Civilian Marksmanship Program

Membership Program Terms of Service

Participation-based access, education, training, and program benefits

Effective Date	September 17, 2026
Last Updated	October 29, 2026
Status	Draft for legal and executive review

Important: By purchasing, activating, accessing, or using a CMP Membership, you agree to these Terms. CMP members are Program affiliates only and have no voting, governance, ownership, distribution, or decision-making rights. All membership revenue goes to the CMP Scholarship Fund as a donation, subject to the tax treatment described in Section 5.6.

PLEASE READ THESE TERMS CAREFULLY. They form a binding agreement between you and the Civilian Marksmanship Program ("CMP," "we," "us," or "our") concerning your participation in the CMP Membership Program (the "Program").

1. Acceptance and Eligibility

1.1 Acceptance. You accept these Terms when you enroll in, purchase, activate, renew, access, or use the Program or any Program benefit. If you do not agree, do not enroll in or use the Program.

1.2 Eligibility. You must satisfy all eligibility requirements stated during enrollment and provide accurate, complete, and current information. If you enroll for another person, you represent that you are authorized to accept these Terms for that person.

1.3 Additional Requirements. Certain products, events, classes, facilities, or benefits may have separate eligibility rules, waivers, safety requirements, purchase qualifications, age restrictions, background requirements, or other terms. Those requirements apply in addition to these Terms.

1.4 Required Safety Training. Completion of CMP's designated safety training video course is required for membership validation. Payment alone does not satisfy this requirement. Access to benefits that require validated membership is subject to completion and verification of the required training and any other applicable eligibility requirements.

2. Nature of CMP Membership

2.1 Affiliate Participation. The Program connects CMP members as Program affiliates in support of CMP's educational, safety, training, and marksmanship mission. All membership revenue goes to the CMP Scholarship Fund as a donation. Program affiliation does not confer corporate membership, governance, or decision-making authority.

2.2 No Statutory Membership. The word “membership” describes participation in the Program only. Members are Program affiliates and are not statutory or corporate members of CMP. Program membership is distinct from CMP’s affiliated club program and does not change an affiliated club’s status or requirements. The Garand Collectors Association remains a CMP-affiliated club.

2.3 No Governance or Economic Rights. Participation does not provide any right to vote; elect or remove directors; approve corporate actions; inspect records as a statutory member; participate in governance or management; direct CMP decisions; own any interest in CMP; claim CMP assets or earnings; or receive financial distributions.

2.4 Authority Retained by CMP. All governance and decision-making authority remains exclusively with CMP's Board of Directors and authorized executive leadership.

3. Program Tiers and Benefits

3.1 Tiers and Available Benefits. The individual annual membership tiers are Bronze, Silver, and Gold. Subject to the offerings published by CMP, benefits may include exclusive educational and technical information; safety and marksmanship training; advance communications; priority shopping opportunities; and member offers. Benefits being developed or described as forthcoming become available only when CMP announces their implementation. Partner products, discounts, events, and offers remain subject to the participating partner’s stated terms and availability.

3.1.1 Member Order Fulfillment Priority. Where CMP offers membership order fulfillment priority, the distinction is Member versus Non-member. Bronze, Silver, and Gold members receive the same member priority status; fulfillment priority is not ranked by membership tier. Priority remains subject to inventory, complete documentation, eligibility verification, and operational capacity. It does not guarantee inventory, approval, or a delivery date.

3.1.2 M14 Purchase Limits. Subject to CMP’s published M14 sales policy and all legal and eligibility requirements, the annual limit is two for a non-member, two for a Bronze member, three for a Silver member, and four for a Gold member. These are total annual limits, not additional purchases with each enrollment or tier change. Prior purchases count toward the applicable annual limit. Membership does not reserve an M14 or guarantee availability.

3.2 No Guarantee of Availability. Benefits may be subject to capacity, inventory, scheduling, location, qualifications, deadlines, separate fees, and other operational limits. A Membership does not guarantee admission to an event, availability of a product, approval of a purchase, or fulfillment by a particular date.

3.3 Changes to Tiers and Benefits. CMP may establish, rename, combine, modify, suspend, replace, or discontinue tiers or benefits when reasonably necessary for legal compliance, safety, mission alignment, inventory, capacity, technology, or Program operations. If a material change affects a paid Membership during its current term, CMP will provide notice as required by applicable law.

3.4 Nontransferable. Unless CMP expressly states otherwise in writing, Memberships and benefits are personal, nontransferable, nonassignable, and may not be resold, shared, or used for commercial gain.

4. Enrollment, Accounts, and Security

4.1 Account Information. You must provide truthful information and promptly update it when it changes. CMP may require identity or eligibility verification before allowing access to certain benefits.

