The CMP Talladega Marksmanship Park is excited to share our love of Marksmanship to the Archery Community. We are making changes for the growth of Archery here at the Park and with the help of the shooters who share ideas with us, it will continue to grow. Growth such as dropping our minimal age from 10 years of age to 6 years of age on the Archery Range was one of the first changes made. We have also started making the necessary moves to join ASA- Archery Shooters Association so we will be able to host ASA Qualifiers and other larger events as requested. We Thank You for your support and look forward to seeing you soon at one of our Monthly 3D Archery Tournaments or one of the many events held daily here at the CMP Talladega Marksmanship Park.
