## CMP Celebrates Opening of the 2022 National Matches With Double First Shot Ceremony

CMP's Board Treasurer Jon Bengston (left) and CMP's Board Secretary Harry Sieben (right) officially started the 2022 National Matches.

On the beautiful, sun-filled morning of July 12, the Civilian Marksmanship Program (CMP) hosted the opening event of the 2022 National Rifle and Pistol Matches – the First Shot Ceremony.

The First Shot serves as a welcoming for guests, participants, volunteers and staff eager to start the annual National Matches – held at the Camp Perry National Guard Training Facility. The Matches have assembled marksmen and women at Camp Perry since 1907 and has grown to feature several high-power, smallbore and long range rifle, as well as pistol and air gun events, to thousands each year.

As visitors lined up along the Lawrence Road Shooters'

Plaza by Camp Perry's Rodriguez Range, an authentic B-25 bomber, Georgie's Gal, blazed through the perfectly blue skies above. The aircraft was provided by Port Clinton's Liberty Aviation Museum and made multiple passes overhead, displaying its timeless features. Pyrotechnics by cannon master Bob Gillmor and the Ohio National Guard's Chief Kyle Gettys exploded on the range below to simulate World War II bombs as the plane passed by – thrilling guests on the ground.

When the visuals were over, the Color Guard raised the stars and stripes on the Plaza as Ohio National Guard Chaplain Nicholas Chou gave the invocation. Music was provided thanks to the 122nd Army Band, while Adjutant General of the State of Ohio, Major General John C. Harris, greeted those in attendance at the podium.

Distinguished emcee of the ceremony, CMP chairman and CEO, Judy Legerski, led the festivities – introducing guest speakers and emitting her own reflections on the Camp Perry.

"Camp Perry is much more than a location for hosting training activities and competitive events," she said. "For us, it's a place where friends and competitors reconnect – sometimes after a year – and sometimes after many years."

Legerski also spoke to the scale of the National Matches, ensuring a place for everyone on Camp Perry's ranges, regardless of background.

"It's highly rewarding to see a large number of veteran competitors who set their egos aside and share their methods with up-and-coming juniors and adults who are struggling to improve," she said. "Good shooters give back to make everyone better."

CMP chairman and CEO, Judy Legerski, led the festivities on the Plaza.

# National Trophy Rifle and Pistol Matches

*The National Trophy Rifle and Pistol Matches are the annual U. S. National Championship in service pistol and service rifle shooting. The National Trophy Matches were established by federal law in 1903, are still conducted under the statutory authority of the U. S. Code (Title 36 USC § 40725-40727) and are now governed by the Civilian Marksmanship Program. Shooters from all over the U. S., civilian and military, test their skills and compete to determine the nation's best service pistol and rifle shooters. To fulfill the CMP's statutory responsibility to "instruct citizens in marksmanship," the National Trophy Rifle and Pistol Matches are open to all shooters regardless of skill level. Beginners compete and learn while shooting side by side with champions. The tradition of the matches and their competitions for prestigious national trophies celebrate marksmanship excellence and provide incentives to develop individual marksmanship skills, equipment and a national competition infrastructure. The CMP National Trophy Rifle and Pistol Matches are held in conjunction with the NRA National Rifle and Pistol Championships through a partnership between the two organizations. The Ohio National Guard and U. S. Army Reserves also provide vital support for the matches. The CMP National Trophy Rifle and Pistol Matches and the NRA National Rifle and Pistol Championships are collectively known as the **NATIONAL MATCHES**.*

# CMP First Shot Ceremony Continued

*Continued from Inside Cover*

“If you are new to the CMP, you are in good company with many like-minded participants who enjoy competition and the camaraderie that comes with this sport,” she said proudly.

Legerski also familiarized the crowd with her colleagues and honored guests, the First Shot speakers: CMP’s Board Treasurer, Jon Bengston, and CMP’s Board Secretary, Harry Sieben. Both men are retiring in 2022 after long and unforgettable careers as members of the CMP Board.