4.2 Account Security. You are responsible for safeguarding your login credentials and for activity conducted through your account. Notify CMP promptly at [insert support email or phone] if you suspect unauthorized access.

4.3 One Account per Participant. Unless CMP authorizes otherwise, each participant may maintain only one Program account. CMP may consolidate duplicate accounts and adjust benefits or limits to prevent duplication or misuse.

5. Fees, Term, Renewal, and Refunds

5.1 Membership Contributions and Scholarship Support. All amounts paid to enroll in, activate, or renew a Membership are contributions or donations to CMP (each, a "Membership Contribution"). All membership revenue will go to the CMP Scholarship Fund as a donation. A Membership Contribution is due in full at checkout and is accepted upon receipt. It is not held in escrow for the participant and does not create any participant ownership, governance, or decision-making rights. Access to benefits associated with the selected tier remains subject to these Terms, including membership validation. Calling a payment a donation does not by itself establish tax deductibility; Section 5.6 applies.

5.2 Term. Membership is annual. Your membership begins on the date stated at purchase or activation and continues for one year unless suspended or terminated under these Terms. Required safety training and validation requirements apply to benefit access; delayed completion does not automatically extend the membership term.

5.3 Renewal. A Membership expires at the end of its stated term unless renewed. A Membership will not renew automatically unless CMP clearly discloses automatic renewal at checkout and you separately and affirmatively consent to it. Any automatic renewal remains subject to the cancellation notices and rights required by applicable law.

5.4 All Contributions Final and Nonrefundable. EXCEPT WHERE A REFUND IS REQUIRED BY APPLICABLE LAW, EVERY MEMBERSHIP CONTRIBUTION IS IRREVOCABLE, FINAL, AND NONREFUNDABLE ONCE PAID. NO REFUND, PRORATION, CREDIT, OFFSET, OR OTHER REIMBURSEMENT IS OWED BECAUSE YOU DO NOT ACTIVATE, ACCESS, QUALIFY FOR, RECEIVE, OR USE A BENEFIT; A BENEFIT IS DELAYED, LIMITED, MODIFIED, SUBSTITUTED, UNAVAILABLE, OR DISCONTINUED; YOU CANCEL; OR CMP SUSPENDS OR TERMINATES YOUR MEMBERSHIP OR PROGRAM ACCESS UNDER SECTION 10, INCLUDING FOR CONDUCT DESCRIBED IN SECTION 6.3.

5.5 Discretionary Exceptions. CMP may, in its sole and absolute discretion, issue a refund, credit, replacement benefit, or term extension as a voluntary courtesy. CMP has no obligation to do so. A discretionary exception in one instance does not create a right, course of dealing, precedent, policy, or obligation in any other instance and does not waive this no-refund provision.

5.6 Tax Treatment. CMP does not guarantee that a Membership Contribution is fully or partly tax deductible. When goods, services, benefits, or privileges are provided in return, any allowable charitable deduction generally is limited to the amount contributed above their fair market value, subject to applicable law and exceptions. CMP will provide acknowledgments and good-faith benefit valuations or disclosures as required by law. Directing membership revenue to the CMP Scholarship Fund does not eliminate these rules. You are responsible for obtaining independent tax advice and retaining applicable records and CMP acknowledgments.

5.7 Payment Disputes and Chargebacks. You must contact CMP at [insert support email or phone] before initiating a payment dispute or chargeback so CMP has a reasonable opportunity to investigate, except where applicable law gives you an immediate right to dispute the charge. A chargeback does not cancel these Terms or create a refund right. CMP may suspend Program access while a payment dispute is pending and may recover amounts lawfully determined to be owed.

5.8 First Adopter Pricing and Future Contributions. Members who join by December 31, 2026, receive First Adopter Pricing for their first annual membership term: Bronze $65, Silver $150, and Gold $300. Beginning January 1, 2027, annual contribution amounts are Bronze $100, Silver $300, and Gold $500.

First Adopter Pricing saves $35 for Bronze, $150 for Silver, and $200 for Gold compared with those announced amounts. The introductory rate applies only to the first annual term and is not a lifetime or continuing renewal rate. Renewals are subject to the amount disclosed at renewal. CMP may change future contribution amounts with disclosures and notice required by applicable law; changes do not retroactively increase the amount for an existing annual term.

6. Participant Conduct

6.1 Permitted Use. You may use the Program only for lawful, personal, mission-aligned purposes and in accordance with CMP rules, facility policies, event terms, safety instructions, and staff directions.

