

CMP DISTINGUISHED MARKSMAN PROGRAM APPLICATION

Please respond to all applicable questions.

Please return your completed application to acantu@thecmp.org

Name:	Email:
Home Address:	Telephone: Daytime: Cell:

Disability or Physical Limitation. Describe your disability or physical limitation(s) and how they affect your ability to fire in a regular firing position:

Please attach a letter or certification from a Medical Doctor confirming your disability.

Pistol Firing Position. If you are applying to compete in a pistol EIC Match, please describe the firing position that you propose to use and any adaptive equipment (wheel chair, etc.) that you will require. If possible, please provide a photo of you with a pistol in the firing position you propose to use.

If you will fire from a wheel chair or chair, what is the minimum back rest height that you require?

Rifle Prone Position. If you are applying to compete in a rifle EIC Match, please describe the prone firing position that you propose to use and any adaptive equipment (wheel chair, etc.) that you will require. If possible, please provide a photo of you with a rifle in the firing position you propose to use.

If you will fire from a wheel chair or chair, what is the minimum back rest height that you require?

Rifle Sitting Position. If you are applying to compete in a rifle EIC Match, please describe the sitting firing position that you propose to use and any adaptive equipment (wheel chair, etc.) that you will require. If possible, please provide a photo of you with a rifle in the firing position you propose to use.

If you will fire from a wheel chair or chair, what is the minimum back rest height that you require?

Rifle Standing Position. If you are applying to shoot in a rifle EIC Match, please describe the standing firing position that you propose to use and any adaptive equipment (wheel chair, etc.) that you will require. If possible, please provide a photo of you with a rifle in the firing position you propose to use.

If you will fire from a wheel chair or chair, what is the minimum back rest height that you require?

Rifle Rapid-Fire. If you are applying to shoot in a rifle EIC Match, please describe how you propose to perform the movement from a start position to your sitting or prone rapid-fire position; please describe whether it will be possible for you to lay the rifle on the table/mat/etc. after the **LOAD** command and then, after time starts, pick it up, chamber the first round, get into position and start firing.

Support Stand for Rifle or Pistol. If you cannot hold the rifle in position with both hands or hold a pistol with one extended arm, and you propose to use a support stand to hold the rifle or pistol, please describe the stand you wish to use and the firing position(s) you will use. If possible, please provide a photo of you with the rifle or pistol with the support stand in the firing position you propose to use.

Special Assistance. If you need to have special assistance while shooting to load your pistol or rifle or to provide other necessary support, please describe (the CMP will not be able to provide loaders or personal assistants):