For the first time in the ceremony’s history, two First Shots were taken. Bengston used a 1903 Springfield rifle as Sieben fired a M1 Garand rifle. Before their ceremonial shots downrange, each made remarks to the crowd.

Sieben spoke of the evolution of the CMP through its 100-year legacy – briefly describing its origins through President Teddy Roosevelt into what marksmanship has flourished into today.

“There have been many careful decisions that have made the effort successful, including modern improvements you see here on the range at Camp Perry,” Sieben said. “The introduction of electronic targets in many CMP competitions . . . raising the sport of air rifle and air pistol to unheard-of levels. These things did not just happen – they were carefully thought out and planned by leaders.”

He went on to recognize those leaders, such as President Roosevelt and more modern Congressional advocates like Ohio’s Bob Latta, who has served as a Republican representative for over a decade and is a regular competitor during the National Matches, as well as Democratic representative Marcy Kaptur, who is the longest serving woman in the history of the House of Representatives (since 1983) and an often attending supporter of the National Matches.

Sieben also mentioned CMP’s own Director of Civilian Marksmanship (DCM) Emeritus, Gary Anderson, who is an Olympic gold-medalist, author and active instructor at many CMP events, along with CMP staff, Board members and current DCM, Mark Johnson, who are all helping to guide CMP programs into the future.

When his remarks were finished, Sieben jokingly introduced “the second best shooter at this First Shot Ceremony,” Bengston, who gave his own comments.

He kept his statements short – speaking on the importance of the relationship between the CMP and the Ohio National Guard in upholding the National Matches.

“These competitions are founded on marksmanship – real marksmanship – not just shooting. It is the foundation of these Matches.” he said. “Everyone comes to Camp Perry to learn, practice, compete, teach and support marksmanship . . . a skill that can only be acquired through practice. No one is a born marksman.”

He also spoke of the traits that make the National Matches exceptional – welcoming competitors of all skill levels to join together on the celebrated ranges that have accommodated some of the best shots in American history.

“This is the time and place where participation by all enter into a special community with shared values, a shared heritage and unique personal bonds,” he said. “It is truly a special experience.”

Along with Bengston and Sieben, another Board member retiring in 2022 includes Judy Legerski herself. The group will be taking 85 years of combined experience with the CMP as they go, with a fresh group of Board members hard at work expanding CMP’s already notable footprint in the marksmanship world. Mr. Denny Lord, Special Projects, was also in attendance for the ceremony and will retire in 2022.

“It’s been a real ride,” Bengston said of his retirement. “I will miss it, but it’s absolutely time, and I’m absolutely blown away with the quality of the Board we’ve brought in to go on. They’re absolutely outstanding.”

As for what Sieben is looking forward to in his retirement, “Well, I have seven grandchildren...” he said with a laugh.

With the first shots taken, Legerski concluded the First Shot Ceremony by speaking the words everyone was waiting for: “The National Matches are officially underway!”

Flying overhead was a B-25 bomber from Port Clinton’s Liberty Aviation Museum.

Simulated explosions downrange marked the ceremonial First Shots.

# Shue, Zero-Lapua Earn Newly Dedicated Trophies

The start to the Civilian Marksmanship Program's (CMP) 2022 National Pistol Matches was celebrated through the induction of two new trophies to the already prestigious lineup of awards presented during the annual event. Held at Camp Perry, the July National Pistol Matches schedule began with a series of individual and team events for .22, .45 and Center Fire disciplines – all leading to the culminating Pistol 2700 Aggregate.

The inaugurated trophies featured during the 2022 National Pistol Trophy awards ceremony included the Steve Reiter Cup, named after decorated bullseye pistol marksman and Olympian Steve Reiter, which was presented to the winner of the Match Pistol 2700 Any Sights National Champion, as well as the T.D. Smith Memorial Trophy, named after Olympian, National Record holder and American hero T.D. Smith. The memorial trophy is awarded to the winning 4-Man Team in the Pistol Aggregate.

Winning the first ever Steve Reiter Cup was Jonathan Shue, 41, of Liberty, North Carolina, with an aggregate score of 2647-141X. To add to the respected occasion, Shue was presented the award onstage by none other than Reiter himself.