6.2 Prohibited Conduct. You may not:

- provide false information, impersonate another person, or evade eligibility or purchase limits;
- share credentials, transfer benefits, resell access, or exploit Program benefits for unauthorized commercial purposes;
- interfere with Program systems, security, communications, inventory controls, or other participants' access;
- harass, threaten, discriminate against, or endanger CMP personnel, volunteers, participants, or the public;
- violate applicable law or any CMP safety, event, facility, product, or conduct rule; or
- use Program content or benefits in a manner that harms CMP's mission, operations, reputation, or legal compliance.

6.3 Conduct That Discredits CMP. Whether or not conduct is unlawful and whether it occurs in connection with the Program, at a CMP location or event, online, in public, in private, before enrollment, or during the Membership term, you may not engage in conduct that CMP determines, in its sole and absolute discretion exercised in good faith, is disgraceful, dishonorable, dangerous, abusive, fraudulent, grossly offensive, or otherwise likely to subject CMP, its mission, its programs, its community, or its affiliated relationships to public scandal, contempt, ridicule, disrepute, material criticism, or loss of confidence. This includes credible allegations or evidence of violence or threats; advocacy or celebration of unlawful violence; harassment, stalking, intimidation, discrimination, or hate-based conduct; sexual misconduct or exploitation; fraud, theft, or material dishonesty; cruelty or abuse; serious safety violations; extremist activity; or materially false public representations of affiliation with, endorsement by, or authority from CMP.

6.4 CMP Determination. CMP need not wait for an arrest, charge, civil judgment, criminal conviction, regulatory finding, or final adjudication before protecting its personnel, participants, reputation, mission, or operations. CMP may act on information it reasonably considers credible, including direct observations, participant reports, public records, public statements, online content, or other available evidence. CMP is not required to disclose confidential sources, investigative material, internal deliberations, or information restricted by law.

7. Safety and Regulated Products

7.1 Safety Compliance. Participation in training, events, competitions, ranges, armorer activities, or other marksmanship-related offerings requires strict compliance with all safety instructions, waivers, equipment requirements, and staff directions. CMP may immediately deny or end participation when safety is at risk.

7.2 Purchases and Legal Eligibility. Membership does not override federal, state, or local law; CMP eligibility rules; statutory purchase requirements; background checks; documentation requirements;

shipping restrictions; or product-specific limits. All transactions remain subject to separate sales terms and final CMP approval.

8. Program Content and Intellectual Property

8.1 CMP Content. Program materials, training content, text, graphics, recordings, marks, logos, software, and other content are owned by CMP or its licensors and are protected by intellectual-property laws.

8.2 Limited License. CMP grants you a limited, revocable, nonexclusive, nontransferable license to access Program content for your personal, noncommercial use during your Membership term. You may not reproduce, distribute, modify, publicly display, sell, sublicense, or create derivative works from Program content unless CMP authorizes it in writing.

8.3 Feedback. If you voluntarily provide suggestions or feedback, you grant CMP permission to use it without restriction or compensation, except where prohibited by law.

9. Privacy and Electronic Communications

9.1 Privacy. CMP's collection and use of personal information are governed by the CMP Privacy Policy available at [insert URL]. If there is a conflict concerning personal information, the Privacy Policy controls to the extent required by law.

9.2 Program Communications. You consent to receive transactional communications needed to administer your Membership. Marketing communications are subject to your choices and applicable law. You are responsible for keeping your contact information current.

10. Suspension and Termination

10.1 By You. You may cancel future Program participation by using the method CMP provides. Cancellation ends future access as stated by CMP but does not rescind the Membership Contribution or create any refund, proration, credit, or reimbursement right, except where required by law.

10.2 Immediate Protective Action. CMP may immediately and without prior notice suspend, restrict, investigate, or terminate a Membership, account, benefit, order priority, event registration, facility access, or other Program privilege when CMP determines action is appropriate to protect safety, personnel, participants, property, systems, inventory, operations, mission, reputation, affiliated relationships, or legal compliance.

10.3 Grounds for Action. Grounds include nonpayment; a disputed or reversed payment; fraud; false or omitted information; account or benefit misuse; unsafe conduct; violation of these Terms or any CMP rule; conduct described in Section 6.3; a legal or regulatory requirement; a threat to security or operations; loss of eligibility; or modification or discontinuation of the Program. These grounds are illustrative, not exclusive.

10.4 CMP Discretion and Process. CMP retains sole and absolute discretion, exercised in good faith, to determine whether conduct or circumstances warrant investigation, suspension, restriction, reinstatement, or termination and whether any review opportunity will be offered. Unless applicable law requires otherwise, CMP may act with or without advance notice, a hearing, proof beyond a reasonable doubt, or a final judicial or administrative determination. Any internal review is a courtesy and does not create contractual due-process, appeal, or reinstatement rights.

10.5 No Refund Following Action. Suspension, restriction, cancellation, or termination by CMP does not entitle you to a refund, proration, credit, replacement benefit, damages, or reimbursement. CMP's voluntary decision to provide relief in a particular case is governed exclusively by Section 5.5.

