These match Achievement Medals are presented to competitors who fire predetermined “cut” scores. Achievement pins may be presented to competitors if they equal or exceed established achievement award scores that are listed in the CMP Competition Rules (see CMP Games Rifle & Pistol Competitions Rulebook for Achievement Awards Scores). Achievement scores are calculated so that approximately the top one sixth of the top 40% of all shooters receive gold medals, the next two-sixths receive silver medals and the remaining three-sixths receive bronze medals. Sponsors of CMP-sanctioned matches may purchase gold, silver and bronze achievement pins at a cost of **\$3.00** each to award or sell to competitors in their matches who attain these award scores.