Shue also earned the Overall High Master Classification honor for his performances and claimed the wins in the .45 and Center Fire Pistol 900 Aggregate matches.

Leading the 4-Man Team Aggregate by a commanding 64 points overall and earning the first T.D. Smith Trophy was Zero-Lapua. Members John Zurek, Philip Hemphill, Keith Sanderson and Travis Jorgenson fired a score of 3524-172X in the win.

The team also led the .22 and .45 Pistol 4-Man event while earning second overall in the Center Fire match behind U.S. Army Marksmanship Unit (USAMU) Blue (SFC Greg Markowski, SSG Carl Clegg, SSG Christopher Hudock and SFC Ryan Franks).

Zurek, 58, of Alpine, Arizona, found his own individual title as well as the overall winner of the .22 Pistol 900 Aggregate.

Reaching the Overall 2-Man Aggregate win was Accuracy

Additional notable performances were seen by Tanya Chowdary, 15, of Belle Mead, New Jersey, who was the Overall High Junior in the 2700 Aggregate, as well as 1LT Lisa Emmert Traciak, 26, of the Army National Guard, who was the Any Sight High Aggregate Woman.

Emmert Traciak held fifth overall in the 2700 and captured the Overall Master Classification title and the High Military mark in the .22 Pistol Any Sight 900 Aggregate.

USAMU's Markowski, 48, also overtook the Pistol Warm-Up Any Sight Match with a score of 874-34X, as Marine Corps Reserve member SSgt Anthony Ruggiero, 36, claimed the Warm-Up Metallic Sight win with 825-18X. CSM Steven Slee, 58, was the overall .22 Pistol Warm-Up winner with a score of 849-20X.

Markowski went on so also fire the top score in the EIC (Excellence-In-Competition) Service Revolver Match with 380-11. He bested teammate SPC Jason Gregoire, 34, by just eight points in the event, though Gregoire had squeaked by Markowski for the overall win in the .22 Rimfire EIC Match by just one point.

# USAMU's Clegg, Gregoire Claim Prestigious Titles at 2022 National Trophy Pistol Matches

The U.S. Army Marksmanship Unit members acquired a number of overall wins at the 2022 National Trophy Matches.

Members of the U.S. Army Marksmanship Unit (USAMU) proved their talents at the 2022 National Trophy Pistol Matches – essentially sweeping the board of prominent awards. The matches were hosted by the Civilian Marksmanship Program (CMP) and fired July 16 on the ranges of historic Camp Perry, where the National Trophy Matches have been held for over a century.

Taking home the esteemed President's Pistol Trophy for the overall win was the USAMU's SP4 Jason Gregoire, 34. Gregoire surpassed his teammate, SFC Greg Markowski, 48, by just two points in the win – reaching a score of 386-9X. Mason Talbert, 24, of College Station, Texas, followed in third.

Another USAMU member claiming a celebrated win was SSG Carl Clegg, 36, who led the National Trophy Individual (NTI) Match with a score of 291-15X. Clegg landed in the top spot by only one point above the second and third place finishers Travis Jorgenson, 44, of Dent, Minnesota, and Keith Sanderson, 47, of Monument, Colorado. Jorgenson was also the High Civilian of the match.

Continuing their commanding performances, USAMU Blue (SSG Clegg, SFC Markowski, SFC Josh Farmer and SFC Ryan Franks) claimed the Gold Cup Trophy as the overall ranked team in the National Trophy Team (NTT) match with a score of 1118-35X. High Civilian team of the event was ANJRPC-Hardball (David Lange, Lateif Dickerson, Michael Spingeld and Edward Reineke), which earned second overall.

SFC Ryan Franks, 34, was awarded The General Patton Trophy as the High Active Army competitor in the NTI/NTT Aggregate, with a score of 585-23X. Franks also fired the overall individual service pistol aggregate score of 966-27X during his 2022 National Matches excursion.