10.6 Effect and Survival. Upon suspension or termination, CMP may immediately deactivate credentials and revoke unused or pending benefits, priority status, registrations, access, offers, and licenses. You must stop representing yourself as a CMP participant and stop using Program-only content. Provisions that by their nature should survive—including payment obligations, the no-refund rule, intellectual property, disclaimers, liability limits, indemnity, dispute terms, and CMP's accrued rights—will survive.

11. Disclaimers

11.1 As Available. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE PROGRAM AND ITS BENEFITS ARE PROVIDED "AS IS" AND "AS AVAILABLE." CMP DOES NOT WARRANT UNINTERRUPTED ACCESS, ERROR-FREE OPERATION, CONTINUED AVAILABILITY OF ANY BENEFIT, OR A PARTICULAR RESULT.

11.2 Nonwaivable Rights. Nothing in these Terms excludes warranties, remedies, or rights that cannot lawfully be excluded or limited.

12. Limitation of Liability

12.1 Excluded Damages. TO THE MAXIMUM EXTENT PERMITTED BY LAW, CMP AND ITS DIRECTORS, OFFICERS, EMPLOYEES, VOLUNTEERS, AGENTS, AND AFFILIATES WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR FOR LOST PROFITS, DATA, USE, OR OPPORTUNITY, ARISING FROM THE PROGRAM.

12.2 Liability Cap. TO THE MAXIMUM EXTENT PERMITTED BY LAW, CMP'S TOTAL LIABILITY ARISING OUT OF OR RELATING TO THE PROGRAM WILL NOT EXCEED THE AMOUNT YOU PAID FOR THE AFFECTED MEMBERSHIP DURING THE TWELVE MONTHS BEFORE THE EVENT GIVING RISE TO THE CLAIM.

12.3 Program Decisions. To the maximum extent permitted by law, CMP will not be liable for decisions made in good faith concerning eligibility, benefit availability, order or registration priority, safety, investigation, suspension, restriction, termination, reputational protection, or Program modification or discontinuation.

12.4 Scope. These limitations apply regardless of the theory of liability and even if CMP was advised that damages were possible or a remedy fails of its essential purpose, but they do not apply where prohibited by law.

13. Indemnification

13.1 Your Responsibility. To the extent permitted by law, you agree to defend, indemnify, and hold harmless CMP and its directors, officers, employees, volunteers, agents, and affiliates from third-party claims, demands, investigations, actions, losses, liabilities, judgments, damages, penalties, and reasonable attorneys' fees and costs arising from or related to your conduct, misuse of the Program, violation of these Terms or another CMP rule, false representation, infringement of another person's rights, or violation of law. CMP may control the defense and settlement of any covered matter, and you will reasonably cooperate.

14. Changes to These Terms

14.1 Updates. CMP may update these Terms to reflect changes in law, safety, technology, benefits, pricing, or Program operations. CMP will post or deliver notice of material changes as required by law

and will identify the updated date. Changes apply prospectively from their stated effective date. Continued use after that date constitutes acceptance where permitted by law.

15. Governing Law and Disputes

15.1 Governing Law. These Terms are governed by the laws of the State of Alabama, without regard to conflict-of-law principles, except to the extent federal law applies.

16. General Terms

16.1 Entire Agreement. These Terms, the Privacy Policy, the benefit descriptions shown at enrollment, and any applicable CMP rules or supplemental terms constitute the agreement concerning the Program. Transaction-specific terms govern individual purchases, events, classes, or facilities.

16.2 Order of Precedence. If Program-specific supplemental terms conflict with these Terms, the supplemental terms control for that specific benefit or transaction. These Terms do not amend CMP's governing documents or create statutory membership rights.

16.3 Severability. If any provision is held unenforceable, it will be enforced to the maximum lawful extent, and the remaining provisions will remain in effect.

16.4 No Waiver or Course of Dealing. CMP's delay or failure to enforce a provision is not a waiver. A waiver applies only to the specific instance stated, must be in writing, and must be signed by an authorized CMP representative. Courtesy, leniency, prior practice, inconsistent enforcement, or an exception for another participant does not amend these Terms or create a waiver, precedent, or continuing obligation.

16.5 Assignment. You may not assign your rights or obligations under these Terms without CMP's written consent. CMP may assign these Terms in connection with a lawful reorganization, transfer of operations, or successor arrangement.

16.6 Force Majeure. CMP is not responsible for delay or failure caused by events beyond its reasonable control, including disasters, public-health events, government action, labor disruption, system or utility failure, transportation interruption, or supply constraints.

16.7 Headings. Headings are for convenience only and do not affect interpretation.
