Subj: MATCH DIRECTOR'S WELCOME

Welcome to the 61th Annual Atlantic Fleet and All Navy Matches! Our goal is to provide Navy personnel with a premiere training and competition experience in order to improve competences in small arms marksmanship and to prepare Navy shooters for success at higher level competition.

For shooters who are attending a rifle or pistol competition for the first time, we will be conducting new shooter training sessions at the beginning of each shooting phase. The goal of this training is to give new shooters a solid foundation in High Power and Bullseye competition and to enhance their basic marksmanship skills. Learning the basics cannot be overestimated when it comes to building solid foundation to grow from, and we ask that new shooters come with an open mind and an eagerness to learn.

Like any event, exercise, or movement in the Navy, these matches don't happen on their own. This is an all-volunteer organization and is only made possible through the hard work of individuals like your yourselves. The adage, "Many hands make lite work" holds true, and the beast way to make our matches better is to help out where you can. If you are interested in helping out, please let me know.

Camp Upshur is no longer being supported by the USMC and will not be available for use going forward. Unfortunately, this means that there are no free options for lodging anymore. We are working to see what other options are available, and will work to keep you apprised if alternative means become available.

This year's match message has been released (DTG 032018Z FEB 23; SUBJ/61STANNUAL NAVY MARKSMANSHIPTEAM SMALL ARMS TRAINING AND CHAMPIONSHIP) and I have included a copy of it at the back of this program for reference. If your command has questions or concerns, please feel free to have a member of your Triad reach out to me. I can be reached at William.c.hinson.mil@us.navy.mil and I am always happy to talk about the Navy Marksmanship Team.

Lastly, I would like to say that I am excited to see everyone at this year's match. It is going to be a great year for Navy shooting and we are going to take it to the next level!

Very Respectfully,
CDR Chris Hinson

Pending superseding Navy instructions, the current National Rifle Association (NRA) High Power Rifle and Conventional Pistol Rules, and the current Civilian Marksmanship Program (CMP) rules will govern the conduct of our matches. **The match director has final say on rule issues.**

Open to: The LANTFLT and All Navy (East) Championships are open to both Military and Civilian shooters, up to the range limit of 200 (4 relays). Range priority will be in the following order:

1. Navy Active Duty/ Reserves
2. Navy Retired
3. Other Service Active Duty/Reserves
4. Other Service Retired
5. Civilians shooting the entire week
6. All others

Note 1:

During any given calendar year, an individual may only compete in one Fleet match (either coast) and if qualified (or at discretion of match director), one All Navy match (either coast). For example, an individual may compete at the PACFLT matches and the All Navy (East) Matches, but may not compete at both the All Navy (West) and All Navy (East) matches. This restriction holds for all phases of the championships: individual, team, and Excellence In Competition (EIC) matches.

Note 2:

Civilians (not including retirees) are only permitted to shoot in one military EIC match for record per year. If you are shooting both Fleet and All Navy matches, the All Navy EIC match will be counted as your record match. The match format will administratively contain both an EIC match and a NMC, with awards for the combined matches (i.e. if you are not shooting for leg points, you will be scored under the NMC match, keeping in line with CMP rules that you may not shoot an EIC match “out of competition”). **You must DECLARE AT CHECK IN if you do not wish to be “in competition” for EIC points in any match.**

Registration Fees: Each competitor will pay \$50 per competition (pistol or rifle) or portion thereof. In other words, whether you shoot one match or all of a match (rifle or pistol), the fee is \$50. The .22 EIC match is a separate match from the pistol matches so a separate fee applies. If you are registered for the full pistol phase, the .22 EIC fee is \$15. If only shooting the .22 EIC match, the fee is \$25.00. A shooter wishing to participate in ALL matches during the week will pay \$115.

Whom	Event	Match	Cost
All Competitors	PISTOL	Any and All Matches	\$50.00
All Competitors	RIFLE	Any and All Matches	\$50.00
All Competitors	.22 PISTOL	.22 EIC (CMP fees)	\$15.00/\$25.00

Registration: Registration will occur online via the CMP website (www.odcmp.com). Check the team website (www.usnmt.org) for the link. Payment can be made either via PayPal to usnshooting@gmail.com or via mail to Robert Ryan, 232 Royal Oak Dr, Chesapeake, VA, 23322. Payments may be made with check or PayPal only or cash or credit card at check in. Please do not send a money order. Make checks out to “USNST”. Please pay in advance if at all possible. If you are unable to attend after paying, you will be issued a refund. Mail-in entries must be received by 15 April 2022. PayPal entries must be received by 21 April 2022. **To maximize efficiency for our first day at the range, we ask that all shooters register and pay in advance, prior to arriving at MCBQ. Match staff plans to be on site at 1200 on Friday, 14 May for early check-ins.**

Payment will secure your registration for the matches in the order received. DD2760 (Qualification to Possess Firearms or Ammunition), and civilian hold-harmless documentation will be completed at the registration desk during match check-in.

Military Orders:

Only individual orders will be accepted. Group orders will not be accepted as they do not allow the Match Director to select outstanding individual marksmen for higher competition (All Navy). Individuals attending the Matches under orders are required to be present for the entire period of the orders (exceptions require approval of the Match Director).

The following statements shall be written into all original orders: (As Required)
