AMU's Clegg Claims Pistol 2700 Any Sight Aggregate

By Ashley Brugnone, CMP Writer

SSG Carl Clegg of the Army Marksmanship Unit led the Pistol 2700 Any Sight Aggregate.

Starting off the highly anticipated return of the National Matches at Camp Perry with a collection of impressive achievements, SSG Carl Clegg, 35, of the Army Marksmanship Unit, gave consistent notable performances to lead overall during the Any Sight portion of the challenging Pistol 2700 Aggregate event. Clegg tallied a total score of 2648-114X in the match.

The 2021 National Pistol Matches were fired July 12 through July 18 on the grounds of the historic Camp Perry National Guard Training Facility in Ohio. Over 3,700 entries were seen throughout the annual event, which featured competitions never before held on the pistol series schedule – including numerous aggregate opportunities.

Conditions throughout the National Pistol Matches were what was expected by those familiar with the unstable environment often found at Camp Perry. Gusty winds and bouts of precipitation greeted competitors on the firing lines, with sunshine and heat also making appearances through the week.

"This is Perry – it's what you train for. You have to expect it," said Jonathan Shue, 40, of Liberty, North Carolina.

Shue landed only four points behind Clegg for second overall in the Any Sight event and is a past winner of some of the most honorable events of the National Matches. He found several successes at the 2021 event, like earning High Civilian of the Pistol 2700 Aggregate, leading the Civilian class of the Center Fire 900 Aggregate and helping to claim multiple team competitions.

Shue had recently taken time off from competition, shooting his first match in over a year in early 2021. As if no time had passed at all, he jumped back onto the ranges at Camp Perry and produced a number of commendable showings.

"It was a good solid performance over the week. I didn't do anything great, I didn't do anything stupid," he joked.

In addition to success within CMP events, Shue was also the High Aggregate winner of the inaugural Triple Crown Match, led by the Ohio Rifle and Pistol Association. The match was held over three Ohio-based venues: The Cardinal Center in Marengo, the Canton McKinley Rifle and Pistol Club in Canton and Camp Perry in Port Clinton.

For accumulating his score of 7944-425X, Shue received a prize of \$2,250 and the Pardini Trophy. Various individual awards were also presented, including High Senior, High Junior and High Woman, among others. View the entire list of Triple

Jon Shue earned several accolades in the National Matches aggregate events, including High Civilian.

National Trophy Rifle and Pistol Matches

The National Trophy Rifle and Pistol Matches are the annual U. S. National Championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.

New Events and Competitors Pack CMP's 2021 Camp Perry National Pistol Matches

By Ashley Brugnone, CMP Writer

After missing 2020, the National Pistol Matches returned to Camp Perry with nearly 900 participants.

Featuring competitions never before held on the Civilian Marksmanship Program's (CMP) event schedule, the annual 2021 National Pistol Matches welcomed nearly 900 individuals on the firing lines – some for the first time.

1st Sgt. Mario Gonzales made his National Matches debut in 2021 and already eager to come back.

Such newcomers included 1st Sgt. Mario Gonzales from Camp Parks in Dublin, California. Gonzales is a member of the 1-363rd Training Support Battalion and is also a Deputy Sheriff for the City and County of San Francisco. His marksmanship experience includes 20 years with the Army and competing at a local rod and gun club.

Gonzales admitted he had heard of Camp Perry in the past but was unable to make the trip until this year, arriving not only to compete but also to take the lessons he's learned back with him to embed into his company's training.

"I'm super addicted and I'm looking forward to bringing the rest of my company out here to enjoy it again – hopefully," he said with a smile. "It's a great place. Ohio has some of the most humble people I've ever met, and I'm looking forward to coming back again."

Fired July 12 through July 18 on the grounds of the historic Camp Perry National Guard Training Facility in Ohio, new events on the National Pistol Matches schedule included the Pop-Up Pistol match on the pop-up range located behind the Gary Anderson CMP Competition Center. During the match, participants fired upon red and blue targets that electronically pushed upwards and fell backwards. Competitors aimed at each target as they rapidly appeared, earning points for each hit.

CMP Pistol Matches Continued

"It was a fun match. We had great reception all day," said Chris Knott, CMP armorer who helped lead the Pop-Up event.

Over 100 competitors completed the just-for-fun match, with more showing up to observe out of curiosity. The details of the Pop-Up event are currently being discussed by CMP staff members, with the possibility of reprisals at future CMP events.

Another fresh competition to the CMP calendar was the Revolver Match, which saw over 170 competitors. Winning the inaugural event was Anthony Bellipanni, 50, of Birmingham, Alabama, with a score of 274-8X. High Woman was 2LT Lisa Emmert Traciak, 25, of Kalamazoo, Michigan, while John O'Donnell, 63, of Saint Louis, Missouri, and Vernon Reichenbecher, 73, of Edgar Huntington, West Virginia, earned Senior and Grand Senior titles, respectively.

