<https://go.aimlab.gg/v1/redirects?link=aimlab%3A%2F%2Fplaymenu%3Fid%3D4%26source%3Dsightline-emails&link=https%3A%2F%2Fstore.steampowered.com%2Fapp%2F714010%2FAimlabs%2F>

1 - Upon logging into Aimlab, you will see their Events page and Sightline at the top.

2 - Click on Sightline to enter the Task page with Pistol, Shotgun, and Rifle tasks.

Note: In all of the tasks, right mouse click to zoom in sighting alignment and use the left mouse click as the trigger

Note: After your task game play, you can see a tracking video replay of your most recent game, see a heatmap of your shots on-target, and the complete leaderboard rankings for that task

The screenshot displays the Sightline interface for a player named WDANTZLER. The interface is divided into several sections:

- Player Profile:** WDANTZLER, SCORE: 22,300, HIGH SCORE: 25300, ACCURACY: 95.8%, HITS/SHOTS: 23/24, TARGETS KILLED: 23.
- Leaderboard:** A table showing the top 9 players in the task.
- Accuracy Heatmap:** A central heatmap showing shot accuracy with a 95.83% average. The heatmap has concentric rings labeled with numbers 6 through 9, indicating shot counts in different zones.
- Recommended Tasks:** A list of suggested tasks including 'RA SIXSHOT EASY', 'RA SPEEDFLICK', and 'VALORANT ASCENT HEADSHOT STANDARD'.
- Navigation:** Tabs for RESULTS, REPLAY, INSIGHTS (selected), RANKING, and DISCOVERY. An 'EXIT [ESC]' button is in the top right.
- Controls:** A 'REPLAY TASK [R]' button at the bottom left and a 'PLAY NEXT TASK >' button at the bottom right. A search bar for tasks and playlists is also present.
