2002 National Trophy Rifle and Pistol Matches

Civilian Marksman Program

A Message from the DCM:

In the aftermath of the 11 September 2001 attacks against the United States, greatly increased security and national defense requirements became a reality that created serious concerns about the 2002 National Matches. Our country resolutely responded to those tests, however, and resolved that terrorists would not stop us from doing the things that are important to us.

In response to these challenges, Major General John Smith, the Adjutant General of Ohio, stepped forward and instructed his staff to do everything they could, consistent with National Security requirements, to make sure the 2002 National Matches were held and that the effects of 9/11 would be as minimal as possible. All of us who are concerned with the welfare of the National Matches owe a tremendous debt of gratitude to General Smith for making that commitment last fall and for assuring that this year's matches could be such a great success.

Given the doubts that began our year of National Matches planning, we are especially pleased with this year's participation numbers. Nearly 2,000 students participated in the schools and clinics during the matches; Small Arms Firing School attendance was up 32%. Almost 4400 competitors shot in this year's matches; that's up 150 over 2001, which was the biggest year in 10 years. The potential for continued growth of the matches is evident.

We again express our sincere thanks to the NRA Competitions Division staff, to Col. Gilchrist, and to the National Matches officials and volunteers for the work they do in conducting the actual competition firing on the ranges.

Finally and most importantly, we extend a special thanks to all of you who attended the 2002 schools, clinics and competitions. You demonstrated great marksmanship skills and your discipline on the ranges allowed us to complete another year with zero firearms accidents. Camp Perry hosted over 6,000 shooters, volunteers and officials in 2002 and you once again assured that the Camp Perry National Matches is one of the safest, most enjoyable and memorable places that anyone could visit anywhere.

Gary Anderson
Director of Civilian Marksmanship

1903-2003--ONE HUNDRED YEARS OF NATIONAL MATCHES

In February 1903, an amendment to the War Department Appropriations Bill established the National Board for the Promotion of Rifle Practice (the predecessor to today's Corporation for the Promotion of Rifle Practice and Firearms Safety, Inc. that governs the CMP), authorized the National Matches, commissioned the National (Dogs of War) Trophy and provided funding to support the National Matches. Motivating factors in promoting this historic act were general concerns to improve military marksmanship and the loss of the Palma Trophy to Canada in 1901. Key leaders in enacting this historic act were Secretary of War Elihu Root, Senator John Dryden of New Jersey, Senator Redfield Proctor of Ohio, Congressman Frank Mondell of Wyoming and NRA President Gen. Bird Spencer. The bill also had the active support of President Theodore Roosevelt.

Pursuant to the Congressional authorization, Army General Order No. 61 was published in April 1903. It directed that the "National Trophy Match" would first be fired at Sea Girt, New Jersey on 8-9 September of that year. Teams of 12 representing the Army, military departments of the states, Navy, Marine Corps and state National Guard organizations were to fire 10 shots each with the U. S. service rifle in the standing or prone positions at distances of 200, 300, 500, 600, 800, 900 and 1000 yards to determine the first National Trophy winners.

The 2003 National Matches will mark the Centennial of the first National Matches. The CMP has appointed a Centennial Committee that is planning special activities to celebrate one hundred years of National Matches. The 2003 National Matches will be a special National Matches that all of you will want to begin planning now to attend so that you can be part of the Centennial celebrations!

2002 National Trophy Rifle and Pistol Matches Civilian Marksmanship Program

The National Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. national championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (§ 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U.S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

The Civilian Marksmanship Program published this Official 2002 National Trophy Matches Results Bulletin as part of its programs to promote competition shooting. Other current CMP competition programs include:

- Conduct of the **National Trophy Pistol and Rifle Matches**, in cooperation with the NRA Competitions Division.
- Publication of **CMP Competition Rules** to govern the National Trophy Matches and service rifle and service pistol shooting in the U. S.
- Publication of **U. S. Army Marksmanship Unit Guides** on Service Pistol, Service Rifle, International Rifle and International Skeet and Trap.
- Production of **U. S. Army Marksmanship Unit Training Videos** on three-gun pistol and highpower service rifle.
- Awarding of **Distinguished Rifleman, Distinguished Pistol Shot and Distinguished International Shooters Badges**.
- Sanctioning of **Excellence-In-Competition Matches** in service pistol and service rifle.
- Conduct of recreational and historic reenactment matches known as CMP Games events that include the **John C. Garand Match**, the **Springfield/Military Bolt Rifle Match** and the **Rimfire Sporter Match**.
- Sanctioning of **Club Matches** for Garand, Springfield, Military Bolt Rifle and Rimfire Sporter competitions.
- Sanctioning of **Club Rifle Clinics** (highpower rifle, M1, rimfire sporter).

2002 National Trophy Rifle and Pistol Matches Civilian Marksmanship Program

2002 First Shot Ceremony

The First Shot Ceremony that opened the 2002 Matches was a special display of the pride, tradition and patriotism that energizes the shooting sports in America. The CMP hosted the First Shot Ceremony on July 8, 2002 on behalf of the National Matches partners, the National Rifle Association, the Ohio Adjutant General's Department, the U. S. Army Reserves and the CMP.

Traditionally, the First Shot Ceremony marks the beginning of each National Matches. The ceremony features a distinguished guest speaker who has the honor of firing the official "first shot" of the Matches. This year's First Shot Speaker was Joel B. Hudson, Administrative Assistant to the Secretary of the Army. Also in attendance were Congresswoman Marcy Kaptur, several Ohio state legislators, Ohio Adjutant General MG John Smith and other military and local leaders.

