CMP NATIONAL AIR RIFLE CHAMPIONSHIP

Letter of Thank You

On behalf of the Civilian Marksmanship Program, we would like to thank you for participating in the annual CMP Three-Position National Championship. This year's series of events looked different than past years, with two postal-style competitions leading up to the National event in June and July.

A total of 832 juniors entered the CMP Postal Match last fall, including athletes from 4-H, Scouts, American Legion, club or JROTC air rifle programs. Top scorers then moved on to the CMP Virtual Three-Position Championship postal competition, a substitute to the usual Regional Championships, in March 2021. The event saw 427 athletes compete from their home ranges, with the leading individuals and teams receiving an invitation to the National Championship.

To ensure the safety of all participants and guests, the CMP decided to host the National competition simultaneously in two separate locations: the Gary Anderson CMP Competition Center in Ohio and the South CMP Competition Center in Alabama. Along with cash prizes to the overall winning teams and individuals, the CMP awarded \$1,000 scholarships to the top three senior competitors of each discipline.

Also, as in years past, Larry and Brenda Potterfield of the MidwayUSA Foundation provided generous donations to winning teams of the CMP 3PAR National event to be used toward their respective endowment accounts. The MidwayUSA Foundation is a 501c(3) public charity that helps communities and organizations raise funds to support youth shooting teams and activities today and into the future.

CMP staff members and administrators would like to extend our thanks to coaches, volunteers, parents and guardians for all of their efforts during the unconventional air rifle season. It was a pleasure witnessing true dedication to the sport. Congratulations to a successful year!

To view, download, print or purchase photos from the event, log onto the CMP's Zenfolio page at <https://cmp1.zenfolio.com/f110931702>. We look forward to seeing everyone back on the line this fall for more air rifle competition and fun!

Mark Johnson
CMP Director of Civilian Marksmanship

CHANGING THE FUTURE OF
YOUTH SHOOTING SPORTS

Sporter Event

High School Teams Top 2021 National Three-Position Air Rifle Sporter Match in June

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio; ANNISTON, Ala. – Scholastic rifle teams came to win during the Civilian Marksmanship Program's (CMP) 2021 National Three-Position Air Rifle Sporter Championships, held simultaneously at the Gary Anderson CMP Competition Center in Ohio and the South CMP Competition Center in Alabama, June 24-26.

The three-position event consists of two days of competition between high school and club air rifle marksmen – featuring both the Junior Olympic National Three-Position Air Rifle (3PAR) and the CMP Nationals. As in years past, athletes of the 2021 event fired qualifying scores each day, with the top eight competing in a final. Winners from each location were recognized, with overall winners determined from scores of all participating athletes.

Nation Ford High School from South Carolina, Zion Benton High School of Illinois and Ozark High School in Missouri overtook the overall top three places, respectively, in both the Junior Olympics and the CMP Nationals team contests. Nation Ford has been claiming overall medals consistently at Nationals since 2016 – earning at least second or even first overall, not only as a team, but with its individual athletes.

Staying true to form, Nation Ford produced the overall individual athlete in the Junior Olympic match in 2021, with Maya Cameron, 17, earning a score of 653.9 – just sixth-tenths of a point over second place. Nation Ford members also reached third and fifth place overall finishes during the match. The team's talented athletes went on to earn the second, third and sixth places in the CMP competition.

Also achieving consistent medal-winning showings over the years is Zion Benton, who has been a past overall winner. The team earned second in both the Junior Olympics and CMP com-

Jason Champagne was the overall competitor of the CMP 3PAR match and was also second overall in the Junior Olympic event.

petitions in 2021, with multiple members earning medals at the Camp Perry location.

"I'm really, really proud of them," said coach Master Chief Dan Hackstein. "They've worked hard for this competition. We've been very, very fortunate at our school to have been able to practice since right after the week of the Fourth of July (2020), so we've been working hard – and it's nice to see the practice pay off in these National competitions."

He went on to talk about graduated senior Halie Creekmore, 17, who earned fourth overall in the CMP National event. Creekmore finished second in the competition her freshman year in 2018 and led at the Camp Perry location in 2021.

continued...

Nation Ford High School led both the Junior Olympic and CMP 3PAR Sporter National events.

The team also claimed the High Scholastic Team title in Anniston.

Likewise, teammate Amarissa Jackson, 17, earned fourth overall in the Junior Olympic event and fifth in the CMP. With Creekmore moving on next year (working toward a future in graphic design), Jackson will have the chance to fill an important role at Zion Benton as she enters her senior year.

"Amarissa really came on strong this year," Hackstein said. "She is just so consistent, and she'll lead our team next year."

Earning the overall individual spot in the CMP National 3PAR event was Jason Champagne, 18, of Jack C. Hays High School, Texas. Champagne also earned second in the Junior Olympic match.

A tournament chess player and honor student, Champagne's coach credits him for bringing "thoughtful contemplation" to the rifle team.

"Jason is the most focused and methodical marksman I have coached in eight years," said Jack C. Hays coach LtCol Don Wimp. "It is unusual to find a shooter who is truly never satisfied and

whose goal is perfection every time he shoots."

Champagne will be attending Texas A&M in the fall, pursuing a degree in engineering toward employment in the space exploration industry.

Zion Benton High School from Illinois achieved second overall in both team competitions and was the High Scholastic Team at Camp Perry.

continued...

Junior Distinguished Badges were also awarded during the event.