Also new to the National Matches pistol series was the inclusion of Industry Day. Vendors like Walther Arms and Starrett precision tools arranged their own displays on the range, which included hands-on and live-fire product demonstrations conducted alongside CMP's Pistol Games matches on surrounding ranges.

Along with the new were the traditional National Trophy Matches and CMP's own Pistol Games matches that have come to be greatly anticipated by competitors, including the prestigious President's Pistol Match and the National Trophy Individual (NTI) event.

Claiming the 2021 President's Match was SSG Ryan Franks, 33, of the Army Marksmanship Unit with a score of 379-12X. Civilian David Lange, 52, of Glen Rock, New Jersey, went on to overtake the NTI Match, firing a score of 287-10X.

The GLOCK Match, sponsored by the popular pistol manufacturer, again brought a unique and exciting challenge to the range. Winning the Stock category was Jonathan Shue, 40, of Liberty, North Carolina, with an astounding 500-45X. SSG Carl Clegg, 35, of Columbus, Georgia, cleared an incredible 500-46X in the Unlimited category, while SP4 Mate Standard, 32, of Waverly Hall, Georgia, dropped only two points in the Rimfire category to reach an overall score of 498-43X in the GLOCK event.

Photos of all of these and other National Matches can be found on the CMP Zenfolio page at <https://cmp1.zenfolio.com/f114097770>.

An event meant only for fun, the CMP's Pop-Up Pistol Match drew in over 100 competitors.

New to the CMP match schedule in 2021 was the Revolver Match.

CMP's Industry Day allowed marksmanship vendors the chance to show off their products on the range.

Participants in the GLOCK event could fire in three different categories: Stock, Unlimited or Rimfire.

CMP Sees Over 640 Entries During National Air Gun Events

By Ashley Brugnone, CMP Writer

CAMP PERRY, Ohio – Fired throughout the Civilian Marksmanship Program's (CMP) National Matches in July and August, the National Air Gun events welcomed over 640 air rifle and air pistol entries, fired by competitors of all ages from around the country. The matches were held within the Gary Anderson CMP Competition Center, located on the grounds of the historic Camp Perry National Guard Training Facility, where the National Matches have been conducted for over a century.

The National Air Gun Matches feature a variety of events, suited for both seasoned competitors and those new to the sport. Traditional 60-, 40- and 30-Shot events as well as modern Bench League opportunities (shot from a supported position) lined the schedule for competitors to choose from during the summer months.

Winning the 60 Shot Air Pistol Match was Michael Soklaski, 24, of Ringoes, New Jersey, with a score of 568-14X. High Woman of the event was 2nd Lt. Lisa Emmert Traciak, 25, of Kalamazoo, Michigan, and the Army National Guard, with a score of 560-15X. High Junior was Mehr Chanda, 13, of Coppell, Texas, with 546-8X, and Bruce Martindale, 63, of Charlton, New York, claimed the High Senior title with a score of 550-8X.

Timothy Schmeltzer, 24, of Greenville, Michigan, led the 40 Shot Pistol event with a score of 378-11X, as Dwaine Hurt, 57, of Red Oak, Iowa, overtook 30 Shot Pistol with 285-11X.

Those who competed in the 30 Shot event were automatically entered into a Center Shot contest, where participants who fire closest to target center have the chance to win money, based on participation. Judy Tant, 71, of East Lansing, Michigan, earned the top spot in the National Matches Pistol Center Shot competition with a 10.9X closest from target center at 0.101980mm. For her win, she received \$159.50 from the CMP.

Also receiving prize money in the contest were the next seven closest competitors (all firing 10.9s):

2. Mehr Chanda, 13, Coppell, Texas
3. Eric Herrin, 58, Raleigh, North Carolina
4. Nate Gunn, 38, Spencer, West Virginia
5. Devin LaCross, 19, Jackson, New Jersey
6. Howard Bentley, 68, Barboursville, West Virginia
7. Tom Dipietro, 74, Belleville, Michigan
8. Neil Hay, 65, Baroda, Michigan

Likewise, competitors in the 30 Shot Standing Rifle event were automatically entered into the Center Shot contest. Claudia Muzik, 15, of Green Springs, Ohio, was the closest from target center at 2.37876018mm and received the overall cash prize.

The next seven closest competitors received cash prizes included:

2. Michael Judd, 57, Crestview, Florida
3. Rebecca Pendleton, 13, Green Springs, Ohio
4. Jack Daniels, 13, Dracut, Massachusetts
5. Dustin Carr, 20, of San Diego, California
6. Craig Weston, 71, Mount Solon, Virginia
7. Scott Braun, 51, Belvidere, Illinois
8. Chris DeForge, 34, Hampton, Virginia

Winning the 30 Shot Rifle Match was Lillian Warren, 17, of Perry, Michigan, with an outstanding score of 300-17X. Thomas Wonderly, 75, of Portage, Ohio, led overall in the 40 Shot Vintage Air Rifle Pneumatic Sniper Match with a score of 396-12X, as Chance Cover, 30, of Sandusky, Ohio, claimed the win in the 60 Shot Rifle event with a score of 620.4.

