## 2013 CMP NATIONAL AIR RIFLE CHAMPIONSHIP

### Letter of Thank You

On behalf of the Civilian Marksmanship Program, we would like to Thank You for participating in the first annual CMP Three-Position National Championship. Over 1,300 juniors entered the CMP Postal Match last fall, including shooters from 4H, Scouts, American Legion, club or JROTC air rifle programs. CMP staff scored each postal target to determine the top shooters who would compete in the Regional Championships, held in April. The top teams and individuals were then selected to compete in the National Three Position Championship at the CMP South Marksmanship Center in Anniston, AL, in June.

The CMP Three-Position Air Rifle Championships are conducted by the Civilian Marksmanship Program and sponsored by Midway USA, who awarded generous endowments to winning teams and individuals. Midway USA is a leading U.S. firearms products retailer, committed to helping sustain junior shooting programs across the country.

CMP staff and administrators would like to extend our Thanks to the coaches, volunteers and parents for devoting their time and energy during these events. Congratulations to all.

*By Ashley Brugnone, CMP Writer*

ANNISTON, AL – The first-ever Civilian Marksmanship Program (CMP) National Air Rifle Championship for sporter and precision juniors brought the talents of individual, school, and club shooters to a realm of peak athleticism. With sweat, tears and smiles, legacies began as each winner became the first in the history of the competition.

Midway USA was the official sponsor of the CMP Postal, Regional and National Championships. Throughout the competitions, Midway awarded generous endowments to first, second and third place teams. Midway USA is a leading U.S. firearms products retailer, committed to helping sustain junior shooting programs across the country.

The competition started at the Postal and State levels before breaking into three Regional events in New Mexico, Ohio and Alabama. Winners of the Regional match were given a spot at the National competition at the CMP Marksmanship Center in Anniston, AL.

The sporter competition was held on Tuesday, July 9. Individuals and teams earned awards in different categories during the competition.

"I saw in my sighters that I had a pretty big group, so I thought 'I've got to get this together.' And I just prayed, and God brought it together," she said after her winning shot, her face still red from her tears of joy.

Counselors from CMP's summer camp were on hand as range officers during the competition.

"They shot great. We wanted today. We posted our highest score of all three days, so this is nice – nice. They stepped it up," Coach Benedict said as he held the team's first place trophy. "With the endowment, it's unbelievable. Really remarkable."

With overwhelming participation at the first-ever CMP National 3P Air Rifle Championships, CMP and their partners at Midway USA have given talented junior shooters another place to shine. Coaches and shooters should anticipate even more gifted competitors and opportunities for success at next year's competition.
