CMP NATIONAL AIR RIFLE CHAMPIONSHIP

Letter of Thank You

On behalf of the Civilian Marksmanship Program, we would like to thank you for participating in the annual CMP Three-Position National Championship!

A total of 1,065 juniors entered the CMP Postal Match last fall, including athletes from 4-H, Scouts, American Legion, club or JROTC air rifle programs. The top 497 scorers moved on to the CMP Regional Championships in March and April, with the leading individuals and teams receiving an invitation to the National Championship.

Along with witnessing the talents of our young athletes, we were proud to present funds to overall winning teams and individuals: \$1,000 for first through third and \$500 for fourth through eighth for individuals and \$2,000 for third, \$3,000 for second and \$4,000 for first place teams. The CMP was also happy to award \$1,000 scholarships to the top three senior competitors of each discipline.

As in years past, Larry and Brenda Potterfield of the MidwayUSA Foundation provided generous donations to winning teams of the CMP 3PAR National event to be used toward their respective endowment accounts. The MidwayUSA Foundation is a 501c(3) public charity that helps communities and organizations raise funds to support youth shooting teams and activities today and into the future.

CMP staff members and administrators would like to extend our thanks to coaches, volunteers, parents and guardians for all of their efforts during the air rifle season. It was a pleasure witnessing true dedication to the sport. Congratulations to a successful year, and we look forward to seeing everyone back on the line this fall for more air rifle competition and fun!

Nation Ford's Cameron Earns Overall Wins, National Records

By Ashley Dugan, CMP Writer

CAMP PERRY, Ohio – Nation Ford High School's Marine Corps JROTC, coming off a Three-Position National Championship title its members achieved in March, saw Maya Cameron, 18, leading all matches at the 2022 National Three-Position Sporter Air Rifle Championship.

The National Championship for the sporter class was held June 23-25, 2022, at the Gary Anderson CMP Competition Center in Ohio. A group of 122 junior athletes from 4-H, Scouts, American Legion, club and JROTC air rifle programs fired in the event, which facilitated two different matches: the Junior Olympic Three-Position Nationals and the CMP Nationals.

During her winning performances, Cameron set a new overall and MCJROTC national record in the Junior Olympic competition with a finals score of 443.9 and two new national overall and MCJROTC records for her outstanding finals score of 448.8 in the CMP match.

Cameron, who served as captain of the Nation Ford team for three years, will be taking her talents to North Georgia University where she'll compete on the school's own rifle team.

Nation Ford was also the leading sporter team each day of the National Three-Position Air Rifle Championship while fielding a third and second place team and five top three individual finishes. Unsurprisingly, Nation Ford was the high scholastic team in both matches.

Other placing teammates were Kyle Orr, 18, who earned third and second place wins, respectively, as Samantha Zermeno, 17, added another third place finish in the CMP Nationals event. Nation Ford's Abril DeCastro, 16, landed in eighth place in the Junior Olympic match.

Also earning a spot on the podium was Tha Dah, 17, of Des Moines Central MCJROTC from Iowa, who claimed second place in the Junior Olympic match.

Along with medals, the leading eight individuals of the CMP Three-Position Match received monetary awards from the CMP: \$1,000 for first through third and \$500 for fourth through eighth. Teams received their own funds from the CMP: \$2,000 for third, \$3,000 for second and \$4,000 for first.

The CMP also presented \$1,000 scholarships to the top three placing graduated seniors of the event. This year's recipients were Maya Cameron, Kyle Orr and Tha Dah. Junior Olympics National Individuals:

Texas Hill, Walrath Repeat Last Year's Performances at 2022 National Three-Position Championships

By Ashley Dugan, CMP Writer

Those in attendance at the 2022 National Three-Position Precision Championships might have been feeling some déjà vu.

At last year's event, which was held in two different locations to accommodate COVID restrictions, Texas Hill Country Shooters set a new Team 3x20 national record score in the Junior Olympic (JO) match. Texas Hill returned in 2022 to not only fire a new Team 3x20 national record in the JO event but also turned around to break and set a new record in the CMP competition the next day – reaching an overall score of 2379-200X. Team members included Elizabeth Probst, Braden Peiser, Camryn Camp and Briley Sralla.