Other 60 Shot Air Rifle awards included High Woman and High Junior honors, which both went to M'Leah Lambdin, 18, of Colorado Springs, Colorado, for her score of 619.4.

The National Air Gun Matches are open through the duration of the National Matches, with guests able to come in to shoot at their leisure.

An AiR-15 Challenge Match, featuring air guns that resemble service AR-15 rifles, was also held during the National Air Gun events. The match typically includes a concluding final amongst the top competitors but was removed for the 2021 event. Leading this year's match was the Army Marksmanship Unit's Sgt. 1st Class Brandon Green, 36, of Box Springs, Georgia, with an overall score of 397-15X.

The CMP's 30 Shot Bench League allows participants to compete a national-level event, even if he or she has never competed before. During the League, competitors fire air sporter, precision or AiR-15 rifles off of a fixed support for added stability – providing a fun and challenging experience for all. Earning the win in the AiR-15 Bench League Match was Larry Bush, 73, of Perrysburg, Ohio, with a score of 309.6. Larry Kiraly, 68, also of Perrysburg, fired a 315.0 for the overall win in the sporter match, with Philip Edwards, 73, of nearby Marblehead, Ohio, coming out on top of the precision match with a score of 318.9.

Texas Junior Austin Stone Learns By Doing at First National Matches Showing

By Ashley Brugnone, CMP Writer

Austin Stone, 16, of Lindale, Texas, and Charisma Owen, 18, of Wichita Falls, Texas, were the overall winners at the 2021 National Matches Junior Team Trophy .22 Pistol Match, fired in July. The two young competitors represented the Texas State Rifle Association and claimed the Riding the High Places Trophy in their win.

The day of the Team match, the wind pick up dramatically. Stone had never shot in wide-open ranges like the ones of Camp Perry and was given an immediate, personal lesson on the range.

"I had to quickly adjust to the constant pushing and pulling of the wind," he explained. "I was a little nervous, but, mainly, I just wanted to perform well with Charisma, who has done well in this event in the past."

Owen, who competes in both service rifle and bullseye pistol, has been a part of the shooting sports world since she joined her local 4-H Club in 2012. Developing a strong interest in marksmanship, she became involved with the Texas Junior Service Rifle and Junior Pistol Team a few years later. She earned her Distinguished Rifleman Badge in 2019, the same year she attended her first National Pistol Matches and is now on her way to achieving the same honor in Service Pistol.

"Shooting with Charisma was so much fun, and there is so much I can learn from her," Stone said. "She is a great captain and is always encouraging the other juniors. She's very experienced with shooting and has been very successful."

"She's also very outgoing and fun to be around and puts everyone on the firing line in a good mood," he added.

Stone has been shooting competitive pistol for a little over two years now, since attending a safety training class with a friend.

"After the training, we went through a bullseye pistol style match," he explained. "Dan Miller, who has been shooting for years, asked me if I wanted to shoot bullseye competitively, and that's when it began."

As a member of the Texas State Rifle Association Pistol team, Stone mainly competes in bullseye but also shoots ISSF (International Shooting Sport Federation) sport and air pistol, along with CMP EIC (Excellence-In-Competition) matches. He uses a .22 caliber Hammerli 208 International, built in the 1970s.

This year was Stone's first trip to the National Matches and, in his words, he "definitely got the Camp Perry experience with all the rain, and wind and challenges."

Austin Stone and Charisma Owen were the overall winners of the National Matches Junior Team Trophy .22 Pistol event in 2021.

"But I enjoyed it. It was a great experience," he said. "I learned a lot about myself and how I shoot and learned a lot from all the other great shooters. It was different and difficult having to shoot multiple times a day for multiple hours each day, but very worth it."

"This sport has great people, and they were all very helpful and supportive of me as a junior," Stone went on. "There was always someone to help me with any question I had, from shooting in the moment to moving forward and developing as a marksman."

Some important advice he received was focusing on each shot individually, forgetting about the bad ones and trusting his shot process. Having encouragement from veteran marksmen was helpful to Stone as he navigated the tough, yet exciting, atmosphere of the National Matches.

"Camp Perry was a great experience, and I really appreciate the spirit of the games and shooters," he said. "This is a great sport, and I learned so much about shooting and mental techniques from all the very helpful and supportive people. The entire time, I felt very supported as a fairly new junior shooter."

For the future, Stone hopes to continue shooting .22 bullseye and sport pistol and working his way to a .22 Distinguished Rimfire Pistol Badge. He's even thinking about becoming part of a collegiate team one day.
