

2026 CMP GARY ANDERSON INVITATIONAL

3P Air Rifle Marksmanship Competition

November 12–13, 2026

Hosted by

York Comprehensive High School

INVITATION

You are invited to participate in the **2026 Gary Anderson Invitational**, historically held at the CMP Competition Centers in Anniston, Alabama and Camp Perry, Ohio. Now this match will be hosted at selected sites around the country, making this prestigious match open to more teams and individual athletes.

The match is a junior three-position air rifle match that is a sanctioned **CMP Cup Match** and an outstanding competition opportunity for every school or junior club shooting team.

The match is named after Director of the Civilian Marksmanship Emeritus, Gary Anderson, a two-time Olympic Gold Medalist, holder of six world records and 16 national championships, whose influence and guidance has significantly impacted the success of three-position air rifle shooting.

RANGE FACILITIES

The range at **York Comprehensive High School** has **12 firing points, each equipped with Athena electronic targets**. All shots are instantly displayed on an Athena target monitor located at each firing point.

Shooters do not need to bring a spotting scope, as each firing point is equipped with its own Athena target monitor.

All remote matches will be run simultaneously, and all scores will be uploaded to the CMP's Competition Tracker website.

Teams should arrive at the range **NLT 30 minutes prior to their assigned relay time**. See map for parking on the last page.

COMPETITION

At this host site (**York Comprehensive High School**), the match has two competition events:

INDIVIDUAL COMPETITION

All competitors will fire a three-position **3X20 course of fire** in order of **Kneeling, Prone and Standing**, followed by a **10-shot final** that will be fired immediately following each relay.

For individual rankings, the 10-shot final round scores will be added to the 60-shot scores of the competitors who had the top eight 60-shot totals.

TEAM EVENTS

All teams are **4-member teams** that represent a school or club. Schools/clubs may enter as many teams as they wish.

The individual 3X20 scores fired by the four members on each team will be used to determine team winners.

Final round scores are not used for team totals.

NEW SHOOTERS

New Shooters are classified as those athletes who started shooting after **1 April 2026**. Precision shooters who have previously participated in the Sporter Class are not considered new shooters.

Upon registration, select **New Shooter** if you started shooting after April 1. Otherwise, select **Veteran**. Those athletes in the New Shooter category that finish in the **top 40% of new shooters** will receive an Achievement Pin. See Awards.

RULES

The competition will be governed by the **2024–2026 National Standard Three-Position Air Rifle Rules** (available on the [CMP website](#)).

The match is sanctioned by the **National Three-Position Air Rifle Council as a CMP Cup Match** so that scores may be recognized as National Records and competitors can earn EIC credit points that count towards earning the **Junior Distinguished Badge**.