Collecting other notable honors was 1LT Lisa Emmert Traciak,

26, of the Army National Guard, who earned the High Woman titles in the President's Pistol and NTI matches. Unsurprisingly, she was also the recipient of the Rose Krelstein Trophy as the top female competitor from the President's/NTI Aggregate setting a new National Match record of 660-18X.

Abbie Leverett, 19, of Bainbridge, Georgia, led the Junior President's Pistol Match with a score of 375-7X – only three x-ring shots away from tying the current national record. She went on to earn second overall in the Junior Individual Pistol Match and was named the top junior in the .22 Rimfire Pistol Aggregate.

Passing Leverett in the Junior Individual Pistol Match was Charisma Owen, 19, of Wichita Falls, Texas, who claimed the G.P. Perry DeFino Trophy for the win with a score of 279-3X.

Likewise, Tanya Chowdary, 15, of Belle Mead, New Jersey, led all juniors in the Junior President's, NTI and NTT events. She also teamed up with Angelina Chudoba to comprise ANJRPC-One (Association of New Jersey Rifle and Pistol Clubs) to fire a score of 542-9X for the overall win in the Junior Team Trophy Match.

An additional award presented at the National Pistol Matches was for the winner of the 2022 Ohio Triple Crown Challenge – a three-venue event organized by the Ohio Rifle and Pistol Association. Ranges featured in the Triple Crown include the Cardinal Shooting Center in Marengo, Ohio, the Canton McKinley Rifle and Pistol Club in Canton and Camp Perry.

Earning the overall win for the second year (covering the history of the match's existence) was Jonathan Shue, 41, of Liberty, North Carolina.

# Shue Adds Two Games Events to Long List of Wins at 2022 National Pistol Matches

On July 17, Jonathan Shue, 41, of Liberty, North Carolina, claimed not one but two overall wins at the 2022 National Pistol Games Matches – part of the annual National Matches at Camp Perry. His success during the Games events helped to extend the long list of awards he had already collected in July.

The Civilian Marksmanship Program (CMP) facilitates the National Matches all summer long, which also includes assorted rifle and air gun phases. Though several competitions comprise the National Pistol Matches, the Games matches are the CMP's own distinctive series that's hosted at various events across the country throughout the year.

During other days of the 2022 National Pistol Matches, Shue had earned notable awards like the inaugural Steve Reiter Cup as the overall competitor of the Match Pistol 2700 Aggregate (nabbing overall wins in the .45 and Center Fire 900 Aggregates along the way) and the Ohio Triple Crown Challenge title. He went on to capture the As-Issued 1911 Pistol and Military & Police Service Pistol Matches within the Games series.

Shue fired a score of 389-13X in the 1911 Match (where he currently holds the national record score, set in 2021) and 394-20X in the Military & Police Match – a new record for 2022.

Jonathan Shue claimed both the 1911 Pistol and Military & Police Service Pistol Matches.

Other notable titles during the Games Matches were found by Charles Grove, 74, of Pasadena, Maryland, who was the High Grand Senior of the 1911 and Military & Police events, as well as by Tony Silva, 68, of Snowflake, Arizona, and Vernon Reichenbecher, 74, of Huntington, West Virginia, who each earned High Senior honors.

Returning to the National Matches for the second year was the Oliver Hazard Perry Pop-Up Pistol Match, fired on the Ohio Army National Guard's pop-up range at Camp Perry. This year, over 70 competitors gave the match a try, with several receiving uniquely designed gold, silver and bronze coins for their earned scores.

Also returning to the National Matches for the fourth year was the GLOCK Shooting Sports Foundation (GSSF) National Challenge – fired on July 16. The match is designed to accommodate new and seasoned competitors, with five different 10-shot series from 5, 7, 10, 15 and 25 yards in three divisions: Stock, Unlimited and Rimfire. All shots on target are scored, with no penalties given for missed or unfired shots.

Winning the Stock division was Steven Pardieck, 39, of New Palestine, Indiana, with a perfect score of 500-43X. Dallas Hall,

The GSSF National Challenge featured Stock, Unlimited and Rimfire divisions for new and seasoned competitors.

