

2025 CMP Smallbore Postal Program

January 2025 – April 2025

INVITATION — The CMP is excited to announce the return of the Postal Competition for Smallbore Shooters. Introduced in January of 2021, the CMP conducts the Smallbore Postal to provide athletes with remote competition opportunities.

This Postal Competition features both 3-Position and Prone events fired at a distance of 50ft. All competitors must register online. Individuals and Clubs can register and fire in both events. This competition will be scored using the Orion Scoring System. After registration is complete, the CMP will print customized targets for each competitor and mail them to the club or individual. After firing, targets will be returned to the CMP or you may opt to score your own targets using the Orion Scoring System and send them to the CMP electronically.

RULES – [2025 CMP Smallbore Rifle Competition Rules](#)

ELIGIBILITY – This competition is open to Juniors and Adults. See Eligibility Rule 3.0

REGISTRATION – All registration is completed online. Individuals can register by going to CMP's Club and Competition Tracker at <http://ct.thecmp.org/2025smallborepostal>. Registration will open on 27 January, 2025.

PAYMENT – The cost for each competitor is \$5.00 per event. Payment must be received before targets are mailed.

FIRING PROCEDURES AND SCORING — All firing and time limits must be conducted in accordance with the 2025 CMP Smallbore Competition Rules (Rule 6.4). Time limit for the 60 Shot Prone match will be 60 Minutes (20 Minutes per 20 shot string). Scoring will be done using the Orion Scoring System. Individuals and Clubs with Orion may scan and score their own targets, but must submit their targets electronically to the Civilian Marksmanship Program. You

can find the instructions for submitting targets electronically by going to the Firing Instructions, found on the CMP Smallbore Page.

Targets for the Prone competition will be scored and ranked in decimal sum.

RESULTS – Results for the competition will be posted as CMP receives targets. Preliminary results will be posted on 25 April and Final Results will be posted on 30 April.
