

Fulfilling Our Mission - Marksmanship, with an Emphasis on Youth.

The CMP, faithful to its mission of promoting firearm safety and competitive marksmanship to young and old alike, is proud to invite you to America's finest state-of-the-art public marksmanship park.

Our facility provides a safe, rewarding, and enjoyable environment for families, which attracts recreational target shooters and nationally-recognized competitors from across the United States and abroad.

Since 1903, the Civilian Marksmanship Program (CMP) has played an integral part in the conduct of the annual National Matches, held at Camp Perry, Ohio, including its own National Trophy Rifle and National Trophy Pistol Matches.

In addition to the CMP Talladega Marksmanship Park, the CMP also owns and operates two Olympic-quality electronic indoor air gun ranges, located in Anniston, Alabama and Camp Perry, Ohio. The Future of Marksmanship is Here!

The Civilian Marksmanship Program has developed a 500-acre marksmanship park for recreational enjoyment and competition.

The centerpiece is a versatile highpower rifle range with 50 covered firing points and all-weather electronically-scored targetry at 200, 300, and 600 yards. The park also features a 100-yard rifle range and 25 & 50-yard pistol ranges. In addition, shooters enjoy an unmarked 600-yard-plus scattered target range with an elevated shooter platform.

CMP Talladega offers 15 pistol bays which accommodate a variety of competitions including 3-Gun, IDPA, IPSC & USPSA. Shotgunners enjoy a 15-station sporting clays loop, trap field, skeet and a challenging 5-stand field.

All of these features allow recreational users more productive time at our facility which rewards match competitors with a more efficient and relaxed experience.

The crown jewel of the park is a 13,000 square-foot clubhouse featuring a check-in & reception area, multi-media classrooms, spacious lounge areas and a CMP Pro Shop with firearms, accessories & ammunition sales.
