Sponsors may charge individual entry fees to match participants to cover their expenses in conducting the match.
3. Attach a copy of a match program with the application when it is submitted. Clubs wishing to conduct an EIC match, during the Championship Match, must submit a separate EIC match application with the Championship Application.
4. Conduct the match in accordance with current **CMP Rifle Competition Rules and/or CMP Pistol Competition Rules**. The CMP rulebook is posted online at <http://thecmp.org/competitions/cmp-competitions-rulebooks/>. Copies of the rules may be downloaded from there for free or printed copies may be purchased from CMP for \$9.95 each.
5. Provide qualified range officers, instructors, other officials, targets and other supplies as required for the conduct of the match.
6. Obtain and retain, on file at your club, a notarized **Eligibility Affidavit and Liability Agreement** for all match competitors. A copy of the **Eligibility Affidavit and Liability Agreement** is located on the CMP web site at <http://thecmp.org/wp-content/uploads/Affidavit.pdf>. These forms are required by the federal law that established the CMP.
7. Submit a **CMP Championship Report Form** and the scorecards of all competitors who fired in the match.

**CMP SUPPORT FOR CHAMPIONSHIP MATCH SPONSORS:** To support your organization's conduct of this match, the CMP will:

1. Recognize the match as an event that is officially sanctioned by the CMP.
2. Post information about your match in the Upcoming Events listing on the CMP web site.
3. Provide scorecards (free of charge) for use in sanctioned matches.
4. Provide CMP Championship certificates to distribute to participants. Clubs may provide their club logo to be added to the certificate. Please email a JPEG image of the club logo to [Competitions@TheCMP.org](mailto:Competitions@TheCMP.org).
5. CMP will provide CMP Championship Medals to the top three competitors of CMP-sanctioned Championship Match.

**COMPLETING THE APPLICATION FORM.** The information given below is provided to explain items that must be completed on the application form.

- ⊙ **CMP Club Name and Affiliation Number.** All shooting clubs, state associations and other organizations that apply for CMP-sanctioning must be CMP-affiliated organizations whose current status is "Good."
- ⊙ **Type of Event.** Be sure to specify the type of event you plan to conduct.
- ⊙ **Dates/Location.** List the exact date(s) and location (city/state) on which the match will take place.
- ⊙ **Course of Fire.** A sanctioned CMP Championship Matches is a competition where competitors fire CMP course of fire. Indicate the course of fire(s) you will use for your event:

- **Highpower Rifle Events**
  1. **Presidents Rifle Course of Fire (30 shots, individual)**
  2. **Rifle National Match Course (50 shots, individual – EIC Match and/or Non-EIC Match)**
  3. **Highpower Rifle 4X20 (80 shots, individual)**
  4. **Highpower Rifle 5X20 (100 shots, individual)**
  5. **Highpower Rifle 4X50 Team (4X50 shots, team)**
  6. **Highpower Rifle 2X30 Team (2X30 shots, team)**
  
- **Pistol Events**
  1. **Service Pistol Aggregate (40 Shot Service Pistol, Service Pistol NMC & 30 Shot Service Pistol Team)**
  2. **CMP Pistol Aggregate (40 Shot Service Pistol, 40 Shot .22 Rimfire Pistol, NMC Service Pistol & NMC .22 Rimfire Pistol)**
  3. **2700 Pistol Aggregate (22 Rimfire 900 Aggregate Match, Centerfire 900 Aggregate Match and .45 Caliber 900 Aggregate Match)**
  
- ⊙ **Event Contact Person.** Your sanctioning application must include the name and contact information of the person competitors can contact to obtain information and register. The contact person's name, phone number and/or email address will be listed in the "Match Information" page of the CMP Competitor Tracker Upcoming Events listing for your match.
  
- ⊙ **Club Web Site.** If your club or organization has a web site please provide the web site URL and it will be listed on the "Match Information" page of the CMP Competitor Tracker Upcoming Events listing for your match.
  
- ⊙ **Packet Mailing Address (NO PO Box).** Where scorecards, certificates and other materials are to be shipped to support your CMP sanctioned event.
  
- ⊙ **Scorecards.** Estimate the number of scorecards required for your match; scorecards must correspond with the type of match being conducted. Scorecards must be returned to the CMP after the match. Those scores will be posted in the CMP Competitor Tracker system. Match sponsors may use this on-line score listing as an official results bulletin in lieu of producing a printed results bulletin that must be mailed to competitors.
  
- ⊙ **Certificates.** The CMP will provide certificates to be awarded to persons who complete in the match. The CMP Championship certificates will include the CMP logo along with the match sponsor or state association logo. Please email a JPEG image of your logo to [Competitions@TheCMP.org](mailto:Competitions@TheCMP.org). Estimate the number of certificates that will be needed for your event.
  
- ⊙ **ECIs (Empty Chamber Indicators).** CMP Rules require the insertion of ECIs in all rifles on ranges where sanctioned events are conducted at all times except when rifles are on the firing lines during preparation and firing periods.
