GARY ANDERSON COMPETITION CENTER

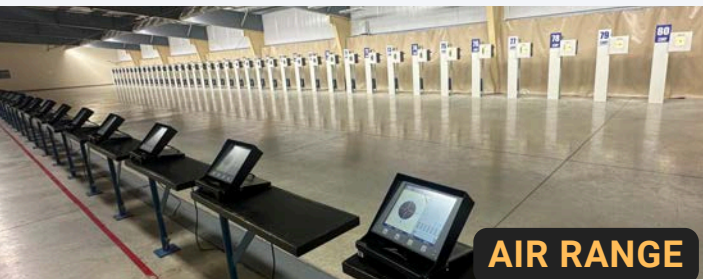

CAMP PERRY, OHIO

OPEN TO THE PUBLIC

ABOUT THE GACC

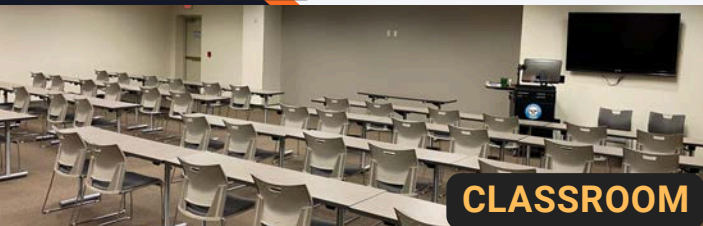

The Gary Anderson CMP Competition Center (GACC) includes an open reception and common area, classrooms and a CMP retail store. Display cases around the facility contain authentic Olympic and other memorabilia from the career of Gary Anderson, leading to an 80-point air gun range. The facility also holds indoor simulators and a scenic mural that can only be found at Camp Perry!

DISPLAYS

WHAT IS AIR GUN?

Air guns are exactly as they sound – firearms that are powered by air (either pumped or CO2). Unlike other firearms, air guns are lightweight, quiet to fire, with no recoil. They're the perfect introduction to marksmanship or a great way for older adults and those with disabilities to participate in a unique pastime.

AIR GUN RANGE

Whether an experienced marksman or completely new to the sport, the air range is ready for you!

The range is equipped with Megalink 3D-Score targets, boasting some of the latest advancements in accuracy. Designed for both air rifle and air pistol firing, the facility is climate controlled for optimum comfort. The range hosts local, state and national competitions, all year long and is open to the public each week!

Bring your own air gun equipment or rent from the CMP – stop in and give it a try!

HOURS:
MON-THURS 9 A.M.- 3 P.M.
& TUES 5-8 P.M.

LASER SHOT SIMULATORS

Using innovative video gaming technology and safe, modified firearms – experience authentic training through hundreds of scenarios in an exciting and entertaining environment with our Laser Shot simulators! Choose rifle, pistol or shotgun modes. Pay per play or rent by the hour!
