Metro Albuquerque Schools are requested to fill Thursday & Friday slots as much as possible and 0800 Saturday relays to allow teams traveling from out of town an opportunity to shoot without spending the night.

Rosters must be received by COB 9 November to ensure entry into the Orion data base. Sooner is better.

Coaches:

Please ensure you check your shooters scores ASAP after they shoot. Scores will be uploaded to Orion Results Center directly after each relay. If you notice a problem ie..no score, missing targets or score not matching what your shooter showed on their monitor, please bring it to the scoring tables attention immediately. It is impossible for the scoring table to check each score in Orion to ensure accuracy. Once the range is taken down, it is impossible to fix scores until the next time the range is set-up.

OTHER:

1. There is no limit to the number of shooters you can schedule, **First come First serve!**
2. Cutoff for cancellation of previously reserved relay times is **9 Nov**. Payment for reserved relay slots is expected for no-shows.

3. CMP Individual ID #'s are required. This is a CMP Cup Match and EIC points may be earned. Participants should ensure they have registered with the CMP and received a CMP Competition number prior to registration for the match.

4. Be at the range one (1) hour prior to relay time to ensure correct squadding is in scoring system. Equipment will be allowed to the line 20 minutes prior to relay start time.

5. Compressed air will be available. **CO2 will not be available.** Individuals and teams are responsible for their own air tank adapters.

6. Match Officials

Match Director: Major Jim Koerber - Eldorado High School

Chief Range Officer: Josh Zerrate – APS

Chief Statistician: Major Mark Hendricks – West Mesa High School

7. Additional relays may be added if required by number of participants.
