Junior Highpower Support Program Instructions

February 1, 2022

Dear CMP State Association/Club/ or Affiliated Team,

Thank you for showing an interest in our Junior Highpower Support Program, the following letter will provide you information on the program, the requirements to earn financial assistance as well as the application process.

The Civilian Marksmanship Program (CMP) provides financial assistance for eligible members of junior highpower rifle teams sponsored by state associations, or CMP clubs that compete in the National Trophy Rifle Matches during the National Matches at Camp Perry. This program was developed to promote junior participation in the National Matches and to encourage junior shooters to become actively involved in highpower service rifle competition. The funding provided is intended to be partial support to help offset travel, entry fee and accommodation expenses for the club or individual. Sponsoring state associations, clubs and teams are strongly urged to provide additional support for their juniors to help them attend the National Matches.

The rules that govern the **2022 CMP National Matches Junior Highpower Support Program** follow:

ELIGIBILITY:

The state association, club, or team applying for support from the CMP is required to have the following:

- a status of **GOOD** with the CMP
- a completed **2022 Annual Report** (or be a new affiliate in 2022)
- and have paid its 2022 annual dues.

To participate in the National Matches as a junior shooter the individual must meet the following eligibility criteria:

- Must be between 12 and 20 years of age by August 1, 2022
 - Junior shooters under the age of 14 with previous match experience must apply for an Age Restriction Waiver in accordance with CMP Rule 4.4.5 in the CMP Competition Rules for Service Rifle and Pistol Book.
- Must have a signed CMP Parent Consent Form, as well as the consent and release statement that is incorporated in the Junior Shooter Registration Form on file with the CMP.

To receive support from the CMP the following matches and clinics are required of each individual shooter:

- Attend and participate in either the CMP-USMC Junior Highpower Clinic or the USAMU Rifle Small Arms Firing School
- Compete in the Presidents 100 Rifle Match
- Compete in the National Trophy Individual Match (NTI)
- Compete in the National Trophy Junior Team Match (NTJT) or the Hearst Doubles Team Match

**Competing as a member of a team in the National Trophy Team Matches is not required but is strongly encouraged.*

Support provided is limited by the total funds in the CMP budget for this program, the age of the junior participants, as well as the number of times a junior can receive support. **Junior shooters who have received support for two previous National Matches are not eligible for additional support.** The purpose of these limitations is to provide funding to junior shooters who have not attended the National Matches before.