The National Pistol Games events were clouded by rainy conditions on the line.

The fun Oliver Hazard Perry Pop-Up Pistol Match is fired on Camp Perry's pop-up range.

# CMP Pistol Games Continued

15, of Hayeville, Ohio, earned the High Junior title with a score of 465-23X, as Tina Gibbs, 53, Monticello, Kentucky, landed in 12th overall and was the High Woman of the match. Michael Vernon, 66, of Frankfort, Illinois, reached fifth place and the High Senior award for his performance.

Claiming the win in the Unlimited GLOCK Match was MSG Jake Weston, 39, of Whispering Pines, North Carolina, with another perfect score of 500-49X. Weston outshot four other competitors who also shot scores of 500, obtaining the win by only two X's.

Not to be overlooked, Christopher Roberts, 49, of Charlotte, North Carolina, fired his own score of 500-45X to lead the Rimfire GLOCK Match. Both Roberts and Weston beat out the 2022 National Individual Pistol winner, SSG Carl Clegg, 36, of the U.S. Army Marksmanship Unit, who landed in second in each division.

Those in the Pop-Up Match are eligible to win special gold, silver and bronze coins.

## CMP Marks High Attendance at Inaugural Camp Perry National Air Gun Matches

Over the weekend of July 16-18, the Civilian Marksmanship Program (CMP) presented a brand new series of indoor events for juniors and adults, the National Air Gun Matches. Fired within the world-class range of the Gary Anderson CMP Competition Center, the fresh lineup will now be a fixture during the annual Camp Perry National Matches, held each summer in Ohio.

“With almost 200 competitors, we were very happy with the turnout we had for the first year of the National Air Gun Matches, and we’re looking forward to building this match

Anthony Lutz claimed the 60 Shot Open air pistol win.

in the future,” said Katie Harrington, CMP program coordinator and match director for the National Air Gun events. “We are so appreciative of the support we had, and it was so great to see the camaraderie and sportsmanship between competitors – it’s what the National Matches are all about.”

The inaugural National Air Gun Match series was comprised of a Team Elimination Match followed by two days of 60 Shot air rifle and air pistol competitions. A team championship was also fired concurrently with the 60 Shot Match, combining the 60 shot scores of four grouped athletes.

# CMP NM Air Gun Matches Continued

The Team Elimination Match brought a unique type of competition to the National Matches schedule, combining the talents of paired athletes in air rifle and air pistol for three separate rounds. Round 1 saw teams firing 20 record shots each in 20 minutes, with the top 18 teams in each discipline moving on to the same format in Round 2.

Teams that qualified for Round 3 (the top four teams from Round 2) entered a new course of fire that featured single shots fired by each teammate in a time limit of 50 seconds – the first and second teams competing against one another, along with the third and fourth. The single shots from each teammate were combined, with the team achieving the highest score receiving two points. The first duo to reach 16 points or more were declared the winners.

Winning overall in the 2-member Elimination Match for air pistol was Ope and Y'all, Kristen Hemphill and Katie Zaun. The pair beat out Horned Nanook (Rylan Kissell and Abigail Gordon) 16 to 8.

In air pistol, Nova Sharp Shooters, William Regala and Suman Sanghera, took home the overall title after a tight contest against Arizona State Rifle & Pistol Association (John Zurek and Eugene Berman) – attaining a score of 16 to 14.

Each winning 2-person team member received \$100 from the CMP.

During the National Air Gun Championship 60 Shot event, competitors fired two days of 60 record shots, followed by a final for the top eight Open and Junior athletes at the conclusion of the two days.

Earning the Junior Championship title in air rifle was Elizabeth Probst, 16, of Brady, Texas, with a score of 249.4. Following in second was Gavin Barnick, 19, of Appleton, Wisconsin, with 248.1, as Probst's teammate Camryn Camp, 16, of Hillsboro, Texas, landed in third. Katie Zaun, 19, of Buffalo, North Dakota, led the Open competition with a score of 248.4 over 2-person teammate Kristen Hemphill and SGT Brandon Muske of the U.S. Army Marksmanship Unit (USAMU). Both Probst and Zaun earned \$200 for their wins.

