

OUR ARMORERS

The CMP Custom Shop is led by a team of highly trained, professional gunsmiths – ready to take on your restoration or maintenance needs.

MEET US

When not in the Custom Shop, our armorers may be found at CMP Travel Games, designated Talladega Marksmanship Park events or at the National Matches at Camp Perry. Always willing to offer help, advice and safety regarding rules about our serviceable firearms!

CLINICS

Outside of gunsmithing, the CMP Custom Shop armorers host a series of **ADVANCED MAINTENANCE CLASSES (AMC)**, where students build personal M1 Garands using CMP parts.

Students in the class spend three days assembling their rifles before taking them to nearby Talladega Marksmanship Park for test firing. Its unique appeal makes the AMC one of the most anticipated courses of the year!
