## CMP NATIONAL AIR RIFLE CHAMPIONSHIP

### Letter of Thank You

On behalf of the Civilian Marksmanship Program, we would like to thank you for participating in the third annual CMP Three-Position National Championship. Nearly 1,500 juniors entered the CMP Postal Match last fall, including shooters from 4H, Scouts, American Legion, club or JROTC air rifle programs. CMP staff scored each postal target to determine the top shooters who would compete in the Regional Championships, held in March and April. The top teams and individuals were then selected to compete in the National Three Position Championship at the South CMP Competition Center in Anniston, AL.

The CMP Three-Position Air Rifle Championships are conducted by the Civilian Marksmanship Program and partnered with Larry and Brenda Potterfield of MidwayUSA, who awarded generous endowments to winning teams and individuals. MidwayUSA is a leading U.S. firearms products retailer, committed to helping sustain junior shooting programs across the country.

CMP staff and administrators would like to extend our Thanks to the coaches, volunteers and parents for devoting their time and energy during these events. Congratulations to all.

## Peterson, Palermo Lead at 2015 CMP 3P Air Rifle Championships

By Ashley Brugnone, CMP Writer

ANNISTON, AL – The 3rd Annual CMP National Air Rifle Championship for sporter and precision three position air rifle was held June 23 and 26 at the Civilian Marksmanship Program's (CMP) South Competition Center in Anniston, AL. The event was conducted along with the National Junior Olympic 3PAR Championships and drew some of the most talented young marksmen in the country.

Samantha Peterson, 17, of the Minnesota Centershots, received the gold medal after jumping from third place to first in the final – finishing with an aggregate score of 695.6.

After her gun had malfunctioned earlier in the day and illness had set her back, she knew she had ground to cover if she wanted a place at the top of the podium.

Samantha Peterson of the Minnesota Centershots earned the gold medal during the CMP Three Position Air Rifle National Championship.

"I wanted to go out there and shoot and do what I know how to do. I wanted to make my family happy back home," she said. "I just wanted to make them proud."

And she did. After her win, she called home to a crying and excited support team who shared in the joy of the moment.

"This is what I've been training for – this is what I've been working for, and it finally happened. I was on cloud nine," she said.

Meike Drewell, 16, of Buckhorn Shooting Club in Texas, also made a leap in the finals after going from fifth place to earn the silver medal with a score of 694.2. Coming in third for the bronze medal was Junior Olympic champion Sarah Sutton, 17, of the Black Swamp Jr. Rifle Club in Ohio, with her score of 694.

Winning the precision team competition was Hardcore 4 of Georgia, with a score of 2344-158x. The day before, the team set a new National Team Record of 2352-161x for junior club and overall at the Junior Olympic event. Members of the talented team are Mary Pratt, Rachel Kimbell, Dana Bowen and Dakota Spivey. The juniors are coached by Al Bowen.

Gabriel Palermo of Freeport High School in Illinois earned the gold in the sporter competition.

A graduated senior, the match served as his last on the air rifle line. In the future, he plans to move on to the high-power range – trying his hand at largebore long range.

"This definitely isn't my last rodeo," he said. "Next time you'll be seeing me out on the Camp Perry thousand-yard range."

Colton Baumgardner, 18, of the S-Cubed from Washington, jumped from third to second place in the finals to claim the silver medal, with a score of 650.9. Top shooters in the Postal Competition were invited to compete in the Regional Championships in March and April, with the overall high individuals and teams from that match qualifying for the National Championship.

Larry and Brenda Potterfield donated a total of \$23,000 through generous MidwayUSA Foundation endowments to winning teams of the CMP National Championships – offering over \$270,000 in total throughout the three phases of the Air Rifle Championships. The MidwayUSA Foundation is a public charity that helps communities and organizations raise funds into their MidwayUSA Foundation account to support youth shooting teams and activities.

The CMP also provided additional monetary awards to winning teams and individuals as well as three \$1,000 Scholarship awarded to the Top Three graduating seniors of the match.