Suman Sanghera, 16, of Great Falls, Virginia, earned the same prize and the Junior Champion title in the air pistol match, with a score of 233.5. She also claimed second in the Open competition behind Anthony Lutz, 34, of Orient, Ohio, who fired a score of 238.2 for the overall win. The air pistol event also included recognitions for age group and classification leaders.

In the 4-Man Team competition, the USAMU claimed the top spot in the air rifle event. Members SGT Timothy Sherry, SGT Brandon Muske, SGT Patrick Sunderman and SPC Levi Clark

Leading the 2-Man air pistol match was William Regala (left) and Suman Sanghera (right). Sanghera was also the Junior Champion in 60 Shot air pistol.

The 2022 National Air Gun Championships featured both air rifle and air pistol events.

fired a combined score of 4985.4 to overtake the match. High Junior Team was Dads of America – Elijah Spencer, Bremen Butler, Emme Walrath and Alivia Perkins. The team also received third place in the Overall competition with a score of 4969.7

Team Lapua (David Lange, Edward Reineke, Andrew Esposito and Richard Kang) fired the overall winning score of 4390-84X to claim the 4-Man win in air pistol.

# CMP Sees Over 580 Entries During 2022 National Air Gun Events

The 2022 National Air Gun events, held as part of the Civilian Marksmanship Program’s (CMP) National Matches, welcomed over 580 air rifle and air pistol entries throughout July and August. The events are held within the Gary Anderson CMP Competition Center, located on the grounds of the historic Camp Perry National Guard Training Facility, and utilize the technology of indoor electronic targets – capable of simulating multiple yard lines from a fixed firing point.

The lineup includes a variety of opportunities suited for both seasoned competitors and those new to the sport. New to the schedule in 2022 was the 100 Shot Challenge, which consisted of a whopping 100 record shots. Winning the Air Pistol competition was Daniel Miller, 40, of Mineola, Texas, with a score of 912-7X, as Claudia Muzik, 16, of Green Springs, Ohio, overtook Air Rifle with a score of 994-75X.

Finding the win in the 40 Shot Vintage Air Rifle Pneumatic Sniper Match, fired at a simulated 300 and 600 yards to mirror the outdoor Vintage Sniper Match, was Larry Bush, 74, of Perrysburg, Ohio, with a score of 396-19X – besting last year’s winner, Thomas Wonderly, 76, of Portage, Ohio, by two points.

An AiR-15 Challenge Match was also on the schedule, featuring air guns that resemble AR-15 rifles and a simulated 100-yard target. Leading the event for the second consecutive year was SFC Brandon Green, 37, of Box Springs, Georgia, with a score of 396-19X. David Baalman, 48, of Richland, Washington, topped the 20 Shot AiR15 Standing Match with 192-3X.

The CMP’s Bench League allows participants of any age to compete in a national-level event, even if he or she has never competed before. During the League, competitors fire air sporter, precision or AiR-15 rifles off a set support for added stability – providing a fun and challenging experience for all.

Claiming the overall win in the 60 Shot Bench Air Rifle Match was Philip Edwards, 74, of Marblehead, Ohio, with a score of 632.3. Edwards finished just one point above Riley Dunn, 16, of Washington, Pennsylvania, who landed in second.

Edwards also led the Bench League 30 Shot Precision Match by only seven-tenths of a point. Larry Kiraly, 69, of Perrysburg,

The National Air Gun events include both air rifle and air pistol competitions.

Ohio, led the 30 Shot Sporter Match by a narrow margin, as Bush returned to claim the win in the AiR-15 competition.

A Center Shot contest, where participants who fire closest to target center have the chance to win money, based on participation, also challenged competitors in the air gun range in both rifle and pistol categories. Leading the Rifle Center Shot contest was Scott Braun, 52, of Belvidere, Illinois, who fired the only 10.9 shot. Also firing a 10.9 was Amy Trombley, 57, of Canton, Michigan, who led the Pistol Center Shot and earned over \$90.