The top eight individuals at each location were awarded medals and checks, presented by the CMP, with the top three individuals overall receiving additional awards. Teams from each location as well as overall were also recognized. As part of the continued support of youth athletes, the CMP will send \$1,000 scholarships to the top three overall graduated seniors of the competition.

The CMP would also like to thank Larry and Brenda Potterfield, co-founders of the Midway-USA Corporation, who again provided generous donations for the National 3PAR Championship. The MidwayUSA Foundation is a 501c(3) public charity that helps communities and organizations raise funds to support youth shooting teams and activities. The Foundation is an endowment which helps fund team expenses today and into the future.

Overall winner Jason Champagne celebrates with fellow competitors after the 10 shot final.

Maya Cameron of Nation Ford topped the Junior Olympic individual match.

Ozark High School from Missouri was the third place team in both National events.

Precision Event

Hogan, Texas Hill Set New National Records at 2021 National 3PAR Precision Championships

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio; ANNISTON, Ala. – Mikole Hogan, 17, of Montgomery, Texas, set a new J2 3x20 national record with a staggering score of 599-48X during the 2021 National Three-Position Precision Air Rifle Championships. Hogan dropped only one point during the standing portion and garnered perfect scores of 200 in prone and kneeling.

Hogan earned the record during the Junior Olympic (JO) portion of the Championships, which also saw a new Team 3x20 national record score, fired by the Texas Hill Country Shooters. Team members Elizabeth Probst, Braden Peiser, Briley Sralla and Anne White combined their efforts to reach an overall score of 2363-180X to secure the win and a new bar for future competitions.

The 2021 National Three-Position Precision Air Rifle Championships were held simultaneously at the Civilian Marksmanship Program's (CMP) Gary Anderson Competition Center at Camp

Mikole Hogan fired two new national records during the Junior Olympics competition.

Perry, Ohio, and the South Competition Center in Anniston, Alabama, July 17-19. The two-day junior event featured the Junior Olympic National

3PAR (three-position air rifle) match along with the CMP National 3PAR match.

Though traditionally conducted at one location, the 2021 Championships split into two locations in order ensure a safer environment for guests and competitors. Athletes participating in the event competed in three-positions (prone, kneeling, standing) for qualification, followed by an Elimination Final for the top eight leading competitors at each location for both the Junior Olympics and the CMP 3PAR events. Athletes in the final fired five shots in kneeling, prone and standing positions before entering one-shot elimination rounds, with the last athlete standing declared the winner.

Texas Hill Country Shooters also set a new national team record during the JO match and also led the CMP 3PAR event.

continued...

During the JO match, Emme Walrath, 15, of Kenosha, Wisconsin, and Katie Zaun, 18, of Buffalo, North Dakota, gave spectators in Ohio quite a show during their respective final. On the last elimination shot, Zaun led Walrath by 1.2 points, only needing to maintain her lead to claim the win. After each athlete sent her pellet downrange, the monitors displaying scores for onlookers in the range showed a score of 9.6 for Zaun and an incredible 10.8 for Walrath – tying it up and forcing a shoot off. As the audience members cheered on, Zaun and Walrath loaded and fired one more shot.

Zaun: 10.0. Walrath: 10.3.

With that, the spectators in the stands exploded with applause, congratulating each talented athlete on an exceptional fight for the gold. Walrath, who came from behind to earn the win, openly showed her surprise and excitement for what she had accomplished through her glowing facial expressions. View the video at <https://youtu.be/A0UC7GP02IU>.

"I was shaking in my boots," Walrath said afterward, modestly. "I really have no clue how I did it! Something just empowered me to do it."

"Katie Zaun is just amazing," she add-

Emme Walrath overcame a hard-fought final to claim both the JO and CMP matches in Ohio.

ed. "When I heard our scores were tied, I was shocked. Going into the next shot, my hand was shaking, but I just tried to take the best shot that I could."

Both Walrath and Zaun showed great sportsmanship and composure on the line after the contest, shaking hands and exchanging smiles.

Walrath returned the following day to overtake the Elimination Final in the CMP 3PAR event as well. Her plan was to go into the qualification round and the finals with a fresh mind, forgetting her hard-fought victory of the day before. She kept her cool and was able to showcase her abilities on the line.

"I was just thinking I had to build up my points in the beginning, which I did, and my positions felt really stable. I was able to get into the zone easily," she said of her CMP follow-up win.

Katie Zaun, who fell just short of Walrath in the Ohio JO final, earned second overall in the CMP 3PAR match.

continued...

The top eight individuals at each location were awarded medals and checks, presented by the CMP, with the top three individuals overall receiving additional awards. Teams from each location as well as overall were also recognized. As part of the continued support of youth athletes, the CMP will send \$1,000 scholarships to the top three overall graduated seniors of the competition.

Photos of the event from both locations can be found on the CMP Zenfolio page at <https://cmp1.zenfolio.com/f110931702>.

The CMP would also like to thank Larry and Brenda Potterfield, co-founders of the Midway-USA Corporation, who again provided generous donations for the National 3PAR Championship. The MidwayUSA Foundation is a 501c(3) public charity that helps communities and organizations raise funds to support youth shooting teams and activities. The Foundation is an endowment which helps fund team expenses today and into the future.

Katrina Demerle was the overall athlete in the CMP National 3PAR event and second overall in the JO match.

Several juniors were awarded their Junior Distinguished Badge at the opening of the CMP National Precision Championship awards ceremony.