The National Three-Position Precision Air Rifle Championships were held at the Civilian Marksmanship Program's (CMP) Gary Anderson

Competition Center at Camp Perry, Ohio, July 13-15, 2022. The two-day junior event featured the Junior Olympic National 3PAR (three-position air rifle) match along with the CMP National 3PAR match.

Individual winners were chosen each day through a three-position elimination final, where the top eight qualifying athletes started from a score of 0.0 and fired shots at prone, kneeling and standing positions to accumulate aggregate scores. Lowest scores were eliminated from the final until only one remained. Overall winning teams were also determined from four-person qualifying aggregates from each day's scores.

“This event brings out the best junior air rifle shooters, and this year was no exception,” said Katie Harrington, CMP program coordinator and match director for the National Three-Posi-

tion Championships. “The scores this year were very impressive. We had over 25 individuals fire in the 590s each day, and we got to watch some very exciting finals. It was great to have all the competitors back firing shoulder-to-shoulder this year.”

Like Texas Hill, Emme Walrath, 16, of Grand Rapids Rifle & Pistol Club, and Katie Zaun, 19, of Buffalo Sharpshooters, gave spectators a thrilling show reminiscent of last year’s JO match – when the two battled out a tough finals performance side-by-side. Just as last year, Walrath and Zaun were the last competitors on the line during this year’s JO match, with Walrath again earning the overall win. Walrath went on to claim this year’s CMP national title – again, just as she did last year.

“Coming into the match, I was just kind of thinking, ‘Okay, it’s another year – we can do this. We can definitely keep it up this year,’” she explained.

Last year’s Nationals was her very first experience in shooting finals. Now more familiar with

the process, she went into this year’s competition with a simple yet encouraging view to lead her once (or twice) again to overall wins.

“Even if I don’t win, that’s okay,” Walrath said. “I’ve learned how to control my reactions to stress – my heart beating. I know it’s there, but that’s normal. It’s coming to terms with, ‘Yes, I’m shooting a final.’”

“I feel like finals are a lot more fun for me,” she added. “They’re a lot more stressful, yeah, but the stress part adds more fun to it.”

Following Walrath and Zaun in the JO event was Elizabeth Probst, 16, of Texas Hill. Probst also earned second behind Walrath in the CMP match, as Isabella Baldwin, 18, of Harpeth Hall High School, overtook the third place position.

“Every year is a huge joy to see everyone,” Walrath said of competing at the national level. “It’s a very cool feeling that you get to shoot alongside people that you know, and even if you don’t get [the

win], you can still cheer on as loud as possible for your friends. I find that very rewarding.”

Other leading teams of the events behind Texas Hill were Central Illinois Precision Shooting, who earned second in both the JO and CMP competitions, as well as Acorns Green (Virginia) and Oil City Jr. Rifle Team (Pennsylvania), who landed in third place in the JO and CMP matches, respectively.

As part of the continued support of youth athletes, the CMP also awarded \$1,000 scholarships to the top three leading graduated seniors. This year’s recipients were Emma Pereira of Virginia and Julianna Hays of Minnesota, who will both be joining the Ole Miss rifle team in the fall, as well as Mikole Hogan of Texas, who is set to become a member of the Texas Christian University rifle team.

The CMP would also like to thank Larry and Brenda Potterfield, co-founders of the MidwayUSA Corporation, who again provided generous donations for the National 3PAR Championship.

Earning spots on the USA Shooting National Futures Team for their combined scores in the JO and CMP Nationals were Griffin Lake (left) and Elizabeth Probst (right).

The MidwayUSA Foundation is a 501c(3) public charity that helps communities and organizations raise funds to support youth shooting teams and activities. The Foundation is an endowment which helps fund team expenses today and into the future.

Several juniors were awarded their Junior Distinguished Badge at the opening of the CMP National Precision Championship awards ceremony.
