

# PLANNED GIVING

**Did you know you can make a gift  
to the CMP that costs you  
nothing during your lifetime?**

# CMP PLANNED GIVING

**Naming The Civilian Marksmanship Program as a beneficiary in your will builds our long-term financial strength and allows you to create a meaningful legacy.**

- **It's Simple:**  
**One paragraph in your will can set up your gift. A bequest doesn't take effect until your death. It's a gift that doesn't affect your current asset balance or cash flow.**
- **It's Flexible:**  
**You can give us cash, a specific asset, or a share of what's left after your gifts to your family and friends. Your bequest can support a particular program, or allow us to use it for our greatest needs when your gift is received.**
- **It's Revocable:**  
**If your plans or circumstances change, you can easily change your will.**

**We can help you take the next steps to plan your gift. Just contact us at:**
