

Fulfilling our Mission - Marksmanship and Firearms Safety, with an Emphasis on Youth.

The CMP, faithful to its mission of promoting Marksmanship and Firearms Safety to young and old alike, welcomes you to America's finest state-of-the-art public marksmanship park.

The facility provides a safe, rewarding, and enjoyable environment for families, and attracts recreational target shooters and nationally-recognized competitors from across the United States and beyond.

Since 1903, the Civilian Marksmanship Program (CMP) has played an important role in the conduct of the annual National Matches, held at Camp Perry, Ohio, including the prestigious National Trophy Rifle and National Trophy Pistol Matches.

In addition to the CMP Talladega Marksmanship Park, the CMP also owns and operates two championship-quality electronic indoor airgun ranges, located in Anniston, Alabama and Camp Perry, Ohio. The CMP also operates mobile airgun ranges and conducts youth camps and competitions in many locations in the U.S. each year.

The Future of Marksmanship is Here!

The Civilian Marksmanship Program has developed a 500-acre marksmanship park for recreational enjoyment and competition.

The centerpiece is a versatile highpower rifle range with 50 covered firing points and all-weather electronically-scored targetry at 200, 300, and 600 yards. The park also features a 100-yard rifle range and 25 & 50-yard pistol ranges with the same technology, plus an unknown distance with many scattered targets.

CMP Talladega features 15 action pistol bays that accommodate a variety of competitions, including 3-Gun, IDPA, IPSC & USPCA.

Shotgunners enjoy a 15-station sporting clays loop, trap field, 4 skeet fields and a 5-stand field.

All of these amenities allow recreational users more productive time at our facility and rewards match competitors.

The crown jewel of the park is a 13,000 square-foot clubhouse featuring a check-in & reception area, two multi-media classrooms, spacious indoor and outdoor lounge areas, memorabilia and more!