The Kenton High School Army JROTC unit, from Kenton, Ohio provided a seven-person color guard for the ceremony. One of the most impressive parts of this year's ceremony was the presentation of a 30 x 50 foot American flag that was borne by ten policemen and ten firemen from

When the time came for the ceremonial shot that would commence the 2002 National Matches, Adam Bester, the high junior shooter in the 2001 National Trophy Individual Rifle Match assisted Mr. Hudson in loading the special, presentation M1 Garand rifle that was commissioned

Pride, patriotism and tradition are energizing themes in the Annual National Matches.

Drummers and 20 representatives of Camp Perry area police and fire departments prepare to present a 30x50 foot American flag at the beginning of the ceremony.

If anyone has questions about the health of the shooting sports in the United States in the aftermath of the September 11th tragedy, attending the National Matches should answer those questions. The 2002 National Matches and their First Shot Ceremony demonstrated that the shooting sports are alive, well and thriving in America.

2002 Award Presenters

2002 Pistol Ceremony Presenters.

Sergeant First Class Hershel Anderson, U. S. Army, Retired (Distinguished Champion Presenter)

Hershel is someone who truly ranks among the best American pistol shooters of all time. His major victories include three National Pistol Championships in 1973, 1974 and 1977, three National Indoor Pistol Championships in 1964, 1972 and 1976 and three Interservice Pistol Championships in 1973, 1974 and 1975. He won the President's Pistol Match twice, in 1974 and 1976, and the National Trophy Individual Pistol Match in 1975. He was on several winning National Trophy Pistol Teams and his .45 cal. slow fire National Match Record set in 1973 hasn't been beaten since.

Hershel Anderson also distinguished himself in international competition by winning two gold medals in the 1967 Pan American Games, one gold medal in the 1971 Pan American Games and two silver medals in the 1975 Pan American Games.

All these accomplishments notwithstanding, probably the single greatest feat of pistol marksmanship ever performed by an American occurred in 1974 when Anderson fired a pistol three-gun aggregate score of 2680-159X that has stood as the National Record ever since. Even more amazing is that in the year he set that record he broke 2670 eleven times, all with iron sights.

In his shooting career, Anderson has earned the Distinguished International Shooters Badge, the Distinguished Pistol Shot Badge and the Presidents One-Hundred Tab. He is a member of the U. S. Army Marksmanship Unit Service Pistol Hall of Fame.

Hershel Anderson was the fifth in a line of all-time great American pistol shooters that started with Harry Reeves and continued through Joe Benner, Bill Blankenship, Don Hamilton and then Anderson.

2002 Rifle Ceremony Presenters.

Chief Warrant Officer 3 Michael Pietroforte, U. S. Marine Corps, Retired (Distinguished Champion Presenter)

Pietroforte is recognized as one of the all-time great service rifle shooters. He rose to prominence in 1957 when he won the National Service Rifle Championship as a Marine Corps Staff Sergeant.

Until 1967, high power rifle shooting was done on a V ring target where a possible score on the National Match Course was 250 out of 250. In 1958, Pietroforte became the first shooter to ever fire a perfect 250 in the National Matches when he won the National Trophy Individual Championship with 250-23V score. That 250 was fired with an M-1 rifle. A 250 then carried the same pressure and prestige that firing a perfect 500 does today.

In the years that followed, Pietroforte placed his name on most of the major trophies that are awarded in the National Trophy and National Highpower Matches. He won the Appreciation Cup four times, the Air Force Trophy and the Scott Trophy. He contributed to winning US Marine Corps teams that won Rumboldt, Herkirk, Enlisted Mens and Romanian Trophy matches. He was a firing member of two winning National Trophy Teams. His record in Marine Corps matches was equally impressive. He won five divisional matches, the McDougal Trophy and the prestigious Lauchheimer Trophy that is awarded for combined rifle and pistol scores.

Pietroforte won the National Individual Rifle Championship for a second time in 1966, again with a perfect 250, only that time he did it with an M-14 rifle. That same year he also fired another perfect 250 in the National Trophy Team Match. His major victories included the Interservice Individual Championship in 1970 and the unprecedented distinction of firing perfect 500 scores in the NRA regional match course on both the west coast and east coast.

Pietroforte's competitive record and impact on Marine Corps marksmanship was so great that the Marine Corps Distinguished Shooters' Association commemorated his accomplishments by presenting the Pietroforte Trophy in his name.

Mike Pietroforte retired from the U. S. Marine Corps as a Chief Warrant Officer 3. In his shooting career, he earned the Distinguished Rifleman Badge, the Distinguished Pistol Shot Badge and the Presidents One-Hundred Tab.

2002 National Trophy Rifle and Pistol Matches Civilian Marksmanship Program

FINAL RESULTS 2002 NATIONAL TROPHY RIFLE MATCHES

The National Trophy has become the most prestigious team trophy in American marksmanship. The U. S. Congress authorized the trophy in 1903 when it established the first National Matches. The large bronze plaque depicts an ancient warrior with four "dogs of war" on leashes. The trophy is awarded annually to the winner of the National Trophy Team Match for six-member service rifle teams. The U. S. Army Marksmanship Unit Coffey, coached by SFC Charles Coffey, won the National Trophy in 2002 with a score of 2933-12X.

FINAL RESULTS 2002 CMP GAMES MATCHES

The Springfield, Garand and Rimfire Sporter Match shooters shown here demonstrate why these new shooting games are growing so fast. They are shot with "as-issued" or commonly available rifles and a minimum of equipment and have courses of fire designed to emphasize fun, history and access for all shooters.
